Bel ami; or, The history of a scoundrel, a novel. Yvette e-artnow

The story chronicles journalist Georges Duroy's corrupt rise to power from a poor ex-NCO to one of the most successful men in Paris, most of which he achieves by manipulating a series of powerful, intelligent, and wealthy mistresses.

SUMMARY - Bel-Ami By Guy De Maupassant

Delphi Classics
Maupassant's second novel, Bel-Ami (1885) is the story of a ruthlessly ambitious young man (Georges Duroy, christened Bel-Ami by his female admirers) making it to the top in fin-de-sihcle Paris. It is a novel about money, sex, and power, set against the background of the politics of the French colonization of North Africa. It explores the dynamics of an urban society uncomfortably close to

our own and is a devastating satire of the sleaziness of contemporary journalism. Bel-Ami enjoys the status of an authentic record of the apotheosis of bourgeois capitalism under the Third Republic. But the creative tension between its analysis of modern behavior and its identifiably late nineteenth-century fabric is one of the reasons why Bel-Ami remains one of the finest French novels of its time, as well as being recognized as Maupassant's greatest achievement as a novelist. This

new translation is complemented by fullest introduction and notes of any edition currently available.

Bel-ami, One evening, An Artifice, and other stories e-artnow

Young, attractive and very ambitious, George Duroy, known to his friends as Bel-Ami, is offered a job as a journalist on La Vie française and soon makes a great success of his new career. But he also comes face to face with the realities of the corrupt society in which he lives - the sleazy colleagues, the manipulative mistresses and wily financiers - and swiftly learns to become an arch-seducer, blackmailer and social climber in a world where love is only a means to an end. Written when Maupassant was at the height of his powers, Bel-Ami is a novel of great frankness and cynicism, but it is also infused with the sheer joy of life - depicting the scenes and characters of

Paris in the belle époque with wit, sensitivity and humanity.

Guy de Maupassant is often called the master of erotic prose. But the novel "Bel Ami, or, The History of a Scoundrel: A Novel" goes beyond the scope of this genre. In it, rather, on the foreground moral criteria are put forward. Georges Duroy, a handsome young man, dreaming of building a brilliant career and getting rich. He certainly is not a mediocre person, his appearance can conquer the heart of any lady (which, by the way, and enjoys constantly), his conscience is silent when he does any meanness. Did Georges Duroy achieve his goal?

The History of a Scoundrel Simon and Schuster

Guy de Maupassant's scandalous tale of an opportunistic young man corrupted by the allure of power, "Bel-Ami" is translated with an introduction by Douglas Parmee in "Penguin Classics". Young, attractive and very ambitious, George Duroy, known to his admirers as Bel-Ami, is offered a job as

a journalist on *La Vie française* and soon makes a great success of his new career.

Bel-Ami & Other Stories Penguin

Bel Ami (The History of a Scoundrel): The story chronicles journalist Georges Duroy's corrupt rise to power from a poor ex-NCO to one of the most successful men in Paris, most of which he achieves by manipulating a series of powerful, intelligent, and wealthy mistresses. The novel is set in Paris in the upper-middle class environment of the leading journalists of the newspaper *La Vie Française* and their friends. *Pierre et Jean* - is a naturalist or psycho-realist story, notably so by the subjects on which it treats, including knowledge of one's heredity (whether one is a legitimate son or a bastard), the bourgeoisie, and the problems stemming from money. *Notre Coeur* (A Woman's Pastime): The novel tells the story of a woman without a heart, frigid and probably a lesbian. The hero, facing this fascinating and awesome being, takes another mistress, who can hardly satisfy him. He is devastated by this passionate love, violent, melancholic and cruel. *A Life* is a satirical novel about the folly of romantic illusion. The novel

tells the story of young Jeanne, full of hope and dreams of love, who discovers the outside world after finishing an education in a convent. She is looking forward to her new life and she is dreaming of the day when she will find the man who loves her. All her expectations are fulfilled, however... *Mont Oriol* Strong as Death. Guy de Maupassant was a French writer, remembered as a master of the short story form, and as a representative of the naturalist school of writers.

Bel Ami Bruno Gmuender GmbH
Mit souveräner Ironie schildert Maupassant den Werdegang des charmanten Emporkömmlings George Duroy, der als Don Juan des bürgerlichen Zeitalters in die Weltliteratur einging. Der berühmte Klassiker wird hier in der neuesten Übersetzung vorgelegt. Die Neufilmung des grossen Klassikers mit "Twilight"--Star Robert Pattinson kommt 2011 in die deutschen Kinos.

Bel Ami (□□□) Penguin UK

Imagine a world where no dick is smaller than eight inches and that would pretty much sum up the memorable contents of *Bel Ami*'s latest offering in erotic photography. And the naughty grins on

the faces of the well equipped twinks featured makes it abundantly clear that they know how to handle their tools. Of course, there are those that will say that size doesn't matter when it comes down to it. But that doesn't make it any less visually impressive!

The History of a Heart Tebbo

Returning from three years of military service in Algeria, journalist Georges Duroy takes advantage of his mistresses to achieve success. He wields his charm with unscrupulous ambition, becoming one of the most powerful men in Paris. In his 1885 novel *Bel Ami*, Maupassant constructs a cynical portrait of human nature.

Bel Ami □□□

Guy De Maupassant (1850-1893), if *Bel-Ami* is any indication, must rank as one of the best writers in the history of the western world. Born in Normandy in 1850, Maupassant became a disciple of the French author Flaubert early in life. Guy quit his job with the civil service after publishing his first short story, *Boule de Suif* in 1880. What followed was a phenomenal flurry of 250 short stories and six novels before his premature death

from syphilis in 1893. During his short life, Maupassant helped to form the *groupe de Medan*, a loosely knit group of naturalist writers headed by Emile Zola. He also worked as a journalist, covering such important events as the French campaigns in Algeria and Tunisia. A hard worker when it came to writing, Maupassant also possessed a zest for life, including a love for the ladies that eventually killed him. *Bel-Ami* is hardly an original premise. How many books written through the years discuss the idea of a rural man heading to the city to make it big? That is exactly what happens with this book in the form of main character Georges Duroy. After a five-year stint in the French army, Duroy moves to Paris to make his fortune. Regrettably, Duroy is languishing in a lowly job as a railroad clerk until he meets his old army buddy Forestier. From this point forward, Georges is on the fast track to success. Forestier gets him a job at a scandal rag named *La Vie Française* where Georges rapidly ascends the ranks from lowly reporter to chief editor. Along the way, Duroy engages in all sorts of amorous adventures with women both high and low on the Paris social register.

By the time the story ends, Georges is within sight of the highest positions in French society, all accomplished through sheer cunning and social maneuvering. There are so many themes running through this sordid tale of the decadent Third Republic that it is impossible to adequately describe them all here. The introduction to this Penguin edition, written by translator Douglas Parmee, does a good job of showing how incidents in Maupassant's life appear in the character of Georges Duroy. The protagonist's rural background, his experience in France's North African expeditions, his work as a reporter and the subsequent expose of the seediness of journalism, the numerous affairs, the social positioning, and the philosophical musings on death are all expressions of Maupassant's personality and activities. I do hope, however, that Maupassant was not as big of a cad as Georges Duroy because this character may be one of the biggest jerks in the history of literature. Maupassant's knowledge of his own impending death weighs heavily in the story. Two sections highlight his musings on mortality: the monologue of the poet

Norbert de Varenne and the death of Forestier. For the author, his slow deterioration from a disease made death a daily reality. What seemed to worry De Maupassant the most about death was not punishment from God but the idea of nothingness and being forgotten by the living. Of course, death makes no impression on Georges Duroy, who experiences only a moderate twinge over the passing of Forestier before making a play for that man's wife in order to improve his social position. I am elated that I discovered this author. Guy De Maupassant is a brilliant writer whose early death robbed the world of a great talent. Although his short stories are considered some of the best ever written, do not pass by this novel. I have rarely seen an author who can write about mundane, daily situations with as much aplomb (see the scene about the fencing party as a prime example). De Maupassant's masterful abilities make this ordinary plot strikingly original and I will revisit this author again in the future. You should too.

Bel-ami Oxford University Press, USA
Bel Ami was the second published novel

by French writer Guy de Maupassant. The novel's hero, journalist Georges Duroy, rises from his humble beginnings to become one of the most powerful men in Paris. He works his way to the top by carefully choosing and manipulating powerful and wealthy mistresses.
