Adventist Bible  
Commentary  
Supplement** Review and  
Herald Pub Assoc  
A 5 ½ x 8" leather bound

Bible annotated with complete and cross-referenced commentaries from Ellen G. White, the author of Desire of Ages, which has been recognized by the Library of Congress as the best book about Christ Jesus. The compactness of the Bible belies the richness

of the content. The Compact Bible is a stand-alone reference library for sermon preparation, Bible studies, and personal devotional readings because you have E.G. White's comments and appropriate illustrations right on the same page as the Bible passages as well

as a comprehensive concordance, question and answer Bible study topics and many more features. Using the Compact Bible is like having a compact library on the go. This Bible was sold at ABC Bookstore from 1997.

Exhaustive Ellen G. White Commentary on Daniel and Revelation Review and Herald Pub Assoc

For the early church fathers, certain passages in the shorter letters of St. Paul proved particularly important in doctrinal disputes and practical

church matters. Including comment from John Chrysostom as well as other Greek, Western, Syrian, and Egyptian figures, this ACCS volume opens up a treasure house of ancient wisdom for the church today.

*A Yearlong Bible Study for Women* Review and Herald Pub Assoc

Here is a masterly study of the inner life by a heart thirsting after God, eager to grasp at least the outskirts of His ways, the abyss of His love for sinners, and the height of His unapproachable

majesty - and it was written by a busy pastor in Chicago! Here is a book for every pastor, missionary, and devout Christian. It deals with the deep things of God and the riches of His grace. Above all, it has the keynote of sincerity and humility.

*Genesis* Mountain View, Calif. ; Regina : Pacific Press Pub. Association

This user-friendly devotional commentary divides the text of Galatians and Ephesians into bite-sized passages using a new translation by

the author. Each passage is followed by an explanation that reveals themes and patterns, moving from exegesis to practical application in the lives of twenty-first century believers. The format will prove helpful for church study groups, midweek meetings, equipping the reader to understand better God's message of transforming grace today.

Adventist Bible*

*Commentary* Rockridge  
Press

Beginning with the

destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can

stand firmly for God and His truth.

In recent decades, reception history has become an increasingly important and controversial topic of discussion in biblical studies. Rather than attempting to recover the original meaning of biblical texts, reception history focuses on exploring the history of interpretation. In doing so it locates the dominant

historical-critical scholarly paradigm within the history of interpretation, rather than over and above it. At the same time, the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities. The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important, or

merely offering anthologies of interesting historical interpretations. This major new handbook addresses these matters by presenting reception history as an enterprise (not a method) that questions and understands tradition afresh. The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two-part structure. Part I comprises a set of essays surveying the outline, form, and

content of twelve key biblical books that have been influential in the history of interpretation. Part II offers a series of in-depth case studies of the interpretation of particular key biblical passages or books with due regard for the specificity of their social, cultural or aesthetic context. These case studies span two millennia of interpretation by readers with widely differing perspectives. Some are at the level of a group response (from Gnostic readings of Genesis, to Post-

Holocaust Jewish interpretations of Job); others examine individual approaches to texts (such as Augustine and Pelagius on Romans, or Gandhi on the Sermon on the Mount). Several chapters examine historical moments, such as the 1860 debate over Genesis and evolution, while others look to wider themes such as non-violence or millenarianism. Further chapters study in detail the works of popular figures who have used the Bible to provide

inspiration for their creativity, from Dante and Handel, to Bob Dylan and Dan Brown.

### **A Simple Guide to the Book of Isaiah**

InterVarsity Press  
Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. Identifying nine areas where commonplaces of modern Western thought diverge with the text, the authors ask us to reconsider long-held opinions about our

most beloved book. *Acts to Apostles* Review and Herald Pub Assoc "The Andrews Bible Commentary is a concise exposition of Scripture written by faithful scholars of the Seventh-day Adventist Church as a companion to the Andrews Study Bible for lay readers, pastors, students, and teachers living in expectation of the Advent Hope. Each book has an introduction. The commentary text is approached from a passage-by-passage basis, rather than a verse-

by-verse basis. This allows for more engagement with the extended thought of the passage. Other occasional features include general articles, short word studies and explanations set off from the regular text, and short essays on important topics related to the passage at hand. A personal relationship with Jesus transforms the way we read Scripture. We come to the Bible to inform and focus the worship of Jesus as Savior and Lord. And, in a special way, we come to the Bible

to nourish hope in His Second Coming. We are not disappointed, for the theme of the great Day of the Lord and of Christ's Return permeates the entire biblical record. It is the purpose of the Andrews Bible Commentary to trace "the Blessed Hope" (Titus 2:13) in the pages of Scripture and to read all of the Bible in the light of that hope. This time between the First and Second Advents of Jesus is a challenging one. We need instruction and inspiration as we wait. What does the Bible

have to say to believers who, with both longing and joy, anticipate the Return of Jesus? Answering that question is at the heart of the Andrews Bible Commentary, which seeks to instruct and inspire all who long for Christ's Second Coming"--

Do the writings of the Old Testament prophets seem unrelated to modern life? Would you read them more carefully if you recognized they still speak even today? Learn

how Old Testament prophecy informs us about earth's last days! Discover how end-time prophecy, particularly the book of Revelation, is illuminated by the writings of the prophet Isaiah. This verse-by-verse devotional walks you through the book of Isaiah and leaves you astonished by God's unrelenting efforts to reconcile us to Himself even today.

... Review & Herald Pub Assn  
 Jacques B. Doukhan, an Adventist scholar of Jewish heritage, mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium. He ties the symbolism of the book to the sanctuary service of ancient Israel, showing how the seven sections of the book correspond to the seven feasts of Judaism. He argues that the prophecies of Revelation foretell the

eventual discrediting of secularism (Egypt), the resurgence of conservative religion (Babylon), and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people.
