Integrating grammar and composition, this comprehensive new edition guides the advanced student through progressively more complex types of writing by organizing the grammar lessons on a functionalist basis around the needs of composition. This innovative approach to teaching Spanish grammar and composition promotes systematic language development and enables students to strengthen their expressive and editing skills in the language in order to write more effectively and more confidently. Refined by years of classroom testing and analysis of the problems students encounter, this bestselling textbook has been substantially rewritten and incorporates current research in composition, pedagogy, second-language acquisition, and linguistics. Expanded self-correcting exercises are also available online, making Gramática para la composición one of the most valuable textbooks available for advanced students of Spanish. FEATURES: • Focuses on work in six level-appropriate types of composition: description, synopsis, personal narrative, creative narrative, exposition, and argumentation • Based on ACTFL guidelines for students progressing from intermediate to advanced levels of proficiency • Structured around writing cycles, from prewriting to composition to revision • Integrates grammar into the preparation for each type of writing • Covers syntax, dictionary skills, problematic word distinctions, and rhetorical features of discourse structure • Contains exercises on grammar practice, working with sentences and paragraphs, guided essays, and free composition NEW TO THE SECOND EDITION: • Each lesson has been clearly divided into two distinct parts: Presentación (material that students prepare before class) and Aplicación (the activities they do in class or as homework) • Prácticas individuales have been expanded and recreated as self-checking exercises that provide immediate feedback and scoring. These prácticas are available for free online at www.gramaticaparalacomposicion.com • Images from William Bull's Visual Grammar of Spanish help with distinctions that seem difficult • An Instructor's Manual—available for free online—reviews teaching and grading methodology for writing-intensive courses, offers suggestions for syllabus organization and for teaching each lesson, and provides additional exercises and activities. "Experiencias offers carefully sequenced activities, pre-tested in the authors' own classes, that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes, Experiencias incorporates activities that recycle previously learned material but with new topics, which allows students to continue mastering vocabulary and structures encountered earlier in the program"--

[The book] is a review grammar for third-, fourth-, or fifth-semester students of Spanish. It is designed for use in courses that focus primarily on intermediate-level grammar study, explicitly include this objective, or provide the student with formal or informal review along the way. It is expected that the text will be used in one-semester grammar review courses or in two-semester courses as a primary text, a supplement, or a reference, in conjunction with other materials such as readers, videotapes, or other texts which emphasize culture, conversation or composition.-Pref. *Gramática para la comunicación* Cengage Learning

Thanks to its flexibility, simplicity, and range, MANUAL DE GRAMÁTICA is the most accessible grammar reference for intermediate and advanced Spanish students. It combines clear, easy-to-use charts with detailed grammar presentations in English and offers valuable conceptual distinctions between Spanish and English. Beginning with sentence structure, the text follows a logical progression of topics from parts of speech to verb tenses to the finer points of lexical variation. Facilitating independent study, the online answer key provides students an opportunity to self-correct in practice. The text covers all major grammatical rules of Spanish and offers real-world applications of all grammar points, making it an invaluable reference tool for intermediate and advanced literature and language courses. The Fifth Edition includes enhanced visual clarity and consistency through an updated table format; new and refreshed exercises; and a new chapter on orthography. The authors have also incorporated the revised rules and recommendations published in the new Ortografía de la lengua española by the Real Academia Española and the Asociación de Academias de la Lengua Española.
