This Book have grouped puzzles by difficulty, making the easiest level appropriate for students who have never seen word plexers before, and with the hardest level being nearly impossible to solve without help. The book rebus puzzles to keep young and old entertained and challenged for hours! And do not worry, the answers are in the back.

After his bestselling *Word Search Puzzles for Kids*, *Awesome Word Search Puzzles for Kids*, and *Clever Word Search Puzzles for Kids*, Mark Danna's out to baffle youngsters again--and they'll enjoy every second of it. These puzzles are wildly imaginative and ingeniously designed. Instead of the usual grid, each one consists of a picture that fits the puzzle's subject, including an elephant and a dinosaur. There are other twists too. Three puzzles don't have a word list, so children have to create one from the clues. "Rappin' Up the Week" asks solvers to fill in the rhymes of a humorous rap song. Rebus puzzles feature little drawings. To top it off, every puzzle contains a hidden message that kids will uncover once they've completed the search.

One Fine Fox Four famished foxes make fun of their brother Fosdyke, who feels fondly for fried figs, fennel, and French bread. Leaving him behind to fry and flambé, they go foraging for fowl in a forbidden farmyard. Unfortunately, the foxes find the fowl forwarned. Foiled, they return to their den. Will they ever filch a fabulous farmyard feast? Or will they forgo fowl and finally admit that "a fox is a fox whatever the food"?
