Discipleship Lessons from the Fisherman The Navigators
 What the apostle Paul has to say is transformative and utterly inspiring. But too often he is clouded in complicated explanations and murky misunderstandings. Paul Distilled gets to the essence of Paul, and uncovers what is at the heart of his thinking and why he's had such an impact on the world since the first century until today. Drawing on many years of teaching and study of Paul's writings, Gary Burnett explains the driving forces behind the apostle's thinking from the letters he wrote to groups of Jesus-followers dotted around the Roman empire, addressing the real issues they faced, and shows why this matters today. A study

guide with each chapter will enable church groups to get to grips with the life-changing potential of understanding Paul better.

 We don't approach a novel in the same way we tackle an insurance form. We don't read a bank statement in the same

way that we read poetry. So we shouldn't read the 66 different books of the Bible in the same way. Story, song, law, letters and more, all make up the rich repository of writing that is God's words to us. The Gateway Seven series selects books that each represent a different kind of writing. This study of 1 Peter is a guide written to people whose context he understood well and with which we can resonate today. Through his encouragement, challenge, insight and knowledge of God - we will gain confidence to live well for Christ in our complex world, on our everyday frontlines.

Susan Heck expounds on the book of First John with the same love and tenderness the Apostle John used in writing the book. The theme of the book is expressed well in 1 John 2:1: "My little children, I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous." This is an excellent small group Bible study for women.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714.

Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

1 & 2 Peter, Jude David C Cook

The brash fisherman named "Rock," now matured, will help you grow in Christ. 1 Peter is a brief letter - only 105 verses -- but power-packed. The apostle, once a commercial fisherman in Galilee, is now in Rome and soon to be executed. He's less a braggart now, less impulsive. Time and discipleship have forged humility within him without destroying his boldness. And in this maturity, Peter helps us to see Jesus more clearly - as Lamb,

Overseer, Sacrifice, and Chief Shepherd. As you study, you'll be refreshed with hope and joy. Struggling with temptation? Peter encourages you to holy living. Suffering for something you didn't do - or perhaps did do? You'll find perspective and assurance. Peter gives us a clear vision of the Church, wisdom for marriage, instruction on spiritual gifts, encouragement to witness - with gentleness - and guidelines for church leaders. 1 Peter is explored in 11 lessons, each with probing discussion questions. The book can be used for personal enrichment, by small groups and classes, and for preparation by teachers and preachers.

1 Peter, 2 Peter, and Jude Wipf and Stock Publishers

This volume offers a concise and accessible introduction to 1 Peter, especially aimed at undergraduate-level students. It provides information on the likely historical and social setting of this letter, on its literary form and theological content, and on issues involved in its interpretation. In particular, this volume suggests that 1 Peter is an important text not least for the ways in which it both reflects and constructs early Christian identity, in its relationships with Judaism and the Roman Empire. Although 1 Peter remains neglected compared with the canonical gospels and the major Pauline letters, Horrell argues that the letter deserves much more attention for the pivotal contribution it makes to the development of early Christianity and for the ways in which it reveals this development in progress.

Looking like Christ, Living like Christ How do we persevere in the face of suffering? For first-century Christians who were persecuted by their neighbors, staying focused on their "living hope" was hard to do. The Apostle Peter wanted to remind these hard-pressed Christians of their rich identity in Christ and encourage them to respond to their sufferings as Christ did. Peter doesn't deliver abstract teaching but applies it to their daily lives. His words will connect with your own life, too, as you dive into his heartfelt letter. members representing 68 different churches. She earned a B.A. in English and a Master of Business Administration from Texas A&M. Jen wrote *Women of the Word: How to Study the Bible with Both Our Hearts and Our Minds* and has a 9-week DVD Bible study on *The Sermon on the Mount*. Jen grew up in Texas and came to saving faith in elementary school. Her childhood was marked by time spent in seven different denominations - a range of experience that left her with the conviction that knowing the Word was the only sure means of discerning truth from error. Jen's passion is to see women become articulate and committed followers of Christ, with a clear understanding of why they believe what they believe and grounded in the Word of God. She sees women as most frequently appealed to through their emotions. Because of that, she advocates for women to have Bible literacy, love God with their minds, and have their voices and giftings fully leveraged in the church.
