MCKAYLA SANAA

Where the Crawdads Sing Little, Brown

SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review), now in paperback for the first time. For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya

is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Boy, the Mole, the Fox and the Horse Springer Science & Business Media

NEW YORK TIMES BESTSELLER • From the author of *The House of*

the Spirits, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. “One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende’s] long career.”—The New York Times Book Review
 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade
 In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: “the long petal of sea and wine and snow.” As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* “Both an intimate look at the relationship between one man

and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now.”—J. Courtney Sullivan, author of *Saints for All Occasions* “This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time.”—Colum McCann, National Book Award-winning author of *Let the Great World Spin*

Op een onherbergzame woestijnplaneet voert een oude heersersdynastie een hopeloze strijd tegen jaloerse, geraffineerde tegenstanders, die haar ondergang proberen te bewerkstelligen.

Themes and Ideas Penguin Life

A thought-provoking journey of companionship, courage, tenderness, and tea. Big Panda and Tiny Dragon embark on a journey through the seasons of the year together. They get lost, as many of us do. But while lost, they discover many beautiful sights they'd never have found had they gone the right way. Told through a series of beautiful drawings and quiet, sometimes silly, conversations, the panda and the dragon explore the thoughts and emotions, hardships and happiness that connect us all. In nature, they learn how to live in the moment, how to be at peace

with uncertainty, and how to find the strength to overcome life's obstacles together. Inspired by Buddhist philosophy and spirituality, British author and artist James Norbury created the adventures of Big Panda and Tiny Dragon to share ideas that have helped him through difficult times. The book's series of vignettes can be read cover to cover or dipped into whenever inspiration is needed. James hopes the book's words and images will inspire others to pause, enjoy the stillness, and look at life in a positive new way. WORDS OF WISDOM: The seemingly simple, and often silly, conversations between Big Panda and Tiny Dragon reveal meaningful insights on friendship, inner wisdom, and self-acceptance. INSPIRING IMAGES: Depicted in bold brush strokes reminiscent of calligraphy, big, fluffy Panda and tiny, wiry Dragon journey through rolling hills, wooded forests, and blooming meadows in more than 120 elegant black-and-white and full-color scenes. FOR READERS OF ALL AGES: From youngsters at story time to new graduates with the world ahead of them to adults in moments of challenge or transition, Big Panda and Tiny Dragon offer comfort, inspiration, and a wry smile for every reader. WORK OF ART: Featuring a beautiful cover and a collection of stunning illustrations, each one more beautiful than the next, every page in this book is worthy of framing. HEARTFELT GIFT: Full of wisdom and touching humor, Big Panda and Tiny Dragon makes a thoughtful gift to be treasured.

[bibliografie van Nederlandstalige boeken en artikelen over Estland, Letland en Litouwen : en de vertaalde literatuur](#) Lulu.com

When his twin brother dies in a car accident, Helmer is obliged to return to the small family farm. He resigns himself to taking over his brother's role and spending the rest of his days 'with his head

under a cow'. After his old, worn-out father has been transferred upstairs, Helmer sets about furnishing the rest of the house according to his own minimal preferences. 'A double bed and a duvet', advises Ada, who lives next door, with a sly look. Then Riet appears, the woman once engaged to marry his twin. Could Riet and her son live with him for a while, on the farm?'The Twin' is an ode to the platteland, the flat and bleak Dutch countryside with its ditches and its cows and its endless grey skies. Ostensibly a novel about the countryside, as seen through the eyes of a farmer, 'the Twin' is, in the end, about the possibility or impossibility of taking life into one's own hands. It chronicles a way of life which has resisted modernity, is culturally apart, and yet riven with a kind of romantic longing. --This text refers to an out of print or unavailable edition of this title.

een serie boeken voor lees- en taalonderwijs op de christelijke school Simon and Schuster

#1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER "The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art." - The New York Times From the revered British illustrator, a modern fable for all ages that explores life's universal lessons, featuring 100 color and black-and-white drawings. "What do you want to be when you grow up?" asked the mole. "Kind," said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book based on his famous quartet of characters. The Boy, the Mole, the Fox, and the Horse explores their unlikely friendship and the poignant, universal lessons they learn together. Radiant with Mackesy's warmth and gentle wit, The

Boy, the Mole, the Fox, and the Horse blends hand-written narrative with dozens of drawings, including some of his best-loved illustrations (including “Help,” which has been shared over one million times) and new, never-before-seen material. A modern classic in the vein of *The Tao of Pooh*, *The Alchemist*, and *The Giving Tree*, this charmingly designed keepsake will be treasured for generations to come.

bibliografie samengesteld door J. Th. W. Clemens met medewerking van J.W. Steenbeek Springer Science & Business Media

Focusing on Gisbertus Voetius’s views on God, freedom, and contingency, Andreas J. Beck offers the first monograph in English that is entirely devoted to the theology of this leading figure of early modern Reformed scholasticism.

A Hopeful History LIT Verlag Münster

This book narrates the development of education in St. Maarten between 1954 and 2000, by tapping into the experience of the protagonists, giving them a voice in the recording of their own history. As such, it lends a voice to postcolonial subjects, who have often been bypassed or forgotten by most traditional historians, and thus rendered voiceless. The work is based on both written and oral history, including interviews with important educational agents, as well as former pupils and parents. By doing this, it describes the overall framework of education in St. Maarten within the juridical space of the Kingdom of the Netherlands. The first part of the book deals with the Dutch Antilles in general, and with St. Maarten in particular, examining the effects of slavery and its consequences. Both before and after the restructuring of the Kingdom of the Netherlands in 1954,

education was essentially shaped by the different religious denominations on the island. Over time, St. Maarten’s schooling system developed from an almost non-existing entity to a well-structured one, which closely resembled the educational framework in the Netherlands, its former colonial ruler. Part two reflects the respondents’ reactions to several issues concerning education in St. Maarten. It was only after local St. Maarten students became teachers that topics about the island found their place in the curriculum. Even though it took some time to integrate St. Maarten in the curriculum, the people did not (and still do not) have the feeling that education has let them down. It is only now that they are beginning to question whether, and to what extent, schools were, and are, able to positively influence young people. In the past, they believed that schooling – however foreign its curriculum may have been – did actually help them to find a niche in the world. After studying both written and oral sources, the book concludes that the coat of arms of St. Maarten is representative of its findings about education on this island: *Semper progrediens* – “Always progressing”. Education in St. Maarten has progressed without showing radical breaks.

A Long Petal of the Sea Cambridge Scholars Publishing

AN INSTANT NEW YORK TIMES BESTSELLER The “lively” (The New Yorker), “convincing” (Forbes), and “riveting pick-me-up we all

need right now” (People) that proves humanity thrives in a crisis

and that our innate kindness and cooperation have been the

greatest factors in our long-term success as a species. If there is

one belief that has united the left and the right, psychologists

and philosophers, ancient thinkers and modern ones, it is the

tacit assumption that humans are bad. It's a notion that drives

newspaper headlines and guides the laws that shape our lives.

From Machiavelli to Hobbes, Freud to Pinker, the roots of this

belief have sunk deep into Western thought. Human beings,

we're taught, are by nature selfish and governed primarily by

self-interest. But what if it isn't true? International bestseller

Rutger Bregman provides new perspective on the past 200,000

years of human history, setting out to prove that we are

hardwired for kindness, geared toward cooperation rather than

competition, and more inclined to trust rather than distrust one

another. In fact this instinct has a firm evolutionary basis going

back to the beginning of Homo sapiens. From the real-life Lord of

the Flies to the solidarity in the aftermath of the Blitz, the hidden

flaws in the Stanford prison experiment to the true story of twin

brothers on opposite sides who helped Mandela end apartheid,

Bregman shows us that believing in human generosity and

collaboration isn't merely optimistic—it's realistic. Moreover, it

has huge implications for how society functions. When we think

the worst of people, it brings out the worst in our politics and

economics. But if we believe in the reality of humanity's kindness

and altruism, it will form the foundation for achieving true change

in society, a case that Bregman makes convincingly with his signature wit, refreshing frankness, and memorable storytelling. "The Sapiens of 2020." —The Guardian "Humankind made me see humanity from a fresh perspective." —Yuval Noah Harari, author of the #1 bestseller *Sapiens* Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction One of the Washington Post's 50 Notable Nonfiction Works in 2020 [overzicht van de boeken die voor het vak "Nederlands" in het stage-rayon van de Katholieke Universiteit te Nijmegen op de boekenlijsten staan voor het voorbereidend wetenschappelijk, het algemeen voortgezet onderwijs en voor pedagogische akademies](#)

Ballantine Books
This is a parenting book for people who don't buy parenting books With straight-talking advice from renowned Psychotherapist Philippa Perry, *How to be a Parent* is the definitive guide for any parent looking to navigate their past, avoid repeating mistakes, and ensure they don't land their own kids in therapy. Through the combination of case studies, and therapeutic insight gained from over 20 years of working directly with clients, Perry tackles the wider issues of what it actually means to be a parent, rather than getting bogged down in the little details. This isn't a book about meeting developmental milestones, training your child to have enviable manners, or how to get the much idealised 'perfect' family, it's about creating

functional relationships with your children so that they grow up feeling secure, knowing who they are and what they want - giving both them and you a shot at real happiness. Full of refreshing, sage and sane advice on the bigger picture of parenthood, *How to be a Parent* is the only book you'll ever really need to ensure you don't mess your kids up.

Her Life

The annual collection of scientific articles of the Brussels Theological Faculty partly covers all current research areas. Theology and the study of religion are under pressure from increasing polarization and radicalization. The Faculty of Theology in Brussels has both feet firmly planted on the world stage and offers a number of articles on topical themes in this volume. In this volume, which is an anniversary issue since we face the 20th volume, we pay attention to current themes such as decolonization and theology, as well as to cultural-historical movements and trends. In an annual collection of scholarly articles from a Protestant Theological Faculty, fundamental research of the Bible should not be missing. Anyone interested in biblical sciences can also take advantage of this collection. We hope to offer the reader insight and an engaging reading experience.
