[Iceberg Slim](#) Infinite Dreams Publishing

Straight from the source: Iceberg Slim gives unprecedented insight into his incredible life and mind in this second collection of rare, explicit, interviews. Iceberg Slim is infamous as a pimp. But he was many things: Victim of childhood abuse, racism and the Great Depression; drug addict; hustler; prison escapee; multi-million book selling author; one of the first rap record artists; orator; pre-eminent writer; father; husband; advocate of socially constructive life. The interviews (big topics from applying the game in square relationships, to the con game, sex, drugs, education, writing, racial issues, fatherhood, politics, crime and punishment) are complimented by: Camille Beck's tragic story, told by her sister Misty; FBI records, mug shots, historical records; the true story of Baby Bell and Sweet Jones; and the true story of Henry and Iceberg's mother. Revealing insights with those who knew Iceberg Slim are included: Mike Tyson; Camille and Misty Beck; Diane Beck; Betty Beck's story from the day she met Iceberg; Bentley Morriss (CEO, Holloway House Publishing). Plus Ice-T, Bishop Don Magic Juan and others provide relevant commentary on Iceberg's life, work and great legacy.

Holding Tight to Permanent in a World That's Passing Away e-arnrow

Church Pimps exposes the unexplored dark side of ministers. It is entertaining yet informative.

Sweet Jones Simon and Schuster

In this newly discovered work by the late Iceberg Slim, the man who essentially birthed street lit, an LAPD vice detective intent on sweeping away street prostitution and police corruption finds himself up against Shetani (Swahili for Satan), a leading pimp who uses violence and heroin to control his prostitutes.

The Biography of a Pimp Simon and Schuster

The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm, psychological manipulation, and persuasion. In Pimpology, star of the documentaries Pimps Up, Ho's Down and American Pimp and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at

work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall

Trick Baby PimpThe Story of My Life

Picking up where "Wiseguy" leaves off, this book takes readers on the crazy ride of Hills life--hiding out in the Witness Protection Program, testifying in high-profile mafia trials, and eventually ending up in the entertainment business.

The Game of Life & How to Play It Kensington Books

In the tradition of Donald Goines and Iceberg Slim comes A Pimp's Life, the story of the rise and fall of Mack Jones. He's at the top of his pimp game in Queens, New York, until he breaks one of the cardinal rules of Pimping 101 and falls in love with one of his girls. Destiny was once an innocent young girl tricked into selling her body, but now she's as tough as the most seasoned professionals on the street. Then a tragic turn of events causes her to open her heart once again. When Mack is shot, she stays by his side during his recovery, proving herself to be as devoted as any wife would be to her husband. After she sees that Mack has regained his strength, Destiny finally gathers the courage to leave the life behind her, and Mack is forced to make a decision. He won't stop her from leaving, but he must decide if he will follow her out of the game. Will he stay with what he's always known, or take a chance on love? And even if he does choose to get out, will the streets let him go that easy?

Lost Interviews with the Pimp - Book Two Vintage Crime/Black Lizard

This classic Dr. Seuss Beginner Book features silly tongue twisters that will have readers of all ages giggling with glee. When a fox in socks meets Knox in a box, you know that hilarity will ensue. Add chicks with bricks (and blocks and clocks) and you're sure to get your words twisted and lips locked. With his unmistakable gift for rhyme, Dr. Seuss creates a hysterical and energetic way for beginning readers to dive into the joy of reading. This book comes with the following warning: "This is a book you READ ALOUD to find out just how smart your tongue is. The first time you read it, don't go fast! This Fox is a tricky fox. He'll try to get your tongue in trouble." Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

The 48 Laws of the Game Urban Books

Doom Fox is the final instalment in Iceberg Slim's searing sequence of highly-charged books that began with his critically

acclaimed and multi-million selling autobiography, Pimp. Slim's powerful, raw prose and eye-opening reflections of black ghetto realities have helped to redefine modern American literature, offering the reader a glimpse into lifestyles and language never before seen in print. Doom Fox tells the tragic story of three generations of the Allen family in post-war L. A. Written with Slim's typically disturbing honesty and sharp humour, it paints their lives with compassion, telling their stories in their own words, in the language of the street. The result is another riveting and potent urban parable, a bitter commentary on a society that has as its core a legalized policy of discrimination.

The Art of the Pimp B&H Publishing Group

The Savage Detectives elicits mixed feelings. An instant classic in the Spanish-speaking world upon its 1998 publication, a critical and commercial smash on its 2007 translation into English, Roberto Bolaño's novel has also been called an exercise in 1970s nostalgia, an escapist fantasy of a romanticized Latin America, and a publicity event propped up by the myth of the bad-boy artist. David Kurnick argues that the controversies surrounding Bolaño's life and work have obscured his achievements—and that The Savage Detectives is still underappreciated for the subtlety and vitality of its portrait of collective life. Kurnick explores The Savage Detectives as an epic of social structure and its decomposition, a novel that restlessly moves between the big configurations—of states, continents, and generations—and the everyday stuff—parties, jobs, moods, sex, conversation—of which they're made. For Kurnick, Bolaño's book is a necromantic invocation of life in history, one that demands surrender as much as analysis. Kurnick alternates literary-critical arguments with explorations of the novel's microclimates and neighborhoods—the little atmospheric zones where some of Bolaño's most interesting rethinking of sexuality, politics, and literature takes place. He also claims that The Savage Detectives holds particular interest for U.S. readers: not because it panders to them but because it heralds the exhilarating prospect of a world in which American culture has lost its presumptive centrality.

Gangsters and Goodfellas Doubleday

"On a scale of one to ten, this novel is incomparable to any other of its kind; in fact this read is off the scale. To my knowledge, there has never been a novel quite like this. The writer is nothing short of brilliant. He is the absolute best." -Bogeese (Chicago, IL) **"PIMP: Reflection of my Life "** Random House Books for Young Readers

Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make The Godfather a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of The Godfather and entered Hollywood history. He played Carlo Rizzi,

the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from *The Godfather*. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in *The Godfather: Parts I and II*, *Seabiscuit*, *Any Given Sunday* and *Rush Hour 2*, among many other films. *Hollywood Godfather* is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

[Shetani's Sister](#) Lulu.com

CONTAINS A NEW EPILOGUE!" Mafia Prince is the first-person account of one of the most violent eras in Mafia history —"Little" Nicky Scarfo's reign as boss of the Philly family in the 1980s—written by Scarfo's underboss and nephew, "Crazy" Phil Leonetti. The youngest-ever underboss at the age of 31, Leonetti was at the crux of the violent downfall of the traditional American Mafia in the 1980s when he infiltrated Atlantic City after gambling was legalized, and later turned state's evidence against his own. His testimony directly led to the convictions of dozens of high-ranking made men including John Gotti, Vincent Gigante, and his own uncle, Nicky Scarfo—sparking the beginning of the end of La Cosa Nostra. Just as *The Godfather* and *Boardwalk Empire* defined the early 20th century Mafia, and *Wiseguy* and *Casino* depicted the next great era through the '70s, *Mafia Prince* concludes this epic genre revealing the Mafia's violent final heyday of the 1980s— straight from the horse's mouth.

*Pimp*The Story of My LifeSimon and Schuster

Rowman & Littlefield

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of *Pimp*, brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. Trick Baby tells the story of "White Folks," a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a "Trick Baby," the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could bring us the story of a hustler, forced to learn the game and rise to the top. It's Slim's story and he tells it in the only way he knows how, in the language of the streets.

Whoreson Apex Publications

In our society today, although used out their original contexts, the words "Pimp" and "Pimpin'" have been embraced whole-heartedly by today's hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living. However, in his debut release, Donald Ray Lavan (AKA Noble Dee) provides the true definition of both words, separating the real and the facts from the façade and the fiction of today's controversial terminology. Best of all, he describes in very minute details, what the Game (Pimpin') was like for him in his era... the 1960's to Y2K (The New Millenium). In this tell all non-fiction: Noble Dee illustrates, in a very blaxploitation manner...his personal

existence in the game. Not only does he exploit his successes, he also exposes the very grim details of the life; both in tones whereas you the reader... bask in his glory, and share his pains; the pain of possibly regret in the life that he cherished for almost four calendar decades. Wholeheartedly, Noble Dee expresses how his own glorification of the game, indirectly allured his first born daughter into a position to be manipulated and exploited by pimps, just as he had manipulated and exploited so many daughters throughout his 35 years plus career. Not since Robert Beck revealed to the masses the vivid street Realities of a Pimp's Life in his book "Pimp: The Story of My Life" By Iceberg Slim has the entrenching truth behind the lifestyle-termed pimpin' been exposed to this degree. Thus, the primary title...

"Pimp:...Reflections of My Life". www.JumpInterstateN.biz

Pimp Simon and Schuster

From a bestselling Italian author comes a sharply observed new mystery set in the seedy underworld of 1970s Milan Giorgio Faletti's first thriller, *I Kill*, took Europe by storm, selling over five million copies. The *Corriere della Sera*, Italy's leading newspaper, crowned him "the greatest Italian writer." In 2010, with the explosive publication of *A Pimp's Notes*, Faletti won international celebrity as a writer of world-class, tightly wound, psychologically nuanced thrillers. It's 1978. Italy has just been shocked by the kidnapping of the politician Aldo Moro by the left-leaning terrorist group the Red Brigades. In Milan, the upper class continues to amuse itself in luxury restaurants, underground clubs, and cabarets. This is Bravo's milieu. Enigmatic and cynical, Bravo makes his living catering to the tastes, fantasies, and fetishes of the wealthy and depraved. When the mysterious Carla enters his life, what begins as a clandestine romance quickly becomes a nightmare that will transform Bravo into a man wanted by the police, by organized crime, and even by the Red Brigades. As the web around him tightens, Bravo will be forced to confront the violence of the times in which he lives as well as his own connections to the political and criminal networks that control contemporary Italy.

(J.U.M.P. INTERSTATE N Urban Legends) R. R. Bowker

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. *The Savage Detectives Reread* Author House

Terry and Teddy's relationship crumbles and they go in separate directions as they become heroin addicts and seek their dealer's favor in order to feed the addiction.

Death Wish Simon and Schuster

"You pimp! You trafficker! You should be skinned alive and burned at the stake! How could you possibly exploit another sexually for your own sick financial gain? They were prostituting minors! How could they be so sick? Prison, yes prison should be where we hide you forever for the destruction of human life that you caused. Stopping you means stopping the human sex trafficking epidemic! If we incarcerate you we can stop modern day slavery!" I heard these words as I watched a group of my mentees go through their case in federal court. With RICO conspiracy charges hanging over their heads, they were presented as gang members that trafficked girls for the benefit of the gang. I knew these allegations were false. I knew these young men personally. They were not pimps and definitely not "traffickers," a new word to me that I had never heard before until now. A word that I had to learn the meaning of fast. How did I know that they weren't "traffickers"? I quickly found out that for many years of my life I myself was a trafficker. I sat in the courtroom silent, not able to speak my first-hand knowledge of "the game." Regardless of whether I knew my mentees were innocent or not, these were charges they could never shake. I listened as law enforcement experts testified from their expertise. Ha! What did they know? These were people who had never spent a single day in the subculture of pimping and prostitution. They had no clue what that life was really like and if they did they were lying on purpose to continue the mass incarceration of young black and brown lives. Yeah, that had to be it. Entering the anti human sex trafficking movement as a former pimp and trafficker, I knew I would be alone. My past will not be taken well by many, but what other option do I have, stay quiet? Should I not educate people about domestic human sex trafficking and the pimping culture I was raised to believe was my only way of success? I can't stay quiet! I can't go off and live a normal life, glad to have survived the game. Out of 8 of my closest friends I am one of 4 still alive. The only way to help end this cycle of death and incarceration is to teach the truth from my perspective. All sides of this problem must be at the table because so far only a portion of the story is being told. This portion of the story still doesn't truly reflect the lived realities of the many women survivors that I know and love. Staying quiet is not an option for me - I'm willing to die to save future generations from this trap. This was no "game" we were playing. It was an illusion. An illusion that was pressed upon me and my entire peer group as we grew up in San Diego, California. *Pimp City*. To all who want to truly want to help fight human sex trafficking and sexual exploitation this book is needed in your arsenal. This is not a "how to" book on pimping. This is also not a book about human sex trafficking in general. This book presents a deeper understanding of the mind-frame and make-up of those involved in human sex trafficking. This book specifically deals with the pimping and prostitution subculture that has risen from impoverished communities across the United States, communities in cities like mine. This subculture can affect your family no matter what social or economic class you come from. Do you want to learn the truth so that we can really deal with the problem? Here's your opportunity.

She Reads Truth Michael Joseph

Whoreson Jones is the son of a beautiful black prostitute and an unknown white john. As a child, he's looked after by his neighbourhood's imposing matriarch, Big Mama, while his mother works the streets. At the age of 12, his street education begins when a man named Fast Black schools him in trickology. By 13, Whoreson is a cardsharp. At the age of 16 his childhood comes to an abrupt end when he becomes a fully-fledged pimp: cold-blooded and ruthless. As he battles to understand his world, he must learn to live up to his mother's words, 'First be a man, then be a pimp'.
