Understanding the Book of Mormon The Church of Jesus Christ of Latter-day Saints

A guide from the late 19th century instructing people in the etiquette of the church. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Book of Mormon Seminary Student Manual David Van Leeuwen
In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

Book of Mormon Zondervan

This exquisitely produced volume presents the official LDS edition of the Book of Mormon in an attractive, accessible, readable version that brings to Latter-day Saints the helpful features that have been part of standard Bible publishing for decades: paragraphs, quotation marks, poetic stanzas, section headings, and superscripted verse numbers. The latest LDS scholarship is reflected in its brief, thoughtfully considered footnotes, although the focus is always on the text itself; its wording, structure, and interconnections; allowing the book's sacred message to be heard anew. The Maxwell Institute Study Edition, produced by believing

scholars, is ideally suited to both new readers of the Book of Mormon and also those who know the book well and have loved its teachings and testimony of Christ for many years.

The Book of Mormon testifies of Jesus Christ and teaches us how to become His disciples. The Prophet Joseph Smith (1805–44) affirmed that "a man would get nearer to God by abiding by its precepts, than by any other book" (History of the Church, 4:461; Book of Mormon introduction). As you study the Book of Mormon and are prayerful, the Holy Ghost continually bears witness to your heart and mind of the Savior's divine role as the Redeemer of mankind. The Book of Mormon exerts a powerful influence on the hearts of those who receive it and ponder its message. Elder Parley P. Pratt (1807–57), an early convert of the Restoration and an eventual member of the Quorum of the Twelve Apostles, related the following regarding the first time he read the Book of Mormon: "I opened it with eagerness, and read its title page. I then read the testimony of several witnesses in relation to the manner of its being found and translated. After this I commenced its contents by course. I read all day; eating was a burden, I had no desire for food; sleep was a burden when the night came, for I preferred reading to sleep. "As I read, the spirit of the Lord was upon me, and I knew and comprehended that the book was true" (Autobiography of Parley P. Pratt, ed. Parley P. Pratt Jr. [1938], 37). Modern prophets have continually emphasized the need for every Latter-day Saint to read and reread the Book of Mormon. President Gordon B. Hinckley (1910–2008) declared, "I promise you that if each of you will [read the Book of Mormon], regardless of how many times you previously may have read the Book of Mormon, there will come into your lives and into your homes an added measure of the Spirit of the Lord, a strengthened resolution to walk in obedience to His commandments, and a stronger testimony of the living reality of the Son of God" ("A Testimony

Vibrant and True," Ensign, Aug. 2005, 6). President Boyd K. Packer, President of the Quorum of the Twelve Apostles, shared how he learned that studying the Book of Mormon leads to personal revelation: "I found [the Book of Mormon] to be plain and precious. ... "I learned that anyone, anywhere, could read in the Book of Mormon and receive inspiration. "Some insights came after reading a second, even a third time and seemed to be 'likened' to what I faced in everyday life" (in Conference Report, Apr. 2005, 6; or Ensign, May 2005, 7). Inspiration, as President Packer testified, will come as you consistently read from the Book of Mormon.

A Student's Guide to the Reading of the Book of Mormon

The Church of Jesus Christ of Latter-day Saints

A textbook used in the institute program of the Church of Jesus Christ of Latter-day Saints. provides theological commentary on the text of the Book of Mormon.

Christian Civility in an Uncivil World The Church of Jesus Christ of Latter-day Saints

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. The volumes in this series are designed to be used for personal study and for Sunday instruction. They can also help you prepare other lessons or talks and answer questions about Church doctrine. This book features

the teachings of President Ezra Taft Benson, who served as President of The Church of Jesus Christ of Latter-day Saints from November 10, 1985, to May 30, 1994.

Book of Mormon Study Guide, Pt. 2 Shadow Mountain
In this monograph, Pentecostal New Testament scholar John Christopher Thomas offers a constructive, critical reading of the Book of Mormon that focuses on a variety of issues often under-represented in the literature currently available. Utilizing narrative analysis Thomas begins with an investigation of the book's overall structure detected by means of literary markers in the text. He next presents an extended reading of the narrative contents of the book focusing on its literary and theological dimensions. This close reading enables the construction of a 'Theology of the Book of Mormon' that explores the major theological emphases that emerge from a narrative analysis of the book. The study next traces the book's reception amongst followers and opponents alike, as well as its impact in the areas of music, art, and disastrous interpretations of the book. The Book of Mormon and Pentecostalism are then placed into dialogue through historical analyses of early Pentecostal thought on the book and the movements it spawned, before a comparison of the theological heart of Pentecostalism and the book is given. Finally, issues of origins are discussed by an examination of the earliest story of the book's origins, the major complications of this story, and the proposal of a taxonomy of various reading strategies offered in the light of these complications. Seeking to maintain an irenic and constructive tone throughout, this work should serve both to acquaint interested readers with the Book of Mormon and to encourage candid, thoughtful, and respectful conversations about the book between those who hold it to be Scripture and those who do not.

Book of Mormon Seminary Teacher Manual Cedar Fort
1 Nephi through Mosiah. This volume is the first of three on the Book of Mormon. It covers 1st Nephi through the Book of Mosiah. This includes the journey of Lehi and his family across the Arabian Peninsula to Bountiful. It follows them on to the promised land, where the Nephites and Lamanites separated. It contains the

marvelous prophecies of Lehi, Nephi, and Jacob. We then read remarks from the book's editor in the words of Mormon, and follow the Nephites until their establishment in the land of Zarahemla under King Mosiah. In all, it covers 508 years of Nephite history up until about 92 BC when the book of Alma began. The cover features a beautiful photograph of the Land Bountiful taken by Scot Facer Proctor.

Book of Mormon Student Study Guide Oxford University Press
This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

Deseret Book Company

Book of Mormon Study Guide, Pt. 2: The Book of Alma. This volume is the second of three on the Book of Mormon. It covers the last chapters of Mosiah and all of the book of Alma. It begins with the story of the conversion of Alma the Younger. We learn of the beginning of the reign of the judges. Then we follow the missionary efforts of Alma and Amulek in the land of Zarahemla, followed by the missions of the sons of Mosiah to the Lamanites in the Land of Nephi. We follow the fate of the Anti-Nephi-Lehies. We read Alma's letters to his sons, including an in-depth discussion of the Great Plan of Happiness. Then we finish with the stories of Captain Moroni and Helaman's stripling warriors. In all, it covers 67 years of Nephite history from 130 to 63 BC when the book of Helaman began. The cover features a beautiful painting of 'The Title of Liberty,' by Joseph Brickey.

Rip Van Winkle and The Legend of Sleepy Hollow InterVarsity Press

Helaman through Moroni. This volume is the third of three on the Book of Mormon. It covers the Book of Helaman through through the Book of Moroni. This includes the period of great wickedness just prior to the coming of Christ. We read of the missions of Nephi and Lehi, followed by Samuel the Lamanite. The signs of Christ's birth and death are given, followed by their fulfillment. Great destruction occurs on the American continent, and only the righteous survive in the Land of Bountiful. Christ appears to the Nephites, teaches and heals them, organizes His Church and ordains 12 disciples to lead them. After His departure, a Zion people live in peace for many years, then decline again into great wickedness. We read of the final days of the Nephites in the writings of Mormon and Moroni. We also read about the Jaredites, who were the first to inherit the land, long before Lehi's family arrived. In all, it covers 2,000 years of Jaredite history, and 469 years of Nephite history from 52 BC to 421 AD when the book of Moroni closes. The cover features a beautiful painting titled "Behold Your Little Ones," by Del Parson.
