Slithering Scares... Dangerous Snake-

Women... Cold-Blooded Killings... Snake

Tales scours the snake-pit of Pre-Code horror to bring you the weirdest stories of serpentine thrills, guaranteed to raise your blood-pressure (and maybe an eyebrow). Hissing horror from the likes of Rudy Palais, Lou Cameron, and Marty Elkin and other masters of comic book fear. Crawling your way in full color. "These misunderstood serpents in Snake Tales will envenomate you with an unhealthy dose of 1940s and 1950s precode comic book horror!" -Dr. Frank T. Burbrink, Snake Tale Intro writer and Curator of Reptiles and Amphibians at the American Museum of Natural History. [GameAxis Unwired](#) Elex Media Komputindo
Named a Best Book of 2021 by NPR In her quickly gentrifying rural lake town Jade sees recent events only her

encyclopedic knowledge of horror films could have prepared her for in this latest novel from the Jordan Peele of horror literature, New York Times bestselling author Stephen Graham Jones. "Some girls just don't know how to die..." Shirley Jackson meets Friday the 13th in *My Heart Is a Chainsaw*, written by the author of *The Only Good Indians* Stephen Graham Jones, called "a literary master" by National Book Award winner Tananarive Due and "one of our most talented living writers" by Tommy Orange. Alma Katsu calls *My Heart Is a Chainsaw* "a homage to slasher films that also manages to defy and transcend genre." On the surface is a story of murder in small-town America. But beneath is its beating heart: a biting critique of American colonialism,

Indigenous displacement, and gentrification, and a heartbreaking portrait of a broken young girl who uses horror movies to cope with the horror of her own life. Jade Daniels is an angry, half-Indian outcast with an abusive father, an absent mother, and an entire town that wants nothing to do with her. She lives in her own world, a world in which protection comes from an unusual source: horror movies...especially the ones where a masked killer seeks revenge on a world that wronged them. And Jade narrates the quirky history of Proofrock as if it is one of those movies. But when blood actually starts to spill into the waters of Indian Lake, she pulls us into her dizzying, encyclopedic mind of blood and masked murderers, and predicts exactly how the plot will unfold.

Yet, even as Jade drags us into her dark fever dream, a surprising and intimate portrait emerges...a portrait of the scared and traumatized little girl beneath the Jason Voorhees mask: angry, yes, but also a girl who easily cries, fiercely loves, and desperately wants a home. A girl whose feelings are too big for her body. My Heart Is a Chainsaw is her story, her homage to horror and revenge and triumph. *Gurps Atomic Horror* SCB Distributors In a house in London a woman starts a new life, trying to put tragedy behind her. Then a pretty blonde child runs into view, bringing with her an inexplicable suggestion of evil. Once Julia Lofting had a husband and a daughter. But everything has changed since she bolted from her marriage, in flight from the

unbearable truth of her daughter's death. For Julia, there is no escape. Another child awaits, another mother suffers, and a circle of the damned gathers around her. The haunting has begun . . .

Changing Your Life, Your Career, Your Future John Wiley & Sons

"Offers a critical survey of the art and practice of horror movies covering everything from craft and technique, historical developments, and modern-day trends, to broader topics opening onto the socio-political dimensions of the genre. The volume begins with essays devoted to the theoretical methodologies used to study the genre, from cognitive and philosophical approaches, through audience reception and psychoanalysis, to those approaches

that examine gender, sexuality, race, class, and (dis) ability in relation to the horror film. Subsequent sections cover horror film aesthetics, the history of the genre, and specific subjects including distribution and the relationship between horror, art house movies, and the documentary impulse."--Provided by publisher.

The Archives of Dictatorship in Guatemala Createspace Independent Pub

Oral history and essays about the weird and wild B-movies screened at Austin's Alamo Drafthouse cinemas, and how the series later grew into today's American Genre Film Archive.

The COVID-19 pandemic has swept the world. Things are only going to get

worse, not better for quite some time. This book was created to help deal with problems that may arise in this unprecedented time. From how to stock for long term isolation, free entertainment for when you are isolated, personal health protective gear, to how to provide for yourself in a shortage situation, or if services go out. This is a basic primer for keeping it together when everything is falling apart. (Re)viewing Creative, Critical and Commercial Practices in Contemporary Spanish Cinema Univ of California Press Fun and fright have long been partners in the cinema, dating back to the silent film era and progressing to the Scary Movie franchise and other recent releases. This guide takes a comprehensive look at the comedy-

horror movie genre, from the earliest stabs at melding horror and hilarity during the nascent days of silent film, to its full-fledged development with *The Bat* in 1926, to the Abbott and Costello films pitting the comedy duo against *Frankenstein's Monster*, *the Mummy* and other Universal Studio monsters, continuing to such recent cult hits as *Shaun of the Dead* and *Black Sheep*. Selected short films such as Tim Burton's *Frankenweenie* are also covered. Photos and promotional posters, interviews with actors and a filmography are included. **Paper Cadavers** Fantagraphics Books Five scary tales written in comic book format.

The terror continues in the fear-fraught twelfth volume of *Vampirella Archives!*

This collection revisits some of the finest tales of horror hostess Vampirella ever seen in the Warren Publishing library, plus a delightfully devilish selection of the era's best horror and science fiction stories. With space pirates, mermaids, bloodsuckers, and renegade wizards running amok within these pages, fearless readers will thrill to the creative talents of such horror luminaries as Archie Goodwin, Bruce Jones, Jose Gonzalez, Bill DuBay, and many more. This edition of Vampirella Archives collects Vampirella Magazine #80-88, and features a wealth of bonus materials from a bygone era, including the "Feary Tales" feature on urban legends, the monthly "Scarlet Letters" column, "Vampi's Vault" of creator biographies and literary reviews, and intact vintage

advertisements.

The Dunwich Horror Revell

In *Paper Cadavers*, an inside account of the astonishing discovery and rescue of Guatemala's secret police archives, Kirsten Weld probes the politics of memory, the wages of the Cold War, and the stakes of historical knowledge production. After Guatemala's bloody thirty-six years of civil war (1960–1996), silence and impunity reigned. That is, until 2005, when human rights investigators stumbled on the archives of the country's National Police, which, at 75 million pages, proved to be the largest trove of secret state records ever found in Latin America. The unearthing of the archives renewed fierce debates

about history, memory, and justice. In *Paper Cadavers*, Weld explores Guatemala's struggles to manage this avalanche of evidence of past war crimes, providing a firsthand look at how postwar justice activists worked to reconfigure terror archives into implements of social change. Tracing the history of the police files as they were transformed from weapons of counterinsurgency into tools for post-conflict reckoning, Weld sheds light on the country's fraught transition from war to an uneasy peace, reflecting on how societies forget and remember political violence.

Scary Stories to Tell in the Dark Simon and Schuster

A celebration of the most obscure, bizarre, and brain-busting movies ever

made, this film guide features 250 in-depth reviews that have escaped the radar of people with taste and the tolerance of critics — Goregasm! I Was a Teenage Serial Killer! Satan Claus! Die Hard Dracula! Curated by the enthusiastic minds behind BleedingSkull.com, this book gets deep into gutter-level, no-budget horror, from shot-on-VHS revelations (Eyes of the Werewolf) to forgotten outsider art hallucinations (Alien Beasts). Jam-packed with rare photographs, advertisements, and VHS sleeves (most of which have never been seen before), Bleeding Skull is an edifying, laugh-out-loud guide to the dusty inventory of the greatest video store that never existed.

Julia COVID-19 SURVIVE THE MADNESS
The first comprehensive scholarly study

of Spanish erotic cinema, from the 1920s until the present day. This book covers a significant part of the history of Spanish film, from the 1920s until the present day. Starting with a study of the kiss in silent films, the volume explores homoerotic narratives in the crusade films of the 1940s, the commodification of bodies in the late Franco period, and the so-called *destape* (literally *undressing*) period that followed the abolition of censorship during the democratic transition. Reclaiming the importance of Spanish erotic cinema as a genre in itself, a range of international scholars demonstrate how the explicit depiction of sex can be a useful tool to illuminate current and historic social issues including ageism, colonialism, domestic violence, immigration,

nationalisms, or women and LGBT rights. Covering a wide range of cinematic genres, including comedy, horror and melodrama, this book provides an innovative and provocative overview of Spanish cinema history and society in the twentieth and twenty-first centuries. Contributors Brad Epps, Cambridge University Sally Faulkner, University of Exeter Santiago Fouz-Hernández, Durham University Antonio LAzaro-Reboll, University of Kent Annabel Marten, Dartmouth College Alejandro Melero Salvador, Universidad Carlos III in Madrid Jorge PA(c)rez, University of Texas, Austin Carolina Sanabria, University of Costa Rica Rob Stone, University of Birmingham Tom Whittaker, University of Liverpool Eva Woods Peir A Vassar

 BLEEDING SKULL! A 1980s Trash-Horror Odyssey is the definitive resource on 1980s trash-horror cinema. BLEEDING SKULL! features 300 in-depth reviews of movies that have escaped the radar of people with taste and the tolerance of critics. Black Devil Doll From Hell, A Night To Dismember, Heavy Metal Massacre, The Last Slumber Party — this book gets deep into gutter-level, no-budget horror, from shot-on-video (SOV) revelations (Doctor Bloodbath) to forgotten theatrical casualties (Frozen Scream). Clown midget slashers! The Indonesian Jason! A pregnant woman in

a bikini who eats fried chicken before getting her fetus ripped out by a psychopath! It's all here. And it's all curated by the enthusiastic minds behind Bleedingskull.com, the world's foremost authority on trash-horror obscurities. Jam-packed with rare photographs, advertisements, and VHS sleeves (most of which have never been seen), BLEEDING SKULL! is an edifying, laugh-out-loud guide through the dusty inventory of the greatest video store that never existed.

Rule the Web CREATIVE GAMES LIMITED
Formulated around a number of key thematic concerns – including new

creative trends; the politics and practices of memory; auteurship, genre, and stardom in a transnational age – this reassessment of contemporary Spanish cinema from 1992 to 2012 brings leading academics from a broad range of disciplinary and geographical backgrounds into dialogue with critically and commercially successful practitioners to suggest the need to redefine the parameters of one of the world's most creative national cinemas. This volume will appeal not only to students and scholars of Spanish films, but also to anyone with an interest in contemporary world cinema.
