What is family? Citing national security and societal welfare, the Harper government adopted a strict definition of family to limit access to citizenship for certain immigrants. Megan Gaucher analyzes the government's assessment of sexual-minority refugee claimants' relationship history, common-law and married spousal sponsorship applications, and marriage fraud, concluding that this narrative of citizenship reinforces racialized, gendered, and sexualized assumptions about the "Canadian family." As many Western governments ponder more restrictive immigration policies, *A Family Matter* offers a timely examination of the Canadian approach and proposes a

course for re-evaluating how family is defined and for implementing fairer assessments of immigrants and refugees.

Achieving success in this more challenging world requires knowing many more words. 100 Words Every Middle Schooler Should Know helps students in grades 6 to 8 (ages 11-14) to express themselves with distinction and get the most out of school. The 100 words are varied and interesting, ranging from verbs like muster and replenish to nouns like havoc and restitution to adjectives like apprehensive and imperious. Knowing these words enables students to express themselves with greater clarity and subtlety. Each word has a definition and

a pronunciation and appears with at least one quotation—a moving or dramatic passage—taken from a book that middle schoolers are assigned in the classroom or enjoy reading on their own. Both classic and contemporary works of fiction and nonfiction are represented. Among the authors are young adult favorites and award-winners such as Kate Di Camillo, Russell Freedman, Neil Gaiman, E.L. Konigsberg, Lois Lowry, Walter Dean Myers, Katherine Paterson, J. K. Rowling, and Gary Soto. Readers can see for themselves that the words are used by the very best writers in the very best books. It stands to reason that they will see them again and again in higher grades and throughout their lives. 100 Words Every Middle Schooler Should Know helps students to gain useful knowledge and prepares them to step into a broader world.
