English Simon and  
Schuster  
An insightful domestic  
comedy, at once

hilarious and extremely  
moving, Goodbye  
Without Leaving is the  
story of a woman's  
attempt to remain true  
to herself in a world of  
diminishing returns. As  
a bored graduate  
student, Geraldine  
Colshares is plucked  
from her too-tame  
existence when she is

invited to tour as the only white backup singer for Vernon and Ruby Shakely and the Shakettes. The years she spends as a Shakette are a mixed blessing, however, for while they provide her with purpose and excitement, she ultimately submits to a conventional life of marriage, children, and bittersweet memories of what comes to seem a glorious past. With her usual dry wit and candor, Laurie Colwin follows Geraldine as she tries to reconcile her past with her future, to be an adult and still boogie in her soul.

*Goodbye, Friend! Hello, Friend!* Roaring Brook Press

Ira and Reggie, best friends and nearly inseparable for as long as they can remember,

will soon be separated when Reggie moves to Greendale, and Ira is hurt when Reggie seems excited about the move

*I Kissed Dating Goodbye* Sleeping Bear Press

How do you say goodbye to your best friend? When a little hedgehog's family tells her they're moving far away, she and her anteater best friend decide to play one last time, like nothing is changing. And though it's hard, they discover that while some things have to change, the most important things find a way of working out.

*The 7-Power Contractor* American Psychological Association

A practical format for allowing children to understand the concept of death and

develop coping skills for life, this book is designed for young readers to illustrate. The Memory Tree PT Grafindo Media Pratama

THE NEW YORK TIMES BESTSELLER What would you do with one last year? Susan Spencer-Wendel was determined to laugh instead of cry. In June 2011, Susan Spencer-Wendel learned she had amyotrophic lateral sclerosis (ALS) - Lou Gehrig's disease - an irreversible condition that systematically destroys the nerves that power the muscles. She was 44-years-old, with three young children, and she had only one year of health remaining. She decided to live that year with joy. She left her job as a journalist and spent

time with her family. She built a meeting place for friends in her backyard. And she took seven trips with the seven most important people in her life. As her health declined, Susan journeyed to the Yukon, Hungary, the Bahamas, and Cyprus. She went to the beach with her sons and to Kleinfeld's bridal shop in New York City with her teenage daughter, Marina, for a glimpse of the wedding she would never attend. She also wrote this book. No longer able to walk or even lift her arms, she tapped it out letter by letter on her iPhone using only her right thumb, the last finger still working. And yet *Until I Say Good-Bye* is not angry or bitter. It is sad in parts - how could it not be? - but it is filled with Susan's

optimism, joie de vivre and sens of humour. It is a book that, like Susan, will make everyone smile. From a hilarious family Christmas disaster to the decrepit monastery in eastern Cyprus where she rediscovered her heritage, *Until I Say Good-Bye* is Susan Spencer-Wendel's unforgettable gift to her loved ones and to us: a record of their final experiences together and a reminder that every day is better when it is lived with joy.

[Goodbye Winter, Hello Spring](#) HarperCollins  
A Best Book of the Year: The Washington Post • Chicago Tribune • NPR • Vogue • Elle • Real Simple • InStyle • Good Housekeeping • Parade • Slate • Vox • Kirkus Reviews •

Library Journal • BookPage Longlisted for the 2020 Booker Prize An Instant New York Times Bestseller A Reese's Book Club Pick "The most provocative page-turner of the year." --Entertainment Weekly "I urge you to read *Such a Fun Age*." - -NPR A striking and surprising debut novel from an exhilarating new voice, *Such a Fun Age* is a page-turning and big-hearted story about race and privilege, set around a young black babysitter, her well-intentioned employer, and a surprising connection that threatens to undo them both. Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the

same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone

from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, *Such a Fun Age* explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.

**A Kiss Goodbye** Fair Winds Press

"Wanda, an observant and perceptive fifth grader, gives readers a first-hand account of the effects of powerlessness and grinding poverty on everyday life and family."- School Library Journal. "Recorvits

makes a poised and confident debut with this bittersweet Depression-era tale of a Polish immigrant family ... Bloom's softly shaded black-and-white line illustrations, sometimes brooding, sometimes hopeful, punctuate each chapter and contribute to the emotional impact of the tale." - Publishers Weekly, Starred Review Tonight I Said Goodbye Abrams  
Confident Parents, Confident Kids lays out an approach for helping parents—and the kids they love—hone their emotional intelligence so that they can make wise choices, connect and communicate well with others (even when patience is thin), and become socially conscious and

confident human beings. How do we raise a happy, confident kid? And how can we be confident that our parenting is preparing our child for success? Our confidence develops from understanding and having a mastery over our emotions (aka emotional intelligence)—and helping our children do the same. Like learning to play a musical instrument, we can fine-tune our ability to skillfully react to those crazy, wonderful, big feelings that naturally arise from our child's constant growth and changes, moving from chaos to harmony. We want our children to trust that they can conquer any challenge with hard work and persistence; that they can love boundlessly;

that they will find their unique sense of purpose; and they will act wisely in a complex world. This book shows you how. With author and educator Jennifer Miller as your supportive guide, you'll learn: the lies we've been told about emotions, how they shape our choices, and how we can reshape our parenting decisions in better alignment with our deepest values. how to identify the temperaments your child was born with so you can support those tendencies rather than fight them. how to align your biggest hopes and dreams for your kids with specific skills that can be practiced, along with new research to support those powerful connections. about

each age and stage your child goes through and the range of learning opportunities available. how to identify and manage those big emotions (that only the parenting process can bring out in us!) and how to model emotional intelligence for your children. how to deal with the emotions and influences of your choir—the many outside individuals and communities who directly impact your child's life, including school, the digital world, extended family, neighbors, and friends. Raising confident, centered, happy kids—while feeling the same way about yourself—is possible with *Confident Parents, Confident Kids*.  
*Saying Goodbye to*

*LuLu* Random House  
Spring is in the air!  
Bear, Bird, and Mouse  
are all excited that  
winter snows are  
melting away, but their  
friend Rabbit is not.  
There are too many  
things about winter  
that Rabbit adores, and  
spring just seems to  
spell trouble. His  
friends offer an  
abundance of reasons  
to love spring and the  
changing seasons, but  
will Rabbit listen?  
Daniel Kirk has written  
a lively and humorous  
tale with the gentle  
message that change  
can be fun.

*Hello Goodbye Dog*  
Oxford University Press  
Anne Tyler gives us a  
wise, haunting, and  
deeply moving new  
novel in which she  
explores how a middle-  
aged man, ripped apart  
by the death of his  
wife, is gradually

restored by her  
frequent appearances -  
- in their house, on the  
roadway, in the  
market. Crippled in his  
right arm and leg,  
Aaron has spent his  
childhood fending off a  
sister who wants to  
manage him. When he  
meets Dorothy, a plain,  
outspoken,  
independent young  
woman, she is like a  
breath of fresh air.  
Unhesitatingly, he  
marries her, and they  
have a relatively  
happy, unremarkable  
life together. But when  
a tree crashes into  
their house and  
Dorothy is killed, Aaron  
feels as though he has  
been erased forever.  
Only Dorothy's  
unexpected  
appearances from the  
dead help him to live in  
the moment and find  
some peace. Gradually  
he discovers, as he

works in the family's vanity-publishing business, (turning out titles that presume to guide beginners through the trails of life) that maybe for this beginner there is a way of saying goodbye. A beautiful, subtle exploration of loss and recovery, pierced throughout with Anne Tyler's humour, wisdom, and always penetrating look at human foibles.

**Goodbye Without Leaving**

Conscious Dreams Publishing  
A sobering but important and enlightening book, *A Farewell to Ice* moves smoothly through explanations ice's role on our planet, its history, and the current global crisis that is climate change, finally offering tangible efforts readers can make as

citizens, which are particularly relevant in the face of reluctant government powers. *The Dragon Whisperer* Henry Holt and Company (BYR)  
Moving is hard on everyone, but especially children. Chester Racoan, whom readers have come to know and love through the New York Times bestseller *The Kissing Hand*, and its sequel, *A Pocket Full of Kisses*, is facing another dilemma common to the lives of many children; he and his family are moving. Young readers will love the way Chester says goodbye to his old home and learns that there are some exciting aspects to his new home.

**Nzingha and Saying Goodbye** Roaring Brook Press

Have you loved and lost before, yet struggled with how to recover and move forward? Are you looking for inspiration to give you strength to persevere? Have you faced the inevitable eternal rest of a parent, struggled with how to say good-bye? Have you questioned your faith and let fear take over in times of loss? In *The Gift of Goodbye*, Rebecca Whitehead Munn relates how she drew strength from her faith and optimism as everything she knew to be constant in her life was changing. She inspires readers through her natural writing style to believe that they too can persevere and build resilience through the seasons of loss in life. Rebecca opens her

heart on each page as she walks us through her story of living through two major life transitions within a three-year span, and the resulting shift she made in the process—due to the lasting gift of love from her now-deceased mother, her courage, and the choice she made to expand into more of who she was at her core.

*Until I Say Good-Bye*  
Saying Goodbye to Hare A beautifully illustrated story for children aged 5-9 years about young Rabbit who witnesses the life, illness and death of his dear friend Hare. The story is full of honesty and warmth and explores some of the feelings and questions children have at this time. Goodbye, School For Zara's dog, Moose,

nothing is more important than being with his favorite girl. So when Zara has to go to school in her wheelchair, WHOOSH, Moose escapes and rushes to her side. Hello, Moose! Unfortunately, dogs aren't allowed at school and Moose has to go back home. Goodbye, Moose. But Moose can't be held back for long. Through a series of escalating escapes, this loyal dog always finds her way back to Zara, and with a little bit of training and one great idea, the two friends find a way to be together all day long.

*The Thing About Spring*  
Random House  
A remarkable debut mystery from the award-winning author of the 2003 St. Martin's Press/Private Eye

Writers of America Prize for Best First Private Eye Novel. Michael Koryta's *Tonight I Said Goodbye* marks the emergence of a stunning new voice in crime fiction. With its edge-of-your-seat pacing, finely drawn characters, and rock-solid prose, *Tonight I Said Goodbye* would seem to be the work of a grizzled pro; the fact that the author is just twenty-one years old makes it all the more amazing. Investigator Wayne Weston is found dead of an apparent suicide in his home in an upscale Cleveland suburb, and his wife and six-year-old daughter are missing. Weston's father insists that private investigators Lincoln Perry and Joe Pritchard take the case to

exonerate his son and find his granddaughter and daughter-in-law. As they begin to work they discover there is much more to the situation than has been described in the prevalent media reports. There are rumors of gambling debts and extortion, and a group of Russians with ties to organized crime who don't appreciate being investigated--a point they make clear with baseball bats. With some assistance from newspaper reporter Amy Ambrose, Perry and Pritchard believe they are making swift progress. But then they are warned off the investigation by a millionaire real estate tycoon and the FBI. Just when they feel they are closing in on a possible source of

answers, another murder forces them to change direction in the case. Perry travels to a resort town in South Carolina and there he finds more than one game being played, and all of them are deadly. The stakes quickly become very personal for Perry, and it's clear that there will be no walking away from this case. In a debut that has already garnered praise from some of today's top writers, Michael Koryta immediately establishes himself as a standard bearer for the next generation of crime writers. Tonight I Said Goodbye is a 2005 Edgar Award Nominee for Best First Novel.

### **Such a Fun Age**

Penguin

From bestselling author Todd Parr, a poignant and

reassuring story about loss. Through the lens of a pet fish who has lost his companion, Todd Parr tells a moving and wholly accessible story about saying goodbye. Touching upon the host of emotions children experience, Todd reminds readers that it's okay not to know all the answers, and that someone will always be there to support them. An invaluable resource for life's toughest moments.

**Unlocked** Houghton Mifflin Harcourt  
Saying Goodbye to Hare  
*Goodbye, School*  
Bloomsbury Publishing  
USA

Lizzie loves school almost more than anything. First she loved Nursery school. She loved Kindergarten

even more. When the time comes for Lizzie to start First Grade, she can't wait. Everyone tells her it will be a whole year of school. And Miss Giggliano, the first-grade teacher, tells her class to make this the best year of school ever. Yippee! thinks Lizzie--a whole year of school! And what a year it is. Miss G.'s class wins the Centipede Reading Award. And they even win the Nature Study Award for their bee and butterfly garden. It's a great year! But all great things must come to an end. When the last day of school arrives, Lizzie is dismayed. How can this be? It was supposed to be a whole year! But good news soon arrives and Lizzie, along with Miss

G., finds herself in a different classroom and eager to learn!
