PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Ideal for anyone who wants to learn English to native-speaker standard and prepare for major English exams including IELTS, TOEIC, and TOEFL, this fun and engaging visual guide to the most common and useful English idioms and phrases will help you understand and remember English idiomatic expressions and their meanings, making your English more fluent and natural. English for Everyone: English Idioms combines an innovative visual teaching method with the best of DK design to make one of the most difficult aspects of learning English as a foreign language incredibly easy. Hundreds of expressions are presented in context, with crystal-clear definitions and attractive illustrations that show each idiom's literal and idiomatic meaning. The book also covers English collocations and commonly confused words, helping you avoid the kind of mistakes that native English speakers would never make. Each teaching module is followed by tightly focused practice exercises to help you remember what you have learned. Extensive supporting audio is integrated throughout the course, with every expression in the context of its sample sentence recorded by native English speakers. The audio is free and available online, and can be played, paused, and repeated as often as you like, to help you perfect your pronunciation of each expression. Suitable for learners at all levels, English for Everyone: English Idioms is an exciting and intuitive guide to improving your understanding of English and the style of your written and spoken English.

The phrases are presented in a very simple fashion. No complications. Straight and simple. So, don't waste your time and energy! Focus your effort on the most important English idioms you need to master your French! If you want to know more, please scroll up and click LOOK INSIDE on the cover thumbnail in the corner on the left. Purchase your copy now and start focusing your energy today!

The Illustrated Histories of Everyday Expressions Nova Press

Entertaining yet informative, this book captures the quirkiness of languages and phrases from around the world and translates them into a fun format and great gift. In Russia, for instance, 'to put a pig under someone' means to play a dirty trick. In France, 'to have a well hung tongue' means to be eloquent. If someone in Germany tells you that you're living your life 'like a maggot in bacon', it means you're living the life of Riley. The broad selection of idioms provides a quirky look at different cultures and how they perceive the world in a light - hearted, fun manner.

English Idioms and how to Use Them Rupa Publications

Are you struggling to learn, teach, or practice American English idioms, popular English expressions, and word play? Have you been searching for an engaging, hilarious, artistic, and clever way to proactively acquire and apply English language skills? Do you need an engaging but educational book to address native English expressions and common figurative language skills? If your child, tween, teen, student, or family member (1) needs extra practice with English language learning, (2) is often confused about native English expressions such as idioms, (3) is a silly and visual learner, then this book will engage, educate, and entertain. Specifically, *A Hermit Crab in Hot Water and Other Silly English Idioms: The Wild & Wacky World of Expressions and Phrases* will reinforce literacy through laughs through a short collection of hilarious stories. Written by Stacy J. Shaneyfelt, a certified secondary English and Drama educator with over sixteen years of experience working with students, this book solves common American English writing, speaking, listening, reading, and comprehensive problems. Grab a hat or (a crab shell!) for fun, interactive, and hands-on activities for kids to master common idioms, rhyming words, English expressions, and new language learning. Available at Barnes and Noble.

World Famous Idioms and Phrases Oxford University Press, USA

You've probably heard the expression "when pigs fly," but have you heard the Spanish phrase "when frogs grow hair" or the Yoruba saying "when chicken have teeth"? This fun-filled collection of idioms from around the world includes expressions in ten languages . . . all of them sure to put a smile on any child's face.

I'll Believe You When . . . Addison-Wesley Professional

"I'm not hanging noodles on your ears." In Moscow, this curious, engagingly colorful assertion is common parlance, but unless you're Russian your reaction is probably "Say what?" The same idea in English is equally odd: "I'm not pulling your leg." Both mean: Believe me. As author Jag Bhalla demonstrates, these amusing, often hilarious phrases provide a unique perspective on how different cultures perceive and describe the world. Organized by theme—food, love, romance, and many more—they embody cultural traditions and attitudes, capture linguistic nuance, and shed fascinating light on "the whole ball of wax." For example, when English-speakers are hard at work, we're "nose to the grindstone," but industrious Chinese toil "with liver and brains spilled on the ground" and busy Indians have "no time to die." If you're already fluent in 10 languages, you probably won't need this book, but you'll "get a kick out of it" anyhow; for the rest of us, it's a must. Either way, this surprising, often thought-provoking little tome is gift-friendly in appearance, a perfect impulse buy for word lovers, travelers, and anyone else who enjoys looking at life in a riotous, unusual way. And we're not hanging noodles from your ear.

Meet Joan Austen, a rising star in the advertising business. Joan's company is taking off and you have a front row seat as Joan and her staff resolve business and personal challenges during a typical business day in New York City. By entering Joan's world, you will acquire the latest and the most commonly used vocabulary in business today. Best of all, you will gain the skills and confidence you need to succeed in any English-speaking business environment anywhere in the world. * Over 2,000 essential business idioms and phrases * Perfect for classroom and for self-study * Lessons designed to help you practice and recycle what you learn * Real-world business conflicts and cultural insights * Real-world business English spoken in real-world business offices * Common Shakespearean and movie idioms used in business * Answer key and word list defining each idiom and phrase Are you ready to step up to the plate and hit it out of the park? Are you ready to swim with the sharks and take it to the next level? If so, then Business Idioms in America is for you. It is your guide to business English in America and around the world. *The Illustrated Book of Sayings* National Textbook Company Trade Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to

include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods. For example: 'Rowling has not been asleep at the wheel in the three years since the last Potter novel, and I am pleased to report that she has not confused sheer length with inspiration.' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G. Woodhouse, 1940. Many entries include boxed features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both elegant and easy to use. Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume.

English Language Success Press

The word 'idiom' is derived from the Latin and Greek word 'idioma,' which means special feature, special property, or special phrasing. It happens to be a phrase or a fixed expression that has a figurative or literal meaning. Idioms are categorized as formulaic language. Its figurative meaning happens to be different from its literal meaning. All languages have thousands of idioms around the world. It is said according to an estimate that there are about twenty five thousand idiomatic expressions in the English language. When an idiom from one language is translated word by word into another language, it most likely loses its idiomatic meaning in the translation. For example, an idiom 'kick the bucket' means to die or to expire in English, but if it is translated word by word into any other language it will definitely carry the sense that an object 'bucket' being kicked by leg. Idioms and phrases are used extensively in literature, particularly in drama and fiction. In satirical or humorous fiction, the inclusion of

phrases and idioms is almost inevitable. This book includes about five hundred most popular and most widely used idioms in the English language. With 100+ full-page illustrations, *The Illustrated Histories of Everyday Expressions* introduces readers to the fascinating, humorous, and often unbelievable origin stories behind the English language's most common sayings! Why do we bring home the bacon, instead of some other salty meat? Whose beans are we spilling, exactly? Why was that cat in the bag to begin with? Every day, English speaking people turn phrase after phrase, idiom after idiom, with no actual idea what they are saying! Sure, the meaning of these expressions has long been established, but rarely do we stop to think about where they come from. *The Illustrated Histories of Everyday Expressions* will profile 64 of the greatest idiom origin stories through simple text and captivating illustration. No longer will you wonder why getting a goat is so frustrating, or why hatters are so mad (and no, that one doesn't come from Alice in Wonderland)! With *The Illustrated Histories of Everyday Expressions*, everyday phrases come to life! Inside this charming little hardcover volume, the illustrated idioms will be arranged chronologically, with the oldest expressions appearing first, working all the way up to the present day. Each entry will provide the saying's definition and origin story, laid out cohesively within a funny and captivating illustration of the strange and wonderful long-forgotten story. Whalen Book Works is an independent book publishing company that combines top-notch design, unique formats, and fresh content to create truly innovative gift books. We bring together a talented team of writers, designers, illustrators, and artists in order to develop strong editorial content that brings a book to life!
