Over 1 million copies sold What every church will always need The need for talented, vigorous leaders in the church cannot be overemphasized. Such times demand active service of men and women who are guided by and devoted to Jesus Christ. With more than 1 million copies sold, *Spiritual Leadership* stands as a proven classic for developing such leadership. J. Oswald Sanders, a Christian leader for nearly seventy years and author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates his points with examples from Scripture and biographies of eminent men of God, such as Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. Featured topics include: The cost of leadership The responsibility of leadership Tests of leadership The qualities and criteria of leadership The art of reproducing leaders The one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God-given, and their true effectiveness can only be reached when they are used to the glory of God. Let this classic be your guide for leadership, and watch how God works through you to do great things for His glory.

How can the church move forward in unity amid such political strife and cultural contention? As Christians, we've felt pushed to the outskirts of national public life, yet even within our congregations we are divided about how to respond. Some want to strengthen the evangelical voting bloc. Others focus on social justice causes, and still others would abandon the public square altogether. What do we do when brothers and sisters in Christ sit next to each other in the pews but feel divided and angry? Is there a way forward? In *How the Nations Rage*, political theology

scholar and pastor Jonathan Leeman challenges Christians from across the spectrum to hit the restart button by shifting our focus from redeeming the nation to living as a nation already redeemed rejecting the false allure of building heaven on earth while living faithfully as citizens of a heavenly kingdom letting Jesus' teaching shape our public engagement as we love our neighbors and seek justice When we identify with Christ more than a political party or social grouping, we can return to the church's unchanging political task: to become the salt and light Jesus calls us to be and offer the hope of his kingdom to the nations.

The Path of Prayer Our Daily Bread Publishing

Many church leaders, yearning for church growth, look to the latest evangelistic strategies or seeker-targeted worship services. But lack of growth might not be due to lack of concern for new people—it may be because we are not effectively discipling the people we already have. Greg Ogden address the need for discipleship in the local church and recovers Jesus' method of accomplishing life change by investing in just a few people at a time. Ogden sets forth his vision for transforming both the individual disciple and discipleship itself, showing how discipleship can become a self-replicating process with ongoing impact from generation to generation. This revised and updated edition includes a new chapter on discipleship and preaching.

C.H. Spurgeon on Spiritual Leadership Moody Publishers

For people in the workplace, there is a great deal to learn from Joseph in the book of Genesis. He spent time both at the top and at the bottom—as a leader and as a slave in Egypt. In this new book about faith and work, author Albert M. Erisman shares lessons learned from the frontlines of business, government, and education, and how they connect to Joseph's life. Through the author's own work experiences and interviews with business leaders across the world, you'll learn that Joseph dealt with issues that are still common in the business world today. Studying his life can offer guidance and encouragement in any workplace.

The Holy Spirit and His Gifts Thomas Nelson

Samuel Chadwick (1860-1932) was a Wesleyan Methodist minister, and a nonsense kind of preacher. His works have endured long after his death, and will doubtless continue to impact readers, as his practical approach and straight-forwards style make even the most complicated topic easy to grasp.

More than ever, people are talking about leadership. But much of today's discourse is advancing the same old misconceptions. In *The Book on Leadership*, best-selling author, pastor, and teacher John MacArthur sets the record straight: Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership?the kind that refuses to bend to a shifting, fickle world?comes from a much deeper source. Based on the writings of one of the most effective spiritual leaders of all time?the apostle Paul?MacArthur presents the "26 Characteristics of a True Leader." Whether you are a business leader, civic leader, church leader, parent, teacher, or student, the life of Paul will empower you to unleash your own capacity for leadership.

Mother Dabney sat down and documented for the world, her detailed thoughts and experiences about really living a life devoted to prayer and what the resulting effects would be to personal ministry.
