The present issue includes several "lost" pages not included in the essay that was read out at Lahore. It deals with the following five broad themes, set by the moderators of the Conference: 1. The physical, moral and spiritual states of

The Prophet of Peace deals with the significant issues associated with the life of the Prophet, including jihad, ijtihaad, the concept of war and the relationship with other religious communities. Quoting extensively from the Quran and the Hadith, Maulana Wahiduddin Khan illuminates the Islamic view of modernity, secularism, democracy, freedom of speech and the relevance of

Islam in the modern age, clarifying that Islam as revealed in the Quran is not anti-modernity, nor does it advocate violence. Persuasive and compelling in its breadth and wisdom, this book presents an authentic picture of the life and teachings of the Prophet Muhammad and

History of the Nation of Islam World Wisdom, Inc

In much of the Muslim world, religion is the central foundation upon which family, community, morality, and identity are built. The inextricable embedment of religion in Muslim culture has forced a new generation of non-believing Muslims to face the heavy costs of abandoning their parents' religion: disowned by their families, marginalized from their communities, imprisoned, or even sentenced to death by their governments. Struggling to reconcile the Muslim society he was living in as a scientist and physician and the religion he was being raised in, Ali A. Rizvi eventually loses his faith.

Discovering that he is not alone, he moves to North America and promises to use his new freedom of speech to represent the voices that are usually quashed before reaching the mainstream media—the Atheist Muslim. In *The Atheist Muslim*, we follow Rizvi as he finds himself caught between two narrative voices he cannot relate to: extreme Islam and anti-Muslim bigotry in a post-9/11 world. *The Atheist Muslim* recounts the journey that allows Rizvi to criticize Islam—as one should be able to criticize any set of ideas—without demonizing his entire people. Emotionally and intellectually compelling, his personal story outlines the challenges of modern Islam and the factors that could help lead it toward a substantive, progressive reformation.

In Islamic life and tradition, Hadith sayings enshrine the most important teachings after the Qur'an itself. Derived from the Sunnah or teachings of the Prophet and his Companions and their followers, these precepts were collected under the title Al-Adab al-mufrad-meaning 'Good behaviour singled out'-by Imam al-Bukhari in the ninth century CE. The Hadith sayings in al-Bukhari's writings formed a large corpus that covered the way Muslims should conduct their lives, from duties to parents, family, relatives, neighbors and friends,

to instruction about honesty, generosity, truthfulness and kindness. While al-Bukhari's original text runs to many hundreds of pages forming several volumes, Abdul Hamid has made a selection of the teachings that has relevance and appeal to today's readership, with appeal not only to Muslims but to all who seek to know more of the essence of Islamic life and teachings.

The Everything Koran Book Rowman Altamira

The Common Ground Teachings of Judaism, Christianity, and Islam Although the core religion teachings guide us to believe in God and to do good deeds to help others, scholars of each religion have distorted some teachings in order to prove that their religion is the only

true religion and that they have the only way for salvation. Prophets did not teach that God has preserved the holy book; they have advised that there will be changes and have warned of such additions and deletions. Amos 8:11-12 teach that People will be thirsty for the true word of God but they will not find it anywhere Psalm 56:5 teaches All day long they twist my words Jeremiah 8:8 teaches the lying pen of the scribes has distorted the word of God Jeremiah 5:30-31 teach that the priests have distorted the religion teachings and that the people love those distorted teachings Jewish scholars teach that Jews are the chosen people of God Christian Scholars teach that they are the predestined, the glorified, and the chosen before the creation of the world

Muslim Scholars teach that Jews are cursed, Christians are misguided, and that Muslims are the truly guided people All those scholars are mistaken Most of what the Jewish scholars teach are not the true teachings as taught by Moses Most of what the Christian scholars teach are not the true teachings as taught by Jesus Most of what the Muslim scholars teach are not the true teachings of Islam People are confused by the contradicting teachings, they try to search the internet for the true word of God, but they cannot find it anywhere Instead of the true and most consistent teachings of 'blessings for obedience and curses for disobedience' in Leviticus 26, Deuteronomy 28, Deuteronomy 11:26-28, Deuteronomy 4:40, Deuteronomy 6:24-25, Deuteronomy

7:12-15, and Deuteronomy 8, they teach that God has chosen them regardless of their obedience as in the distorted teachings of Deuteronomy 9:5-6 and Deuteronomy 7:6-8 Instead of the true and harsh teachings of Jesus in Matthew 7:21-27, Luke 13:25-27, Matthew 22:35-40, Luke 10:25-28, Matthew 25:35-45, Mark 12:28-34, Mark 10:17-19, Matthew 19:16-19, Luke 18:18-20, Luke 6:46-48, John 14:15 and John 14:21 most Christian scholars teach the distorted and attractive teachings like Romans 8:30, 1 Thessalonians 5:9, Ephesians 2:5, Ephesians 2:8-9, Romans 3:28, Galatians 2:16, Colossians 2:14 and Ephesians 1:4 The Muslim scholars who justify killing of innocent people are not true Muslims because they do not obey the Qur'an verses like 5:32, 4:90, 2:190,

8:61, 17:33, 25:68 and 6:151 which teach 'You shall not kill - God has made life sacred'The Muslim scholars who teach to kill the unbelievers are mistaken; verse 9:6 is enough proof for their mistakes, because Muslims are supposed to protect the unbelievers and they cannot protect them after killing themThe Muslims who justify killing of those who leave Islam are mistaken because they do not obey the Islamic teachings like Qur'an verses 2:256, 16:125 and 18:29 which teach Freedom of ReligionThe Muslim scholars who justify the killing of the hostages are mistaken; verse 8:70 proves that the hostage is not to be killed, because Muslims are supposed to comfort the hostages and they cannot comfort them after killing themThe Muslim scholars

who teach that Islam is the only true religion are mistaken; they have been ordered to believe in what has been revealed to Moses, Jesus and other Prophets as taught in Qur'an verse 3:84 The Muslim scholars who teach that the fate of people is determined before they are born and before they have any chance to do good or bad are mistaken; they ignore the basic Qur'an verses like 17:15, 45:15, 43:72, 16:35, 19:63, 19:76, 20:112, 34:50, 37:39, 39:41, 39:70, 40:17, 47:17, 55:60, 56:24, 18:107 and 4:147 The verses teach that God does not predestine people's fate but gives them the choice either to obey

Today the world stands in an imperative

need for a code of universal teachings, such as Islam (Peace). It is our foremost duty to depict the teachings of Islam in its true perspective. In Europe, America, and even in India, there are still prevalent gross misconceptions and wrong notions about Islam and also about the Holy Prophet of Islam. This book contains comments, quotations, and writings from hundreds of eminent scholars, writers, and thinkers of the Non-Muslim world to show the real truth about Islam and its Prophet. As an American lady converted to Islam remarked, "The Muslims of to-day do not know the real meaning of Islam and the work life, example and precepts of their Prophet. Most of the to-day Muslims are living in gross ignorance of the true teachings of Islam." This book is needed

at this juncture of the World when it is torn into blocks by ideologies and there is an impending danger of the annihilation of the whole human race and its beautiful civilization by nuclear, chemical, and other weapons of mass destruction. Today a nations status and existence should depend on superior ideology and not on arms and ammunition. Islam alone can supply this all-comprehensive superior ideology to be applied to the pressing problems of the present day World. Absolute faith in one and only one humanity earnestly taught by Islam can alone save the World and the modern civilization from degradation, destruction, and utter ruination. Islam and its holy prophet have a message to the whole mankind. The message is: The world in which we

have our beings does not belong to us. It is a God's trust to men and women. All the powers, all the greatness that mankind posses should be ever used, employed as God's trust and according to this law and commandments. Men and women must not think themselves as master of all things and should not use them arbitrarily. They must think themselves as divine instruments to carry out God's trust faithfully and justly. Islam enjoys one universal brotherhood of all human beings and one humanity. This is what the present enlightened and think World is seeking as a new comradeship, a universal fellowship, a World community, a deeper understanding and peace above all. Another purpose of this book is to present Europe and America and to the

Non-Muslim world a real and true picture of Islam and its Holy Prophet as told by their own people in order to remove them from the mind of the Western people of these prejudiced wrong notions, erroneous biases, and obsession against Islam and its founder. The liberal attitude of Islam to freedom of belief and thought is one of the fundamental tenets of Islam which established rights of human beings more than fourteen hundred years ago as part of creed as a universal message to humanity. This message is of utmost importance to the present state of human development. If the present day Muslims can intelligently appreciate the message of Islam and truly act thereupon, they would be able to regain confidence in themselves and contribute effectively to the peace and

happiness of mankind. This is another purpose of this book. If the Western and Non-Muslim people could appreciate the teachings of Islam and its Holy Prophet, they would see the truth and would be glad to cooperate with the Muslims in the up-hill task of making this World a heaven for peaceful, prosperous, and brotherly living and for that noble purpose to form a universal brotherhood of all mankind. I express my obligation and gratitude to those from whose books and writings quotations have been made.

There has been a great demand for a booklet to introduce younger people to the teachings of Islam in fairly simple language. The Ahmadiyya Anjuman Isha'at Islam Lahore has, over the past decades, produced a range of excellent works dealing with all aspects of Islam. This literature has been widely appreciated and acclaimed as meeting the needs of the present times, both for teaching Muslims and for presenting Islam to the world generally. It has been felt for sometime that the wonderful knowledge contained in these comprehensive works must be made more readily accessible to younger people by presenting it at an

introductory level in simpler language. This booklet has therefore been prepared to satisfy these requirements. All the basic doctrines and practices of Islam have been covered, supplemented by information about the Holy Quran, Hadith, and the moral teachings of Islam. No prior knowledge is assumed. The question-answer format used, it is hoped, will make the booklet more interesting than would be the case with a descriptive approach. There are abundant, direct quotations from the Holy Quran throughout with full references. In some places the teachings of Islam are elaborated in general words, without direct quotations or specific references, as this was not considered necessary in those cases in an introductory booklet of this kind. For

further reading on any point, or fuller explanation, the writings of Maulana Muhammad Ali should be consulted. In any case, as younger readers advance in their knowledge, they would be expected to move on to these standard books.
