Now a movie starring Lucy Hale and Austin Stowell, USA Today bestselling author Sally Thorne's hilarious and sexy workplace comedy all about that thin, fine line between hate and love.

Nemesis (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quiriness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream job...But the tension between Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or

maybe this is just another game.

THE INTERNATIONAL BESTSELLER AND DECEMBER PICK FOR REESE WITHERSPOON'S HELLO SUNSHINE BOOK CLUB Featuring a sneak peek at Liv Constantine's second novel, THE LAST TIME I SAW YOU "Filled with envy, deception, and power, it's a great reading escape. And there is a thrilling twist at the end!!"

—Reese Witherspoon "Will keep you up. In a 'can't put it down' way. It's 'The Talented Mr. Ripley' with XX chromosomes."—The Skimm "Deliciously duplicitous. . . . equally as twisty, spellbinding, and addictive as Gillian Flynn's *Gone Girl* or Paula Hawkins's *The Girl on the Train*."—Library Journal (starred review) Amber Patterson is fed up. She's tired of being a nobody: a plain, invisible woman who blends into the background. She deserves more—a life of money and power like the one blond-haired, blue-eyed goddess Daphne Parrish takes for granted. To everyone in the exclusive town of Bishops Harbor, Connecticut, Daphne—a socialite and philanthropist—and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber's envy could eat her alive . . . if she didn't have a plan. Amber uses Daphne's compassion and caring to insinuate herself into the family's life—the first step in a meticulous scheme to undermine her. Before long, Amber is Daphne's closest confidante, traveling to Europe with the Parrishes and their lovely young daughters, and growing closer to Jackson. But a skeleton from her past may undermine everything that Amber has worked towards, and if it is discovered, her well-laid plan may fall to pieces. With shocking turns and dark secrets that will keep you guessing until the very end, *The Last Mrs. Parrish* is a fresh, juicy, and utterly addictive

thriller from a diabolically imaginative talent.
