Soldier of Finance
Broadway Business

An inspiring and illuminating guide to true self care, from the sage teacher and breakout star of the critically acclaimed drama, *Queen Sugar*, from Executive Producers Oprah Winfrey and Ava DuVernay for OWN.

Featured on Essence Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn't. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice, *The Little Book of Big Lies* is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible light, to love and honor what you see, and to forge a new sense of what's possible in every aspect of your life. But make no mistake, *The Little Book of Big Lies* is not a “rah-rah” quick fix for fear and pain. Like

physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, *The Little Book of Big Lies* will completely change how you think and live.

How to Profit From the Coming Economic Collapse Currency

How does an ordinary person with an ordinary income reach their seven-figure dreams? First they must own their own home - and do it David Bach's way. The financial coach who has helped millions to finish rich is back with a simple, powerful solution to get rich in real estate. As David says, "Renters stay poor, homeowners get rich, and smart landlords laugh all the way to the bank!" In his breakout 2004 bestseller, *The Automatic Millionaire*, David Bach showed why owning your own home is not only smart, it's the core secret to becoming a millionaire. In his new book, tailored

for a Canadian readership, he shows exactly how to make that happen with a simple, automatic plan you can read in an hour and put into place today. Renters will learn how to buy a first home, even with lousy credit and tiny savings. And existing homeowners will find out how to turn the roof over their heads into a powerful investment that doubles, triples, and quadruples in price while you simply enjoy living in it. And while you don't have to be a landlord to finish rich, if you're willing to be, David teaches you how simple it really is to buy a rental property even while you're paying the mortgage on your home. The Automatic Millionaire Homeowner is brilliantly simple, easy to read, highly motivational with a realistic, take-action method for achieving financial prosperity in real estate, starting now. Bach offers time-tested tactics on all the essentials, including: * Why you shouldn't wait: busting the myths of renting * Finding a down payment right now using the Automatic Down Payment Solution(tm) * Choosing the mortgage that is right for you - even with debt, even with imperfect credit * The

secret system for debt-free homeownership: why you must Make It Automatic! * The Automatic Millionaire Right Place, Right Time, Right Price, Right Program(tm) for buying and selling * Learn the Automatic Millionaire Mindset(tm) and collect "automatic cheques" while you sleep From the Hardcover edition. One entitled Automatic Wealth made me suspicious. But I am a fan of Michael Masterson, and when I read the book, I was impressed. Masterson manages to go beyond the theory to tell you exactly how real

people make real money in the real world. That, I think, is his genius. He's able to open his own eyes and see for himself what actually works. The result is original, clever, and very helpful to anyone who is serious about building wealth." -Bill Bonner, coauthor of Empire of Debt: The Rise of an Epic Financial Crisis "Michael Masterson has been a great friend of mine for over twenty years. I know for a fact that the strategy he teaches is the exact same strategy he has personally used to amass extraordinary wealth and prosperity for himself. He's reduced a normally daunting process down to six simple and unailing steps YOU can absolutely use to vastly and rapidly increase your financial situation, often times doubling and redoubling your wealth every few years. This book will become your financial bible." -Jay Abraham, author of Getting Everything You Can Out of All You've Got: 21 Ways You Can Out-Think, Out-Perform, and Out-Earn the Competition "Michael Masterson's book is brilliant and concise, packed with breakthrough insights and unique wealth-building tips. Best

of all, it's practical because it combines proven investment and financial planning advice with street-smart business and real estate secrets." - Robert Ringer, author of *Action!*, *Looking Out for #1*, and *To Be or Not to Be Intimidated?*

A Night Out with Mama

John Wiley & Sons
A revolutionary financial and career path to break free from corporate America's grasp, make peace with your finances, and build wealth on your own terms When it comes to our finances, we're told to follow the same script as our white colleagues: work hard, make money, save, and invest. Yet despite putting in twice the effort, you end up making less and are routinely passed up for career opportunities. Here's the truth: financial freedom is within your reach, but playing by corporate America's rules will only take you halfway there. To win, you must eventually walk away—and take up an

entirely different model of wealth accumulation. *Cashing Out* is your roadmap to financial freedom despite the broken system. You don't have to sacrifice your time and mental health to maximize income. Instead, financial experts Julien and Kiersten Saunders show how to design a life that allows you to enjoy the little things now while setting yourself up for future financial security. Drawing from their journey paying off \$200,000 of debt in five years, quitting their high-stress corporate jobs, and retaking control of their finances, this book will teach you:

- Why the mantra and glitz of "Black Excellence" is an unsustainable motivation for wealth building
- How to prioritize the right goals at each stage of your career so you can quit in 15 years or less
- How to talk about money with your loved ones without coming to blows
- Practical strategies to bring more money in without robbing you of time and energy you don't have

It's time to stop being a cog in the machine that leaves you under-appreciated and underpaid. *Cashing Out* shows you how to open the door to a new kind of

prosperity.

David Bach has a plan to help you live and finish rich—no matter where you start So you feel like you've started late? You are not alone. What if I told you that right now as you flip through this book, 70% of the people in the store with you are living paycheck to paycheck? What if I told you that the man browsing the aisle to your left owes more than \$8,000 in credit card debt? And the woman on your right has less than \$1,000 in savings? See? You're really not alone. Unfortunately, the vast majority of people who've saved too little and borrowed too much will never catch up financially. Why? Because they don't know how. You can start late and finish rich—but you need a plan. This book contains the plan. It's inspiring, easy to follow, and is based on proven financial principles. Building a secure financial future for yourself isn't something you can do overnight. It will take time and it will take work. But you can do it. I know. I've helped millions of people get their financial lives together—and I can help

you. Spend a few hours with me—and let me challenge you. Give me a chance to become your coach. Just because you started late doesn't mean you are doomed to an uncertain future. Whether you're in your thirties, forties, fifties, or beyond, there is still time to turn things around. It's never too late to live and finish rich. All it takes is the decision to start. —David Bach

Is it too late for me to get rich? Over and over, people share their fears with David Bach, America's leading money coach and the number-one national best-selling author of *The Automatic Millionaire*. How to Get to the 0% Tax Bracket and Transform Your Retirement

HarperCollins
 From Academy Award-nominated actress Quvenzhané Wallis comes a story about glitz, glamour, and the most important thing of all—family. A very talented little girl has a very special night ahead of her. A night where she'll get to wear a new dress in the most beautiful shade of blue with shoes that match it perfectly. A night where she'll get to ride in the biggest car she's ever seen! A night that will, of course, include ice cream. But most special of all, it will be a night out with her mama.

OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and

Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

You Can Baby Step Your Way to Becoming a

Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . .
*Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth
*Learn how to bust through the barriers preventing them from becoming a millionaire
*Hear true stories from ordinary people who dug themselves out of debt and built wealth
*Discover how anyone can become a millionaire, especially you
Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is

straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

There are hundreds of exhibits in the investment "factor zoo." Which ones are actually worth your time, and your money?
Andrew L. Berkin and Larry E. Swedroe, co-authors of *The Incredible Shrinking Alpha*, bring you a thorough yet still jargon-free and accessible guide to applying one of today's most valuable quantitative, evidence-based approaches to outperforming the market: factor investing. Designed for savvy investors and professional advisors alike, *Your Complete Guide to Factor-Based Investing: The Way Smart Money Invests* Today takes you on a journey through the land of academic research and an extensive review of its 50-year quest to uncover the secret of successful investing. Along the way, Berkin and Swedroe cite and distill more than 100 academic papers on

finance and introduce five unique criteria that a factor (at its most basic, a characteristic or set of characteristics common among a broad set of securities) must meet to be considered worthy of your investment. In addition to providing explanatory power to portfolio returns and delivering a premium, Swedroe and Berkin argue a factor should be persistent, pervasive, robust, investable and intuitive. By the end, you'll have learned that, within the entire "factor zoo," only certain exhibits are worth visiting and only a handful of factors are required to invest in the same manner that made Warren Buffett a legend. Your Complete Guide to Factor-Based Investing: The Way Smart Money Invests Today offers an in-depth look at the evidence practitioners use to build portfolios and how you as an investor can benefit from that knowledge, rendering it an essential resource for making the informed and prudent investment decisions necessary to help secure your financial future.

Summary of the

Automatic Millionaire by David Bach - a Powerful One-Step Plan to Live and Finish Rich Crown Business

"From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth?" So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write *Our Ultimate Reality* and a concise summary of the contents contained therein. As we approach the end of a great age for humanity, increasingly more people from all walks of what we know as "life" are asking what it all means for them, for their families and for their future existence on this planet we call "Earth." *Our Ultimate Reality, Life, the Universe and Destiny of Mankind* is your complete reference and guide for realising the Divine heritage of each and every one of us as equal aspects of our Creator, a life of perfect happiness, health, abundance, fulfilment and Spiritual

evolution. This book has been written in a modern, understandable, non-mystical way, setting out in a concise, logical, easy to follow format, all you need to know in order to understand, pursue and realise your own true potential during this pivotally important era. I wish you every possible success as you follow your own true destiny on the path of return to our Divine Creator from Whom we came in the beginning, and wish that this book will prove to be your valuable guide and companion.

How does an ordinary person with an ordinary income reach their seven-figure dreams? First they must own their own home – and do it David Bach’s way. The financial coach who has helped millions to finish rich is back with a simple, powerful solution to get rich in real estate. As David says, “Renters stay poor, homeowners get rich, and smart landlords laugh all the way to the bank!” In his breakout 2004 bestseller, *The Automatic Millionaire*, David Bach showed why owning your own home is not only smart, it’s the core secret

to becoming a millionaire. In his new book, tailored for a Canadian readership, he shows exactly how to make that happen with a simple, automatic plan you can read in an hour and put into place today. Renters will learn how to buy a first home, even with lousy credit and tiny savings. And existing homeowners will find out how to turn the roof over their heads into a powerful investment that doubles, triples, and quadruples in price while you simply enjoy living in it. And while you don’t have to be a landlord to finish rich, if you’re willing to be, David teaches you how simple it really is to buy a rental property even while you’re paying the mortgage on your home. *The Automatic Millionaire Homeowner* is brilliantly simple, easy to read, highly motivational with a realistic, take-action method for achieving financial prosperity in real estate, starting now. Bach offers time-tested tactics on all the essentials, including:

- Why you shouldn’t wait: busting the myths of renting
- Finding a down payment right now using the Automatic Down Payment Solution™
- Choosing the mortgage that is right for you – even

with debt, even with imperfect credit

- The secret system for debt-free homeownership: why you must Make It Automatic!

Priceless finance advice everyone can relate to from one of the world's most respected businessmen and the most successful investor of all time. Of course you

know who Warren Buffett is; he's the most successful investor in the world—maybe of all times. But what do you know about his approach to business and investing? It's an approach that, over the past four decades, has made him the richest man in America and the third-richest man in the world, and that has earned vast fortunes for his business partners and investors. But as Buffett himself will tell you, at the heart of any wealth-building system there are certain core beliefs, not just about finance, but about business, work, morality, your responsibility to yourself, your family and society, and about living a decent life. Written in conjunction with the hit television series, "Secret Millionaire Club" and with Buffett's input and full support, this book makes Buffett's financial philosophy and homespun life lessons available to everyone outside his "Secret Club." Warren Buffett's goal in spearheading this book was to share lessons about personal finance he has learned and that he hopes will benefit you (and your kids) for a lifetime. You'll learn the fundamentals of personal finance by reading Warren

Buffett's war stories and personal reflections on money, life, business, ethics and more. All of the finance principles covered in the book were personally approved by Warren Buffett as those which he himself follows. Unforgettable Buffett quotes include: "Price is what you pay. Value is what you get"; "Risk comes from not knowing what you're doing"; and "Profit from folly rather than participate in it."

The #1 bestselling author presents his most important book since *The Automatic Millionaire* and gives Canadians the knowledge, the tools, and the mindset to get out of debt — forever. Whether you are working off student loans or trying to meet the minimum balance on your credit card bill, you are probably worried every time you open your mailbox. With salaries frozen and layoffs looming, how will you ever be able to pay down that debt, let alone retire in peace? Here, David Bach offers a new philosophy made for our times, a paradigm-shifting approach to finance that teaches you how to pay

down your debt and adopt a whole new way of living. If you have debt, you can be rich but still not free. When you pay down your debt, you reach Freedom Day, that glorious moment when you need a lot less money just to live. On that day, you are truly free. You can have a smaller nest egg and still retire, perhaps even earlier than you expected. With his trademark motivational energy and take-action step by step advice, Bach helps you revolutionize your finances. In these lean times, it's still possible to live your financial dreams. Let David Bach show you how.
