*Dave Ramsey's Complete  
Guide to Money Amer  
Society of Safety  
Engineers*  
\*\*A Forbes Best Business  
Book of the Year, 2015\*\*

\*\*Winner of the 2015 800-  
CEO-READ Business Book  
Award in  
Entrepreneurship\*\* When  
columnist Paul Downs was  
approached by The New  
York Times to write for  
their “You’re the Boss”  
blog, he had been running  
his custom furniture  
business for twenty-four  
years strong. or mostly

strong. Now, in his first  
book, Downs paints an  
honest portrait of a real  
business, with a real boss,  
a real set of employees,  
and the real challenges  
they face. Fresh out of  
college in 1986, Downs  
opened his first business,  
a small company that  
builds custom furniture. In  
1987, he hired his first

employee. That's when things got complicated. As his enterprise began to grow, he had to learn about management, cash flow, taxes, and so much more. But despite any obstacles, Downs always remained keenly aware that every small business, no matter the product it makes or the service it provides, starts with people. He writes with tremendous insight about hiring employees, providing motivation to get the best out of them, and the difficult decisions he's made to let some of

them go. Downs also looks outward, to his dealings with vendors and to providing each client with exemplary customer service from first sales pitch to final delivery. With honesty and conviction, he tells the true story behind building and sustaining a successful company in an ever-evolving economy, often airing his own failures and shortcomings to reveal the difficulties that arise from being a boss and a businessperson. Countless employees have told the

story of their experience with managers—Boss Life tells the other side of that story.

*Art's Principles* Lioncrest Publishing

The longtime chief marketing officer for Chick-fil-A tells the inside story of how the company turned prevailing theories of fast-food marketing upside down and built one of the most successful and beloved brands in America. *Covert Cows* will help you... Discover unexpected, out-of-the-box marketing methods and new ways of

approaching business problems. Understand the positive impact of building a business based on biblical principles. Receive an insider's look at the evolution of one of America's most beloved brands. Learn key marketing and business insights from the man who was the chief marketing officer for Chick-fil-A for thirty-four years. During his thirty-four-year tenure at Chick-fil-A, Steve Robinson was integrally involved in the company's growth--from 184 stores and \$100

million in annual sales in 1981 to over 2,100 stores and over \$6.8 billion in annual sales in 2015--and was a first-hand witness to its evolution as an indelible global brand. In Covert Cows and Chick-fil-A, Robinson shares behind-the-scenes accounts of key moments, including the creation of the Chick-fil-A corporate purpose and the formation and management of the now-iconic "Eat Mor Chikin" cow campaign. Drawing on his personal interactions with the

gifted team of company leaders, restaurant operators, and the company's founder, Truett Cathy, Robinson explains the important traits that built the company's culture and sustained it through recession and many other challenges. He also reveals how every aspect of the company's approach reflects an unwavering dedication to Christian values and to the individual customer experience. Written with disarming candor and revealing storytelling, Covert Cows and Chick-fil-

A is the never-before-told story of a great American success.

*Quit Getting Screwed*

Simon and Schuster

Get out of debt and stay out with the help of Dave Ramsey, the financial expert who has helped millions of Americans control their money The Financial Peace Planner may be the most valuable purchase you ever make. Dave Ramey's practical regimen, based on his own personal experience with debt, offers hard-won advice and much needed hope to people who find

themselves in serious debt and desperate for a way out. This book comes in a workbook format, allowing you to frequently monitor your progress and, most importantly, to face your situation honestly. Loaded with inspirational insights that come from personal experience, this set of books will be life changing for any debt-ridden readers. You'll find help on how to:

- Assess the urgency of your situation
- Understand where your money's going
- Create a realistic budget
- Dump

your debt • Clean up your credit rating

**Hopping over the Rabbit Hole**

South-Western Pub

When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to

get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire

broke, stressed, and working long after you want to. You can retire inspired!

[Work4Him](#) Thomas Nelson

Offers advice on growing a business, including setting and attaining goals, time management, and operating debt free.

Leadership is the most crucial choice one can make—it is the decision to step out of darkness into the light. Bestselling author and spiritual guide Deepak Chopra invites

you to become the kind of leader most needed today: a leader with vision who can make that vision real. Chopra has been teaching leadership to CEOs and other top executives for eight years, and the path outlined in *The Soul of Leadership* applies to any business, but the same principles are relevant in every community and area of life, from family and home to school, place of worship, and neighborhood. “At the deepest level,” Chopra writes, “a leader is the

symbolic soul of a group.” With clear, practical steps, you are led through the crucial skills outlined in the acronym L-E-A-D-E-R-S: L = Look and Listen E = Emotional Bonding A = Awareness D = Doing E = Empowerment R = Responsibility S = Synchronicity After identifying your own soul profile and the core values you want to develop, you can use these seven skills to allow your potential for greatness to emerge. Only from the level of the soul, Chopra contends,

are great leaders created. Once that connection is made, you have unlimited access to the most vital qualities a leader can possess: creativity, intelligence, organizing power, and love. The Soul of Leadership aims to fill the most critical void in contemporary life, the void of enlightened leaders. “You can be such a leader,” Chopra promises. “The path is open to you. The only requirement is that you learn to listen to your inner guide.” In this unique handbook you are

shown how to do just that, in words as practical as they are uplifting. The future is unfolding at this very minute, and the choice to lead it lies with each of us, here and now. *48 Days to the Work You Love* Thomas Nelson Are you hungry to help others through leadership but don't feel like you have the authority? One of the greatest myths of leadership is that you must be in charge in order to lead. Great leaders don't buy it. Great leaders--whether they have the official authority

or not--learn how to be an influential presence wherever they are. In *How to Lead When You're Not in Charge*, author and pastor Clay Scroggins explains the nature of leadership and what's needed to be a great leader--even when you answer to someone else. Drawing from biblical principles and his experience as the lead pastor of Buckhead Church in Atlanta, Georgia, Clay will help you nurture your vision and cultivate influence with integrity and confidence,

even when you lack authority in your organization or ministry. In this book, Clay will walk you through the challenge of leadership and the four basic behaviors all great leaders have and how to cultivate them: Leading yourself Choosing positivity Thinking critically Rejecting passivity With practical wisdom and humor, Clay Scroggins will help you free yourself to become the great leader you want to be so you can make a difference. Even when you're not in charge. -----

--- "This book will be one of the most, if not the most, pivotal leadership books you'll ever read." - Andy Stanley "If you're ready to lead right where you are, this book can show you how to start." - Dave Ramsey "Read this book! The marketplace is full of leadership messages, but this one is a stand out." - Louie Giglio  
*The Total Money Makeover* Zondervan  
*In the Way of the SEAL*, ex-Navy Commander Mark Divine reveals exercises, meditations and focusing techniques

to train your mind for mental toughness, emotional resilience and uncanny intuition. Along the way you'll reaffirm your ultimate purpose, define your most important goals, and take concrete steps to make them happen. A practical guide for businesspeople or anyone who wants to be an elite operator in life, this book will teach you how to: · Lead from the front, so that others will want to work for you · Practice front-sight focus, the radical ability to focus on one thing until victory

is achieved · Think offense, all the time, to eradicate fear and indecisiveness · Smash the box and be an unconventional thinker so you're never thrown off-guard by chaotic conditions · Access your intuition so you can make "hard right" decisions · Achieve twenty times more than you think you can · and much more Blending the tactics he learned from America's elite forces with lessons from the Spartans, samurai, Apache scouts, and other great warrior

traditions, Divine has distilled the fundamentals of success into eight powerful principles that will transform you into the leader you always knew you could be. Learn to think like a SEAL, and take charge of your destiny at work, home and in life.

**The Money Answer Book** John Wiley & Sons Relationships are at the heart of every positive human experience. Maxwell, a master communicator and relational expert, makes learning about

relationships accessible to everyone. The most sophisticated leaders and salespeople will pick up on skills that will make them even better, and relational novices will learn skills that can transform them into relational dynamos.

**Baby Steps Millionaires**

John Wiley & Sons  
 Providing all kinds of resources for all kinds of minds, this text introduces management functions, environments, and responsibilities; how to make things happen; meeting the global

competition innovatively; organizing people, projects, and processes; and leadership. Includes actual case examples *Covert Cows and Chick-fil-A* Ramsey Press  
 It's time for subcontractors to Quit Getting Screwed. Every day, subcontractors across all trades face the same critical dilemma: Should I sign a subcontract I don't understand-one that might even put my company at risk? Or should I refuse to sign and lose the job? Attorney

Karalynn Cromeens wrote *Quit Getting Screwed* to help every subcontractor, no matter how big or how small, understand what those subcontracts mean. Know which provisions you should expect and which ones to avoid. Identify dangerous provisions that need to be removed, learn the best negotiation techniques, and come to the table armed with fair language that can be substituted for unfair clauses. Signing a subcontract you don't understand can put your entire livelihood in

jeopardy. If you're a subcontractor, don't sign another subcontracting agreement without knowing what it means. Keep this book in your pocket, and quit getting screwed.

*The Soul of Leadership*

Ramsey Press

Guides people working in jobs they hate on how to make successful career decisions by creating a compass from their natural skills and abilities, personality traits, values, dreams, and passions, directing them to a more fulfilling vocation.

**Entreleadership** Ramsey Press

OVER 1 MILLION COPIES SOLD! Do you have a grip on your business, or does your business have a grip on you? All entrepreneurs and business leaders face similar frustrations—personnel conflict, profit woes, and inadequate growth. Decisions never seem to get made, or, once made, fail to be properly implemented. But there is a solution. It's not complicated or theoretical. The Entrepreneurial Operating

System® is a practical method for achieving the business success you have always envisioned. More than 80,000 companies have discovered what EOS can do. In Traction, you'll learn the secrets of strengthening the six key components of your business. You'll discover simple yet powerful ways to run your company that will give you and your leadership team more focus, more growth, and more enjoyment. Successful companies are applying Traction every

day to run profitable, frustration-free businesses—and you can too. For an illustrative, real-world lesson on how to apply Traction to your business, check out its companion book, *Get A Grip*.

EntreleadershipEntreLeadership

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know

there's something better out there, but they just don't know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard!

Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity*

Principle, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.

**You Win in the Locker Room First** Simon and Schuster

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he

set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . .  
\*Take a deeper look at Baby Step 4 to learn how Dave invests and builds

wealth \*Learn how to bust through the barriers preventing them from becoming a millionaire  
\*Hear true stories from ordinary people who dug themselves out of debt and built wealth \*Discover how anyone can become a millionaire, especially you  
*Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little

boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

EntreLeadership by Dave Ramsey  
High Bridge Books

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with

money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

*Jeffrey Gitomer's Little Gold Book of Yes! Attitude*  
Penguin

If you're looking for practical information to answer all your "How?" "What?" and "Why?"

questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book.

This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

**Death by Meeting** John Wiley & Sons  
NFL head coach Mike Smith lead one of the most remarkable turnarounds in NFL history. In the season prior to his arrival in 2008, the Atlanta Falcons had a 4-12 record and the franchise had never before achieved back-to-back winning seasons. Under Smith's leadership, the Falcons earned an 11-5 record in his first season and would go on to become perennial playoff and Super Bowl contenders earning Smith

AP Coach of year in 2008 and voted Coach of Year by his peers in 2008, 2010 and 2012. You Win in the Locker Room First draws on the extraordinary experiences of Coach Mike Smith and Jon Gordon—consultant to numerous college and professional teams—to explore the seven powerful principles that any business, school, organization, or sports team can adopt to revitalize their organization. Step by step, the authors outline a strategy for building a

thriving organization and provide a practical framework that give leaders the tools they need to create a great culture, lead with the right mindset, create strong relationships, improve teamwork, execute at a higher level, and avoid the pitfalls that sabotage far too many leaders and organizations. In addition to sharing what went right with the Falcons, Smith also transparently shares what went wrong his last two seasons and provides invaluable lessons leaders can take away from his

victories, success, failures and mistakes. Whether it's an executive leadership team of a Fortune 500 company, a sports team, an emergency room team, military team, or a school team successful leaders coach their team and develop, mentor, encourage, and guide them. This not only improves the team, it improves the leaders and their relationships, connections, and organization. You Win in the Locker Room First offers a rare behind-the-

scenes look at one of the most pressure packed leadership jobs on the planet and what leaders can learn from these experiences in order to build their own winning team.

*The Financial Peace Planner* Penguin

Art's Principles reveals the blueprint behind one of the most successful professional services firms, giving career-minded individuals the tools they need to excel in business. The book covers the essentials of leadership, talent

acquisition and operations, while outlining the creative strategies that propelled a small business into one of the largest and most admired in its industry. This guidebook is full of well-tested ideas that are applicable to someone running a small, medium or large a professional firm--or running any project where people, profit and customers

matter.

[The Complete E-Commerce Book](#) Ramsey Press

There is a movement of women stepping into their God-given gifts to make money doing what they love. If you're ready to join them, this is your handbook that will take the ideas in your head and the dream in your heart and turn them into

action. \*Help you create a step-by-step, customized plan to start and grow your business. \*Show you how to manage your time so you can have a business- and life- that you love. \*Explain overwhelming business stuff like pricing, taxes, and budgeting in simple terms. \*Teach you how to use marketing to reach the right people in the right way.
