By working with the angels, you'll find that your appetite for healthful, nutritious foods will increase, and you'll become aware of how your body reacts to artificial substances . . . 'Sometimes you may accidentally ignore the angels' guidance, so definitely ask them for help in hearing the messages you're supposed to take to heart. Or, you can ask them how your detox can be more successful. You'll find that they will reply with dietary or lifestyle advice. The angels know how you can benefit most right now,

Messages from Your Angels is a sequel to the bestselling *Angel Therapy*, 75,000 sold! This is a channeled book that contains uplifting and fresh information from the angelic realm. The angels, including Archangel Michael, provide healing messages that help readers to heal from emotional pain, find their life's purpose, understand their love life, and make decisions about important life areas. Doreen receives many letters from people who find Angel Therapy a steady source of comfort and guidance. Many people keep Angel Therapy next to their bed, and open it randomly, like an oracle. *Messages from Your Angels* will offer new levels of comfort, inspiration, and guidance, and will function as a divination tool as well. How to Connect Closely

with Archangels Michael, Raphael, Gabriel, Uriel, and Others for Healing, Protection, and Guidance Hay House, Inc

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, *Angel Words* gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!
