Random House India  
Private Limited  
Toby is eight years old. He  
had a routine operation. It  
was fine. Now he's gone  
home to terror. Months  
have passed. But Toby  
still bursts into tortured  
screams. Because  
something is very wrong.  
Toby can remember every

moment of the operation.  
All the trauma. All the  
pain. He relives every  
horrifying detail of  
surgery while he's awake.  
Now someone must  
expose the unspeakable  
truth about this hospital.  
Or else an innocent child  
will die. And he won't be  
the last. The next victim is

being wheeled into surgery right now.

*The Blacktongue Thief*  
Penguin

\*2018 LOCUS AWARD FINALIST FOR BEST SCIENCE FICTION NOVEL CATEGORY\* From 2017 John W. Campbell Award winner, Ada Palmer, the second book of Terra Ignota, a political SF epic of extraordinary audacity “A cornucopia of dazzling, sharp ideas set in rich, wry prose that rewards rumination with layers of delight. Provocative, erudite, inventive, resplendent.” —Ken Liu,

author of *The Grace of Kings* In a future of near-instantaneous global travel, of abundant provision for the needs of all, a future in which no one living can remember an actual war...a long era of stability threatens to come to an abrupt end. For known only to a few, the leaders of the great Hives, nations without fixed locations, have long conspired to keep the world stable, at the cost of just a little blood. A few secret murders, mathematically planned. So that no faction can

ever dominate, and the balance holds. And yet the balance is beginning to give way. Mycroft Canner, convict, sentenced to wander the globe in service to all, knows more about this conspiracy than he can ever admit. Carlyle Foster, counselor, sensayer, has secrets as well, and they burden Carlyle beyond description. And both Mycroft and Carlyle are privy to the greatest secret of all: Bridger, the child who can bring inanimate objects to life.

Shot through with astonishing invention, Ada Palmer's *Seven Surrenders* is the next movement in one of the great SF epics of our time. "Seven Surrenders veers expertly between love, murder, mayhem, parenthood, theology, and high politics. I haven't had this much fun with a book in a long time." —Max Gladstone, author of *Three Parts Dead Terra Ignota* 1. Too Like the Lightning 2. *Seven Surrenders* 3. *The Will to Battle* At the Publisher's request, this title is being

sold without Digital Rights Management Software (DRM) applied. *The Corner of Bitter and Sweet* Bedford Books A former FBI agent shares his simple but powerful toolkit for assessing who you can trust--and who you can't. After two decades as a behavior analyst in the FBI, Robin Dreeke knows a thing or two about sizing people up. He's navigated complex situations that range from handling Russian spies to navigating the internal politics at the Bureau.

Through that experience, he was forced to develop a knack for reading people--their intentions, their capabilities, their desires and their fears. Dreeke's first book, *It's Not All About "Me,"* has become a cult favorite with readers seeking to build quick rapport with others. His last book, *The Code of Trust*, was about how to inspire trust in others as a leader. In *Sizing People Up*, Dreeke shares his simple, six-step system that helps you predict anyone's future behavior based on their

words, goals, patterns of action, and the situation at hand. Predicting the behavior of others is an urgent need for anyone whose work involves relationships with others, whether it's leading an organization, collaborating with a teammate, or closing a sale. But predictability is not as simple as good and evil, or truth and fiction. Allies might make a promise with every intention of keeping it, not realizing that they will be unable to do so due to some personal

shortcoming. And those seeking to thwart your endeavor may not realize how reliable their malevolent tells have become. Dreeke's system is simple, but powerful. For instance, a colleague might have a strong moral code, but do they believe your relationship will be long-term? Even the most upstanding person can betray your trust if they don't see themselves tied to you or your desired result in the long term. How can you determine whether someone has both the skill and will to

do what they've said they're going to do? Behaviors as subtle as how they take notes will reveal their reliability. Using this book as their manual, readers will be able to quickly and easily determine who they can trust and who they can't; who is likely to deliver on promises and who will disappoint; and when a person is vested in your success vs when they are actively plotting your demise. With this knowledge they can confidently embark on anything from a business

venture to a romantic relationship to a covert operation without the stress of the unknown.

*The Bewitching of Aveline Jones* Putnam Publishing Group

Psychoanalysis works by attending to the patient's side effects, "what falls out of his pockets once he starts speaking."

Undergoing psychoanalytic therapy is always a leap into the dark—like dedicating our hearts and intellect to a powerful work of literature, it's impossible to know beforehand its

ultimate effect and consequences. One must remain open to where the "side effects" will lead.

Erudite, eloquent, and enthrallingly observant, Adam Phillips is one of the world's most respected psychoanalysts and a boldly original writer and thinker—and the ideal guide to exploring the provocative connections between psychoanalytic treatment and enduring, transformative literature. His fascinating and thoughtful *Side Effects* offers a valuable intellectual blueprint for

the construction of a life beholden to no ideology other than the fulfillment of personal promise. *Yours Truly, Jack the Ripper* Zebra Books Venture on a rich journey of festivities! From Diwali to Chinese New Year, discover fascinating traditions and customs that unite us all. Sprinkled with stunning illustrations, *We All Celebrate!* is bursting with facts about the many cultures and religions of the world. This joyful book offers a glimpse into the beautiful multicultural traditions,

language, history, food and so much more-a true celebration of diversity!

**Flashback** New York : Century Company  
Is hideous prose and ghastly poetry more fabulous than great literature? Determined to find out, award-winning comedian Robin Ince has spent most of the 21st century rummaging through charity shops, jumble sales, and even the odd skip to compile the defining collection of the world's worst ? inadvertently hilarious ? books. Among the many

genres it explores, the book will guide you through the hinterland of celebrity autobiography, unearthing underappreciated classics such as those by It Ain't Half Hot Mum's Don Estelle and the brother of a former PM (MAJOR MAJOR). It offers a detailed study of romance sub-genres, from the equine (DIAMOND STUD) to the gynaecological (SIGN OF THE SPECULUM). And it will prove invaluable to anyone who wants to know THE SECRETS OF PICKING UP

SEXY GIRLS. Above all, the Book Club is a manual - almost a life guide - training you up for membership of the Grand Order of Curators of Books That Should Never Have Been. Join the club. Seven Surrenders Simon and Schuster  
Lucy tries to maintain her identity while running for class president, and deal with feeling neglected by her father and his pregnant girlfriend, especially when they plan to hold the baby shower on the same week as the election.

The Greatest Footballer  
You Never Saw Putnam  
Publishing Group

What if there was a place where everything wrong in your life could be fixed? Corporate trainer Jake Palmer coaches people to see deeper into themselves--yet he barely knows himself anymore. Recently divorced and weary of the business life, Jake reluctantly agrees to a lake-house vacation with friends, hoping to escape for ten days. When he arrives, Jake hears the legend of Willow Lake--about a lost corridor

that leads to a place where one's deepest longings will be fulfilled. Jake scoffs at the idea, but can't shake a sliver of hope that the corridor is real. And when he meets a man who mutters cryptic speculations about the corridor, Jake is determined to find the path, find himself, and fix his crumbling life. But "fixing things" is rarely that simple, and Jake's journey to healing will become more treacherous with each step he takes. Includes discussion questions for book clubs

Christy Award winner for Best Visionary Novel in 2017 Standalone novel Geek Charming Harlequin Nocturne Cravings Robin Friday was an exceptional footballer who should have played for England. He never did. Robin Friday was a brilliant player who could have played in the top flight. He never did. Why? Because Robin Friday was a man who would not bow down to anyone, who refused to take life seriously and who lived every moment as if it were his last. For anyone

lucky enough to have seen him play, Robin Friday was up there with the greats. Take it from one who knows: 'There is no doubt in my mind that if someone had taken a chance on him he would have set the top division alight,' says the legendary Stan Bowles. 'He could have gone right to the top, but he just went off the rails a bit.' Loved and admired by everyone who saw him, Friday also had a dark side: troubled, strong-minded, reckless, he would end up destroying himself.

Tragically, after years of alcohol and drug abuse, he died at the age of 38 without ever having fulfilled his potential. The Greatest Footballer You Never Saw provides the first full appreciation of a man too long forgotten by the world of football, and, along with a forthcoming film based on Friday's life, with a screenplay by co-author Paolo Hewitt, this book will surely give him the cult status he deserves.

**Yours Truly, Lucy B. Parker: Girl vs. Superstar** Bantam

Piles of junk in garages and closets, overflowing papers on desks, items unused for years, masses of unanswered email, clothing never worn, useless gifts that collect dust; all these things, says Brooks Palmer, come weighted with shame and guilt and have a suffocating effect on spirit and soul. In this insightful book, Palmer shows how to get rid of the things in our lives that no longer serve us. By tossing out these unneeded items, we are also eliminating their negative influences,

freeing up energy, and unlocking our potential. Loaded with inspiring anecdotes and practical tips, Clutter Busting is based on the premise that your things are not sacred, but you are. The book explores such fundamental topics as the false identities we assume through clutter, the fear of change those junk piles represent, the addictive nature of holding on to objects, how clearing clutter makes room for clarity and sweeps away confusion and stasis, and much more. With Brooks's

upbeat and compassionate guidance, you'll find yourself clearing the way for new and exciting things to come into your life. **Little Miss Red** Random House Turn on your torches and join Aveline Jones! Aveline is thrilled when she discovers that the holiday cottage her mum has rented for the summer is beside a stone circle. Thousands of years old, the local villagers refer to the ancient structure as the Witch Stones, and Aveline cannot wait to

learn more about them. Then Aveline meets Hazel. Impossibly cool, mysterious yet friendly, Aveline soon falls under Hazel's spell. In fact, Hazel is quite unlike anyone Aveline has ever met before, but she can't work out why. Will Aveline discover the truth about Hazel, before it's too late? Join the world of Aveline Jones, where mysteries are solved, spirits are laid to rest, and everybody gets to bed on time. Perfect for adventurers aged 9+ and fans of Michelle Harrison, Piers

Torday and Jamie Littler. *Mining for Gold* Penguin  
Learn how to overcome negative patterns and reprogramme yourself to operate at a higher level and with more joy than you thought possible. Prepare for a complete system overdrive, as you follow dynamic techniques to reset your life spiritually, emotionally and physically.

### **Sizing People Up**

Random House

The ideal L.A. fairy tale for fans of *Once Upon a Time* and *L.A. Candy*, from the author of *Geek Charming*.

Sophie Greene gets good grades, does the right thing, and has a boyfriend that her parents— and her younger brother—just love. (Too bad she doesn't love him.) Sophie dreams of being more like Devon Deveraux, star of her favorite romance novels, but, in reality, Sophie isn't even daring enough to change her nail polish. All of that changes when Sophie goes to Florida to visit her grandma Roz, and she finds herself seated next to a wolfishly goodlooking guy on the plane. The two hit it off,

and before she knows it, Sophie's living on the edge. But is the drama all it's cracked up to be?

### **Trauma Sphere**

Twelve selected adventures of Robin Hood and his outlaw band who stole from the rich to give to the poor.

### **Vote for Me!**

Arcadia  
One of our great essayists and journalists—the Dean of American Rock Critics, Robert Christgau—takes us on a heady tour through his life and times in this vividly atmospheric and visceral memoir that

is both a love letter to a New York long past and a tribute to the transformative power of art. Lifelong New Yorker Robert Christgau has been writing about pop culture since he was twelve and getting paid for it since he was twenty-two, covering rock for Esquire in its heyday and personifying the music beat at the Village Voice for over three decades. Christgau listened to Alan Freed howl about rock 'n' roll before Elvis, settled east of Manhattan's Avenue B forty years

before it was cool, witnessed Monterey and Woodstock and Chicago '68, and the first abortion speak-out. He's caught Coltrane in the East Village, Muddy Waters in Chicago, Otis Redding at the Apollo, the Dead in the Haight, Janis Joplin at the Fillmore, the Rolling Stones at the Garden, the Clash in Leeds, Grandmaster Flash in Times Square, and every punk band you can think of at CBGB. Christgau chronicled many of the key cultural shifts of the last half century and

revolutionized the cultural status of the music critic in the process. Going Into the City is a look back at the upbringing that grounded him, the history that transformed him, and the music, books, and films that showed him the way. Like Alfred Kazin's A Walker in the City, E. B. White's Here Is New York, Joseph Mitchell's Up in the Old Hotel, and Patti Smith's Just Kids, it is a loving portrait of a lost New York. It's an homage to the city of Christgau's youth from Queens to the Lower East Side—a city

that exists mostly in memory today. And it's a love story about the Greenwich Village girl who roamed this realm of possibility with him.

*Love You Like a Sister*

HarperChristian + ORM

When her two best friends dump her at the beginning of sixth grade, Lucy thinks that her life cannot get any worse, but then she discovers that she is about to get a new stepsister, spoiled television and music star Laurel Moses.

**The Long Journey to**

**Jake Palmer** Tor Books

Intended as a reader for writing and critical thinking courses, this volume presents a collection of writings promoting cultural diversity, encouraging readers to grapple with the real differences in perspectives that arise in our complex society.

*Some Merry Adventures of Robin Hood* Penguin

Four soon-to-be-stepsisters must learn to work together as they try to make their parents' wedding day a day to remember in this witty M!X novel in the tradition

of Bridesmaids. When Avery was two, her parents divorced, and it's just been Avery and her mom ever since—the Two Musketeers. Until Avery opens her email—on a non-holiday and not her birthday—and receives a bombshell announcement from her father. Not only is he moving back to the New York area, he is remarrying—and his soon-to-be wife has three daughters. Avery's future stepsisters. Holy. Moly. Avery's father is determined to make them all one happy family, so

he and his fiancée ask the girls to be the bridesmaids in the upcoming wedding. And they want the girls to help with the something old, something new, something borrowed, and something blue. Meaning that Avery and the girls—who clearly want nothing to do with her—are going to be forced to spend time together. It’s one (hilarious) disaster after another as Avery tries to help and get to know her future stepsisters—who are all dealing with their

own issues with the wedding. From spilling a chocolate-y drink on a very expensive dress when they go dress shopping, to turning her future step-mother’s hair bright blue days before the wedding. Can they all manage to make the wedding a day to remember—or will it be memorable for all the wrong reasons?

Macmillan

The Detroitist is an anthology of poems and stories about Detroit written by a daughter of

Detroit. Natives of Detroit will recognize the places, faces, and history of their city. Newcomers to Detroit will learn about a Detroit that was and is a real locale, not a media-driven invention. Those returning to the Detroit their parents and grandparents fled will realize that they are not here to save Detroit, but to be saved by their new hometown. Words of hope. Words of grief. Words of joy. Words of sadness. Stories about a long-ago time. Stories about today and

tomorrow. The Detroitist is a fascinating combination of poetry and prose that will entertain you, engage you, and educate you. The Detroitist is a book about Detroiters, for Detroiters, written by a Detroiters. If you are not already a Detroiters, The Detroitist will probably make you want to be a Detroiters. The Detroitist is about "Detroit Pride," past, present, and future. Marsha Battle Philpot, known in Detroit as "Marsha Music," was born in Detroit and grew up in

Highland Park, Michigan. In 2012, she was awarded a prestigious Kresge Literary Arts Fellowship, and in 2015 she received a Knight Arts Award. She is also recognized as an exemplar of Detroit style. The Brownies Harper Collins Godly thriving leaders are precious and valuable, but developing those leaders is not easy. Many leaders feel stuck, tired and frustrated in their growth and calling. This can change. In Mining for Gold, pastor and master-coach, Tom Camacho,

offers a fresh perspective on how to draw out the best in ourselves and in those around us. Cutting through the complexity and challenges of leadership development, he gives us practical and effective tools to help leaders grow personally and develop those around them. Coaching, through the power of the Holy Spirit, provides the clarity and momentum we need to grow. When we get clarity, everything changes. Coaching helps us better understand our identity in Christ, our God-

given wiring, and how we naturally bear the most fruit. There is gold in

God's people, waiting to be discovered. Let's learn

to draw out that treasure and help others flourish in their life and leadership.
