 Review, we explore the latest developments in technology and
 discuss how they will shake up the consumer market, drive
 innovation and create opportunities for growth and greater
 efficiency.Digital Predictions 2019 | The Deloitte Consumer
 Review ...The Deloitte Consumer Review Africa: A 21st Century
 View. In this report, Deloitte assesses how the African market
 has developed, how perceptions of Africa have changed, and how
 consumers are responding to a period of rapid economic growth.
 We also make the case for seizing the opportunities within the
 continent.The Deloitte Consumer Review - Africa: A 21st Century
 View ...The research featured in the Deloitte Consumer Review is
 based on a consumer survey carried out by independent market
 research agency, TNS, on our behalf. This survey was conducted
 online with a nationally representative sample of over 1,200 UK
 adults aged 18+ between 1-3 October 2013.The Deloitte
 Consumer Review Reinventing the role of the ...With so many
 people having fallen victim to cyber crime, Deloitte's Consumer
 Review found that less than half (44%) trusted companies to tell
 the truth about the quality of their data security procedures. Only
 40% thought their data was safe when they shared it with a
 company - even one they trusted. Findings include:The Deloitte
