**Holy Bible, King James
Version** Thomas Nelson
The final book of the
Bible, Revelation
prophesies the ultimate
judgement of mankind in
a series of allegorical
visions, grisly images and

numerological predictions.
According to these,
empires will fall, the
"Beast" will be destroyed
and Christ will rule a new
Jerusalem. With an
introduction by Will Self.

The standard editions of the 1611 King James Bible (or Authorised Version) currently available give, with little variation, the text as established by the Oxford edition of 1769. They give the reader,

therefore, a seventeenth-century text in mid-eighteenth century clothes - clothes which are neither original nor modern. In this new edition of the King James Version the text has been

collated with the translators' original work in order to give the reader as closely as possible the exact text on which the translators decided. It has also been given consistent modern

spelling and presentation in order to make it easier to read and study than standard editions. The text is presented in paragraph form, with marginal notes. The type is 10/12.5 Swift.
