**The Complete Idiot's Guide to Crafts with Kids** Abingdon Press

Quilling is a centuries-old art, which requires just three elements - your fingers, paper strips and glue. This practical guide demonstrates the techniques with step-by-step instructions and photos, and explains the best way to develop your skills and thereby push the creative boundaries of this art. Written by a passionate paper artist, it is a comprehensive guide that will inspire both novice and experienced quillers, as well as mixed media artists wishing to explore the potential of paper filigree work. Projects covered within this book include making vortex coils, pixie-hood loops,

huskings, multi-strip open coils, fringed flowers, ring coil tracery patterns, folded ring coils and rolling a perfect spiral-centred coil without the need for a quilling tool.

There is also advice on forming letters and abstract shapes with quilling and building 3D models from solid coils. It is beautifully illustrated with 173 colour images. Philippa Reid is a fully Accredited Fellow of the Quilling Guild and edits both the Guild's magazine and blog.

Wait—don't throw out that old hubcap: it will make a great chandelier! That's the thinking behind *Creative Juice*, a crafty do-it-yourself guide to recycling ordinary items and turning them into extraordinary art. Every clever idea comes from the wildly imaginative minds of crafting duo, Cathie Filian and Steve Piacenza, hosts of DIY Network's *Creative Juice*. The book features projects from bohemian beaded rings and rocker t-shirts to soy candles and spicy tea soaps, and Cathie and Steve have provided plenty of photos and

illustrations, along with "insider tips" to teach crafters the tricks of the trade. Create velvet and leather belts and bracelets, candleholders out of pipe parts, bath time puppets for kids. Creative Juice offers everything you need to get the creative juices flowing.
