*A Billionaire Bad Boys*

Novella (#2. 5) A

Billionaire Bad Boy

Romance

This book was formerly titled MR. WHITE. "Tessa Layne manages to pull my heart out, crush it, and then mold it into something new with every book." "I had no idea that this book would emotionally destroy me." "Deeply sensual and rewarding..." "If LOVE is enough, you won't put this book down." "Buckle up for an emotional ride filled with sizzle and told entirely from the Hero's POV" One look was all it took to bring me to my knees... I don't believe in love at first sight. And I don't believe in love at first kiss, either. But Emmaline Andersson is a study in contradictions, and her hot, sweet mouth has me rethinking everything after just one kiss. Her wicked ways consume me, and leave me wanting everything. Her body, yes, but more importantly, her heart. But the more I chase her, the farther she runs. And when I discover that my deep dark secrets are nothing compared to hers, it's up to me to convince her that love bears all things. Even death. \*\*TS

The rule: Get married and have a baby. When Grandpa Stinson dies, he expects nothing more than to keep his grandsons together, running the family's multibillion-dollar business. But he's got just one unfaltering rule: they have to get married and have a baby first. The brothers disagree...wholeheartedly. But it's set in stone. Follow the rule or you're the one grandson out of luck... Stubborn, rugged, but oh-so-sexy, Roark Stinson, the oldest brother, refuses to give in to his grandfather's manipulations. After all, women are the root of all evil, and he's never witnessed a relationship that actually works. Then it hits him; it doesn't have to work. Roark just needs a warm body to agree to the terms... Zoe Morgan never wanted to be anyone's "means to an end," especially not Roark

Stinson's. But his proposal is one she's in no position to refuse--can't refuse. When the stakes are this high, a warm body might just be exactly what she needs. Maybe--just maybe--Grandpa Stinson knew exactly what he was doing...

A colorful and revealing portrait of the rise of India's new billionaire class in a radically unequal society India is the world's largest democracy, with more than one billion people and an economy expanding faster than China's. But the rewards of this growth have been far from evenly shared, and the country's top 1% now own nearly 60% of its wealth. In megacities like Mumbai, where half the population live in slums, the extraordinary riches of India's new dynasties echo the Vanderbilts and Rockefellers of America's Gilded Age, funneling profits from huge conglomerates into lifestyles of conspicuous

consumption. James Crabtree's *The Billionaire Raj* takes readers on a personal journey to meet these reclusive billionaires, fugitive tycoons, and shadowy political power brokers. From the sky terrace of the world's most expensive home to impoverished villages and mass political rallies, Crabtree dramatizes the battle between crony capitalists and economic reformers, revealing a tense struggle between equality and privilege playing out against a combustible backdrop of aspiration, class, and caste. *The Billionaire Raj* is a vivid account of a divided society on the cusp of transformation—and a struggle that will shape not just India's future, but the world's.
