In this refreshing approach to Polish cuisine, food writer and blogger Ren Behan takes us on a journey to discover the new tastes of her beloved culinary heritage. The food of Eastern Europe, long misunderstood in the West, is changing?the focus is swinging away from heavy dumplings and stews towards lighter, healthier, fresh and seasonal recipes, served in contemporary ways. In this beautiful collection of recipes, Ren brings us the very best of the Polish kitchen, inspired both by the food of her childhood and by the new wave of flavors to be found in the trendy restaurants, cafes and farmers markets of modern Poland. Alternative grains, such as rye, spelt, buckwheat and millet make an appearance in risottos, as do fresh fruit preserves and pickles, infused honeys, seasonal and raw salads, light broths, delicious cakes and flavored liqueurs. No book on Polish food would be complete without pierogi, the classic dumplings, and of course they are here, with other substantial dishes such as meatballs, goulash and cutlets, as you might expect, but you will also see them in a new light?filled with strawberries and served with honey and pistachios. Pink sauerkraut adorns vegan pastry rolls, ribs are slowly-braised with honey and vodka, a fresh cucumber salad with sour cream and dill sets off a homely dish of meatballs, and Polish charcuterie sits atop the darkest rye

bread. An evocative and inspiring collection of recipes, which truly celebrates all the good things the food of Poland has to offer, and which will leave your mouth watering.

Jamie Oliver's Food Escapes Simon and Schuster

The incredible diversity in American cooking was a real revelation to me. So although I went looking for "quintessential American food," my conclusion is that there is no such thing; instead there's a huge wealth of seriously exciting dishes. Many of us outside of America may think we already know all there is to know about it from movies or the occasional holiday, but the truth is that this doesn't even scratch the surface. In many ways, the country is still a bit of a mystery to us. This trip was my chance to explore the ingredients, food culture, and traditions within this incredible country. I felt that I knew cities like New York and Los Angeles pretty well, but this time I ventured beyond the neighborhoods I was familiar with and into areas better known for their immigrant communities. I was rewarded with some of the most incredible food I've ever tasted. The story was the same when I moved beyond the big cities. Whether it was Creole cooking in Louisiana or soul food in Georgia, the Mexican influences in Arizona or the hearty cowboy cuisine of Big Sky Country, every place I went had its unique treasures. I came back with more recipes than I knew what to do with, and although it was tough, I managed to narrow this book down to 120 of my absolute favorites. These are my takes on some of the best food I came across, as well as a few things I made up along the way. I hope you enjoy them, and maybe even discover new and inspiring sides to America you've never seen before. Enjoy! [Rediscover How to Cook Simple, Delicious, Affordable Meals](#) Hay House, Inc

For the Best Christmas Ever Penguin UK
New York Times bestselling author of *Super Natural Every Day*, Heidi Swanson shares 125 natural foods recipes along with photographs inspired by her travels both near (Northern California) and far (Italy, Morocco, France, India, and Japan). Equal parts recipe journal and photo album, *Near & Far* focuses on dishes inspired by Heidi Swanson's Northern

California kitchen and her many international travels to diverse cities including Marrakech, Tokyo, Paris, Jaipur, Rome, Kyoto, Palermo, New Delhi, and more. In this deeply personal collection, Heidi turns to the series of dog-eared recipe journals she has kept for years--each filled with newspaper clippings, magazine scraps, photos, stamps, receipts, and sticky notes to chronicle details she wants to remember: a paprika-spiked tomato soup in Amsterdam, the pattern of an ancient Italian olive grove she passed on the way to the Bari airport, and the precise way an elderly Vietnamese woman carefully sliced broccoli stems in the back of a grocery in New Zealand. Vegetarian recipes such as Carrot and Sake Salad, Fennel Frond Orzo, Rye Buttermilk Cakes, Harissa Farro, Fresh Ginger Citrus Juice, and Brown Butter Tortelli make use of the healthy, whole foods ingredients and approachable techniques that Heidi's sizable fanbase has come to expect. And photographs taken on location around the world--as well as back home in Heidi's kitchen--reveal the places that inspire her warm and nourishing cooking.

Bake authentic multiethnic breads from the New York City bakery with a mission, with *The Hot Bread Kitchen Cookbook*, Yahoo Food's Cookbook of the Year. At first glance Hot Bread Kitchen may look like many other bakeries. Multigrain sandwich loaves, sourdough batards, baguettes, and Parker House rolls line the glass case up front in the small shop. But so, too, do sweet Mexican conchas, rich m'smen flatbreads, mini bialys sporting a filling of caramelized onion, and chewy Indian naan. In fact, the breads are as diverse as the women who bake them—because the recipes come from their homelands. Hot Bread Kitchen is a bakery that employs and empowers immigrant women, providing them with the skills to succeed in the culinary industry. The tasty corollary of this social enterprise is a line of authentic breads you won't find anywhere else. Featured in some of New York City's best restaurants and carried in dozens of retail outlets across the country, these ethnic gems can now be made at home with *The Hot Bread Kitchen Cookbook*.

The Complete Vegetable Cookbook Penguin

Bright, clean, and hip recipes to enchant vegans, vegetarians, and omnivores alike, from plant-based haven Café Gratitude. Before it was a fixture on the L.A. dining scene and a magnet for celebrity diners, Café Gratitude was founded in the Bay Area with the simple ethos that joy derives from loving and being grateful for food, health, and good company. The dishes are

named to double as affirmations of self. "I Am Fearless," "I Am Humble," and "I Am Open-Hearted" nod to the restaurant's core belief that food is just as much about spirit as it is about appetite. Since then, the café has evolved quite a bit. It's changed locations, expanded, and been the backdrop for more paparazzi shots than one can count. But the founding principles have remained the same, and the food continues to celebrate the flavors of plants with organic, from-scratch, and healthful ingredients free of animal products, processed soy, and, in almost all cases, refined sweeteners. Now, with *Love is Served*, Seizan Dreux Ellis, executive chef at Café Gratitude, brings Gratitude-quality meals to your table and the soul and mission of the restaurant to your home. Indulge in café favorites "I Am Awakening" (Raw Key Lime Pie) and "I Am Passionate" (Black Lava Cake) while cooking up hearty, nourishing dishes like Grilled Polenta with Mushroom Ragout ("I Am Warm-Hearted") and Radicchio, Roasted Butternut Squash, and Sundried Tomato Pesto Grain Salad ("I Am Gracious"). With unfussy methods and easy-to-access ingredients, this cookbook makes the wholesome satisfaction of the restaurant as accessible as ever for the home cook as it charms and inspires readers to change the way they look at food.
