"Like *A Wrinkle in Time* (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. The Alphabet Thief Simon and Schuster

'I knew in the first couple of pages that this story was going to make me cry and I was right... So emotional... I was left speechless. I absolutely loved every minute... One of the best

historical fictions I've read.' Goodreads Reviewer, ☐☐☐☐ Italy, 1944: Stella stared at the envelope addressed to her, dated from the day of his death. With a trembling hand she opened it, tears rolling down her cheeks. She read the letter that should have made it to her years ago - the letter that had been ruthlessly stolen from her. It held his last words, and it changed everything. 1938: When Stella arrives in Italy, it's love at first sight. She is wowed by the rolling hills dotted with olive trees, the buttermilk villas with shuttered windows and terracotta roofs that glow gloriously in the sunlight. Even the breeze holds the scent of freedom - freedom from England, where the shadow of her past haunted her. Then there is Ted, an American journalist who is wild and mischievous, with an arrogance bordering on rude. Stella is infuriated by him - yet she cannot deny the lure of the danger and excitement he promises. But there is something dark under the bright surface of this beautiful country, with unspeakable tragedies just around the corner. When the Nazis take control of Italy, Stella and Ted - and whatever dreams the future held for them - are ripped apart. Ted is torn away, to report from the perilous frontline. Meanwhile, Stella is paralysed with fear as screeching bombs descend, destroying everything in their wake. There is nothing left to do but sit in darkness, praying to see tomorrow. And it seems that even in Italy, Stella's past has found her. Somewhere in the winding streets of Florence there is a letter that will change the course of her fate. Unknown to her, it holds a secret with the power to rewrite her past, and everything she has been running away from. But will it come too late? And with the odds stacked against her, will she ever see Ted again? This totally gripping and heartbreaking tale is about the impossible tragedies of war and the miraculous possibilities of love. Fans of Kristin Hannah's *The Nightingale*, Rhys Bowen's *The Tuscan Child*, and *The Letter* by Kathryn Hughes will be utterly captivated by this spectacular historical page-turner. Readers absolutely love *The Stolen Letter*: 'Oh my word I honestly cannot express how much I loved this book. A historical fiction book that was just simply brilliant. The story and the characters were fantastic and I read this book in one day it was that good. I will be recommending this book to everyone who loves reading, it is a must-read.'

concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

A passionate Sikh whose radical beliefs were honed by his family, Mann went underground and was apprehended while trying to flee the country. Ladydi Garcia Martínez is fierce, funny, and smart. She was born into a world where being a girl is a dangerous thing. In the mountains of Guerrero, Mexico, women must fend for themselves, as their men have left to seek opportunities elsewhere. Here in the shadow of the drug war, bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes.

School is held sporadically, when a volunteer can be coerced away from the big city for a semester. In Guerrero the drug lords are kings, and mothers disguise their daughters as sons, or when that fails they "make them ugly"—cropping their hair, blackening their teeth, anything to protect them from the rapacious grasp of the cartels. And when the black SUVs roll through town, Ladydi and her friends burrow into holes in their backyards like animals, tucked safely out of sight. While her mother waits in vain for her husband's return, Ladydi and her friends dream of a future that holds more promise than mere survival, finding humor, solidarity, and fun in the face of so much tragedy. When Ladydi is offered work as a nanny for a wealthy family in Acapulco, she seizes the chance, and finds her first taste of love with a young caretaker there. But when a local murder tied to the cartel implicates a friend, Ladydi's future takes a dark turn. Despite the odds against her, this spirited heroine's resilience and resolve bring hope to otherwise heartbreaking conditions. An illuminating and affecting portrait of women in rural Mexico, and a stunning exploration of the hidden consequences of an unjust war, *Prayers for the Stolen* is an unforgettable story of friendship, family, and determination.

Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy

who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous

time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
