<p>Charisma Media There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years</p>	<p>of ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me</p>	<p>the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do. <i>Sinners in the Hands of an Angry God</i> Zondervan</p>

Dr. Wiersbe zeroes in on Satan's attacks as deceiver, destroyer, ruler, and accuser. He emphasizes that conquering the enemy comes by obeying God's truth.

existence. **Dejando ir el Cielo** Baker Books Heritage Edition—Over 100 illustrations of a century ago. Unabridged, original text consisting of inspiring and profound lessons from the stories and parables which Jesus told. Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river. In His parable

teaching He linked divine truth with common things and incidents, as may be found in the experiences of the shepherd, the builder, the tiller of the soil, the traveler, and the homemaker. Familiar objects were associated with thoughts true and beautiful—thoughts of God's loving interest in us, of the grateful homage that is His due, and of the care we should have one for another. Thus

lessons of divine wisdom and practical truth were made forcible and impressive. The Scripture says, "All these things spake Jesus unto the multitude in parables; . . . that it might be fulfilled which was spoken by the prophet, saying, I will open My mouth in parables; I will utter things which have been kept secret from the foundation of the world." Matt. 13:34, 35. Natural things were

the medium for the spiritual; the things of nature and the life-experience of His hearers were connected with the truths of the written word. Leading thus from the natural to the spiritual kingdom, Christ's parables are links in the chain of truth that unites man with God, and earth with heaven. In this volume the parables are grouped according to their subjects, and their lessons are

developed and illustrated. The book is full of gems of truth, and to many readers it will give a richer meaning to the common surroundings of everyday life.

Prayers That Rout Demons Shadow Mountain Take Your Church's Pulse presents ten vital signs of a healthy church--five key commitments and five key functions. It then introduce

you to a church-health diagnostic tool you can apply to your setting. Thousands of pastors and leaders around the world have found this paradigm helpful in organizing the ministry and mission of the local church. This book and the free diagnostic tool it presents are most useful if accompanied by a healthy process of conversations. With such a process, led by the Spirit, this book can help you

discern a preferred future for your community of faith. Koster and Wagenfeld write: "A healthy community of faith is rooted first of all in the character and nature of God. It understands its mission and purpose in the world and organizes its life and work to be faithful and effective in its context. None of these vital signs stands alone. It is a combination of factors that together make up a faithful

and fruitful organism, the living Church of our Lord Jesus Christ. There is no magic in the number ten, but for the teaching purposes it has worked quite well in different cultural contexts in providing ideas and a language for discussing important issues in congregational life and mission." The intended audience for this book is any pastor, leader, or church member who

is interested in having healthy conversations with others to strengthen the local church.
