Program Guidelines Compliance Compliance Program Guidelines  
Comprehensive operational compliance programs include  
manuals that articulate the processes to be followed in  
implementing the company program. Important ... Control Act  
(AECA) and the International Traffic in Arms Regulations

(ITAR). Compliance Program Guidelines International Traffic in Arms Regulations (ITAR) control the export and import of defense-related articles and services on the United States Munitions List (USML). According to the U.S. Government, all manufacturers, exporters, and brokers of defense articles, defense services, or related technical data must be ITAR compliant. What is ITAR Compliance? 2019 ITAR Regulations, Fines ... The DDTC guidelines end on a down note, indicating that a compliance program should contain procedures for addressing violations and for penalizing non-compliance. In the ITAR world, violations and penalties are two distinct topics. What Features Should Your ITAR Compliance Program Contain? In conclusion, this is not a guide 100% ITAR compliance. However, the goal is to build a security foundation to protect against ITAR violations and security breaches. The threat landscape changes every second and our goal is to provoke thought and to provide an easy to understand checklist to get us started. ITAR Compliance Best Practices Guide The ITAR requires that an Empowered Official be someone who: (1) Is directly employed by the applicant [i.e., the registrant] or a subsidiary in a position having authority for policy or management within the applicant organization; and ITAR Compliance Update: 04-08-2019 | LRV Law Corporate commitment: A compliant ITAR program should clearly identify the corporate commitment to meeting and maintaining all ITAR guidelines. Specifically, a program should identify the persons responsible for overseeing the ITAR program, a directive from the senior company management describing the company commitment to ITAR compliance, and duties and authorities for key persons who maintain ITAR requirements. Developing an
