Still Life with Bread Crumbs Spectrum Books

Success has never tasted so good! The dynamic duo of I am a Thief by Abigail Rayner (author) and Molly Ruttan (illustrator) have created a new picture book sure to spark conversations about this timely issue. Violet used to love birthday parties, but now that she has celiac disease, she's not allowed to eat pizza, cake, or anything else with gluten. Violet feels alone until she discovers that some animals have dietary restrictions as well. While standing up for her animal friends, she realizes she can do the same for herself. And when it's time to celebrate Violet's birthday, there isn't a single gluten-containing crumb in sight! Filled with pluck and humor, this informative story provides a great opportunity to discuss this increasingly common condition with children who have celiac disease and gluten-intolerance as well as those who know people who have it and are seeking to learn more about it. Praise for I Am a Thief \* "Hilarious and sweet, with a gentle, affirming moral." Kirkus Reviews, STARRED REVIEW "This entertaining, original picture book leaves plenty of room for discussion." Booklist "...this book will resonate, and, provides an avenue for dialogue." School Library Journal

The life of a Christian is often a balancing act. It is a constant battle between the flesh and the spirit. Pastor Spotts has provided the reader with more than a series of meditations. The 60 daily readings encompassed in this book are instead, teachings from a pastor to his flock on how to live a balanced and healthy life in the Lord. These Crumbs from the Master's Table are just that, tiny pieces of the Word of the Lord, that bring healing to the hungry soul.

**The Crumbs Off the Wife's Table** Dramatists Play Service Inc  
Teacher, Mother, and Columnist Kathy Kenney-Marshall shares humorous and often insightful views about parenthood, teaching, and descriptions of every day life. In essay form, Kathy views the

mundane, the annoying, and the absurd in ways that make you laugh, cry, or at least nod your head in agreement. Life is like a roller coaster and these essays will take you along on a ride through lives that we all live but in a way that makes you realize that in the end, almost everything can be laughed at if we look at it through a different lens.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. A collection of cartoonist Crumb's work, ranging from his earliest comics published in the mid sixties, to work completed in the nineties with his comentaries interspersed throughout the book.

**No More Crumbs!** Xlibris Corporation

What do you get when you cross a jilted ex, a dead body, and a killer canine named Pooh Bear? When social media manager KC Crumb is fired from her bougie job in L.A., she returns home to Beaver Bluff, Oregon only to discover a dead body in her new rental. Unfortunately, the body belongs to her philandering ex-boyfriend-a man she publicly threatened before she left town 15 years ago. Now all eyes are on KC, including those of hunky officer Antonio Hamson. With the help of her new best friend, who happens to be a jiu-jitsu expert/librarian, and a gaggle of gung-ho ladies from her aunt's bakery, KC and Pooh Bear set out to track down the real killer. Half the town is under suspicion, including a shady car salesman and a preening personal trainer, causing the clues to mount faster than the followers on her newly single social media profiles. And when her life is mysteriously threatened, KC has to sniff out the murderer...before the handsome officer hauls her in for homicide.

*All about Folks and Places You Almost Know* Simon and Schuster  
Elena Gorokhova's A Mountain of Crumbs is the moving story of a Soviet girl who discovers the truths adults are hiding from her and the lies her homeland lives by. Elena's country is no longer the majestic Russia of literature or the tsars, but a nation struggling to retain its power and its pride. Born with a desire to explore the world beyond her borders, Elena finds her passion in the complexity of the English language—but in the Soviet Union of the 1960s such a passion verges on the subversive. Elena is controlled by the state the same way she is controlled by her mother, a mirror image of her motherland: overbearing, protective, difficult to leave. In the battle between a strong-willed daughter and her authoritarian mother, the daughter, in the end, must break free and leave in order to survive. Through Elena's captivating voice, we learn not only the stories of Russian family life in the second half of the twentieth century, but also the story

of one rebellious citizen whose curiosity and determination finally transport her to a new world. It is an elegy to the lost country of childhood, where those who leave can never return.

Crumbs from the Table of Love Living Stream Ministry

What if someone tempts you to do something you know is forbidden and then you get in trouble? Who is responsible? You or the person who has allured you? "The Crumbs on the Table" is one of those tales by Brothers Grimm who are both funny and strangely educational. Come along to check what we are talking about. Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

*Crumbs from the Table of Joy* by Lynn Nottage NorthSouth Books

A white Norwegian woman who married a Nigerian in England during the World War II, here narrates the story of her life. Hilde Ogbe returned to Nigeria in 1956 and was naturalised in 1967. She subsequently establishes, and manages a silver jewellery

company; studies astrology; and successfully treats sickle cell patients with local herbs and remedies.

*Crumbs From Everybody's Table* Crumbs from the Table of Joy, and Other Plays

Work. Family. Church. Exercise. Sleep. The list of demands on our time seems to be never ending. It can leave you feeling a little guilty--like you should always be doing one more thing. Rather than sharing better time-management tips to squeeze more hours out of the day, Kelly Kapic takes a different approach in *You're Only Human*. He offers a better way to make peace with the fact that God didn't create us to do it all. Kapic explores the theology behind seeing our human limitations as a gift rather than a deficiency. He lays out a path to holistic living with healthy self-understanding, life-giving relationships, and meaningful contributions to the world. He frees us from confusing our limitations with sin and instead invites us to rest in the joy and relief of knowing that God can use our limitations to foster freedom, joy, growth, and community. Readers will emerge better equipped to cultivate a life that fosters gratitude, rest, and faithful service to God. Praise for *You're Only Human* "In this most necessary book, Kelly helps us understand and find relief in the truth that God is God and we are not. Especially for those who have forgotten this and grown tired, I can't recommend *You're Only Human* highly enough."--Scott Sauls, senior pastor, Christ Presbyterian Church; author of *Jesus outside the Lines* and *A Gentle Answer* "A page turner! Just have a pen handy--there's a lot to underline in *You're Only Human*."--Michael Horton, Westminster Seminary California; author of *Ordinary: Sustainable Faith in a Radical, Restless World* "This book is a hopeful gift."--John Swinton, University of Aberdeen "Kapic offers us something compelling and refreshing. He graces us with a mature, winsome, theologically steady, and pastorally gentle invitation to receive with gratitude and rejoice once again in the triune God's good gift of finite creatureliness."--Leopoldo A. Sánchez M., Center for Hispanic Studies, Concordia Seminary "As this book helped me to see the manifold ways in which we live in denial about the goodness of limits, I made fresh commitments to seek new, healthier habits. I cannot value and recommend a book more highly than that."--Daniel J. Treier, Wheaton College; author of *Introducing Evangelical Theology* "In *You're Only Human*, Kapic once again shares from his own personal journey and at times

confronts his own questions in order to reveal the beauty of God's intended rhythm for life in a world that is driven by deadlines, goals, and extremes. He asks hard and searching questions in order to reveal the beauty of God's created order and Christ's peace that passes all understanding."--Bishop Julian M. Dobbs, Anglican Diocese of the Living Word

Misplaced Loyalty Lindhardt og Ringhof

THE STORY: Recently widowed Godfrey, and his daughters Ernestine and Ermina, move from Florida to Brooklyn for a better life. Not knowing how to parent, Godfrey turns to religion, and especially to Father Divine, for answers. The girls absorb their A Novel Ten Speed Press

My husband and I are owners of a daycare center and while observing the children I noticed that often they would leave their meal on the table to scrounge for a crumb that they had lost under the table or around their chairs. After it was brought to their attention that the crumb was no longer good for consumption and after redirecting them to the more attractive spread before them, they had no problem finishing their tasty morsels. As Christians we often do the same thing, we leave our wonderful, abundant life or spiritual meal that is handsomely displayed before us to scrounge around for crumbs that are no

longer appropriate for our spiritual consumption. I pray that this book will be a gateway through which we can grow past the crumbs and sit at the place Christ has prepared for us at His table. God has so much in store for us. Scripture states that He "...is able to do exceedingly, abundantly, above all that we ask or think, according to the power that worketh in us," (Ephesians 3:20). Just as He said in Jeremiah 29:11 "For I know the plans I have for you," says the Lord. "They are plans for good and not for disaster, to give you a future and hope." (NLT)

 MISPLACED LOYALTY (Crumbs from the Table of the Beast) is a journey of discovery. As it traces Church history, it asks the question, "Why do we do the things we do?" It is a thought-provoking window of opportunity to learn about the traditions that we all hold dear. Truth bubbles to the surface in each and every chapter, as the reader is introduced to the ominous presence that has been behind the scenes of the many detrimental components that plague society today. By the end of the book the reader is brought face to face with the beast of Revelation and his infamous "Mark." Truly this book is an eye-opening experience.

Journey through the pages of ancient biblical history. Relive the saga of a man whose hopelessness reached far beyond poverty and hunger, into the bottomless abyss of one who no longer lives, but merely exists. His name was Mephibosheth, the displaced grandson of King Saul. He eats scraps off the floor and pathetically settles for life's leftovers. His life might, sadly, be like your own. You too might be rejected, confused and without hope as God's promises seem so far away. Yet, like Mephibosheth, and other men and women of God in the Bible, you can find God's provision and restoration. You can break through the desert of existence into the oasis of God's abundant life.
