ROTH MOONEY

Dilwale Dulhania le Jayenge: (The "Brave-Hearted Will Take the Bride")

Funstory
Global Sex is the first major work to take on the globalization of sexuality, examining the ways in which desire and pleasure—as well as ideas about gender, political power, and public health—are framed, shaped, or commodified by a global economy in which more and more cultures move into ever-closer contact.

Indonesia, Islam, and Democracy

Funstory
Evidence based practice is now widely accepted as a fundamental tenet of midwifery. The importance of evidence in defining midwifery policy and practice in the UK health system, and others, is acknowledged and enduring. While the development and evaluation of research in midwifery is well charted, the question of how such evidence is incorporated into practice has, to date, received less attention and discussion in the midwifery profession. Answering this need,

Evidence Based Midwifery focuses on the dissemination and use of evidence for midwifery practice, and explores midwives' experiences in using the evidence base to inform policy and enhance clinical practice. Written by a highly-regarded and diverse group from the UK and international midwifery community, Evidence Based Midwifery addresses issues of relevance to all midwives whether clinical practitioners or educators, students or supervisors, researchers or managers. Issues that influence evidence based midwifery are discussed, and topics covered include problem based learning, implementation of evidence based guidelines and the involvement of service users. Edited by founder members of the Evidence Based Midwifery Network International collaboration with contributions from the UK, Greece, Canada and the Netherlands Primary focus on the incorporation of evidence into midwifery practice Real-life examples throughout

Gore Vidal's America

Funstory

Language endangerment has been the focus of much attention and as a result, a wide range of people are working to revitalize and maintain local languages. This book serves as a general reference guide to language revitalization, written not only for linguists and anthropologists, but also for language activists and community members who believe they should ensure the future use of their languages, despite their predicted loss. Drawing extensively on case studies, it sets out the necessary background and highlights central issues such as literacy, policy decisions, and allocation of resources. Its primary goal is to provide the essential tools for a successful language revitalization program, such as setting and achieving realistic goals, and anticipating and resolving common obstacles. Clearly written and informative, Saving Languages will be an invaluable resource for all those interested in the fate of small language

communities around the globe.

Legendary Wife John Benjamins Publishing
This was a legendary story of a young master of a military family who had been framed and turned into a deserter, expelled from the military and thrown into prison, despised by the entire planet. They were both legendary. He was a hero legend, a hero on the battlefield. And he was a bear legend, a bear among deserters. Unfortunately ... He, the bear, had somehow become a couple of husband and wife with the hero. From then on, he was pressed under his body and could no longer stand up. Everyone says Hero Ben is lecherous. " He finally got to see a female horse!

100 Most Infamous Criminals Lontar Foundation

A landmark novel, *The Weaverbirds* is a tale of physical and spiritual struggles. The story spans from the formative days of Indonesia's independence to Indonesia's oil crisis in the mid 1970s. Larasati, the precious daughter of Mr. and Mrs. Antana, and Setadewa, the army-brat son of Capt. And Mrs. Brajabasuki, are childhood

friends. But when they are older, they find themselves on the opposite sides of the country's political spectrum. Even with their many differences, their relationship offers guidance to survival in a chaotic world.

Bombay Cinema

Manchester University Press

First published in 1922, the novel "Sitti Nurbaya: A Love Unrealized," by Marah Rusli, retains the poignancy that made it a modern Indonesian classic. In terms of its social impact in what was then the Dutch East Indies, "Sitti Nurbaya" may be compared to "Uncle Tom's Cabin" in the ante-bellum United States. Even to this day, the issues of injustice and indignities suffered by women that this novel raised continue to be debated throughout the country. Rich in description, dense with ironic foreboding and the inexorable workings of fate, *Sitti Nurbaya* is Samsu and "Sitti Nurbaya"'s ill-fated love story. But in their wishes, the reader might also discern young people's tantalizing dream of what the East Indies society might become, or could become, if only local

genius, embodied in a modernizing youth emancipated from stifling traditions, could fuse with European genius in mutual respect and admiration. This too was, of course, a dream never to be realized, and one perhaps which never could have been realized.

Hailed as a superstar in
an era ruled by macho
men and one that literally
offered actresses crumbs,
Sridevi tamed Bollywood
like no other. Beginning
her affair with the camera
when she was four, this
doe-eyed beauty
conquered Tamil, Telugu,
Malayalam and Kannada
industries with
performances etched in
gold. Taking Hindi cinema
by storm with
Himmatwala in 1983,
Sridevi emerged as one of
the most iconic screen
goddesses of India,
playing characters that
became cultural
touchstones. Besides
reigning as Queen Bee for
the longest spell among
Bollywood heroines, she
also remains the only
actress who was, at the
same time, No.1 in Tamil
and Telugu cinema too.
Such was Sridevi's pan-
India stardom that in a
patriarchal industry, she
emerged as the 'hero' at
the box-office, towering
above her male co-actors.
After a hiatus of fifteen
years, she shattered the
rules again by becoming
the only Bollywood diva to
make a glorious

comeback in 2012 with
English Vinglish. A
supremely gifted actor-
her comedy peerless, her
dances legendary, her
histrionics awe-inspiring-
she offered a study in
contrast in real life. If her
life played out forever in
the limelight, so did her
sudden demise in 2018.
Charting five decades of
her larger-than-life magic,
Sridevi: The Eternal
Screen Goddess
celebrates both the
phenomenon and the
person. With exclusive
access to her family,
friends and co-stars in the
film fraternity, Satyarth
Nayak tracks Sridevi's
journey from child star to
prima donna who
redefined the heroine to
be regarded as a legend
of Indian cinema.

From one of our most
important scholars and
civil rights activist icon, a
powerful study of the
women's liberation
movement and the
tangled knot of
oppression facing Black
women. "Angela Davis is
herself a woman of
undeniable courage. She
should be heard."—The
New York Times Angela
Davis provides a powerful
history of the social and
political influence of

whiteness and elitism in
feminism, from
abolitionist days to the
present, and
demonstrates how the
racist and classist biases
of its leaders inevitably
hampered any collective
ambitions. While Black
women were aided by
some activists like Sarah
and Angelina Grimke and
the suffrage cause found
unwavering support in
Frederick Douglass, many
women played on the
fears of white
supremacists for political
gain rather than take an
intersectional approach to
liberation. Here, Davis not
only contextualizes the
legacy and pitfalls of civil
and women's rights
activists, but also
discusses Communist
women, the murder of
Emmitt Till, and Margaret
Sanger's racism. Davis
shows readers how the
inequalities between
Black and white women
influence the
contemporary issues of
rape, reproductive
freedom, housework and
child care in this bold and
indispensable work.

Dilwale Dulhaniya Le Jayenge ('The Brave-hearted Will Take the Bride'), universally known as DDLJ, opened to huge popular acclaim in India in 1995. This work points out that it is a paradoxical film which affirms old-fashioned values of pre-marital chastity and family authority, affirming the idea that Westernization need not affect an essential Indian identity.

"Extraordinarily entertaining....Learned, witty....Wilson [is] a gifted novelist and diligent biographer."--Newsday

Modern Indonesian Literature W. W. Norton & Company

As with many newly democratic countries, Indonesia faces common problems such as crisis of leadership, ethnic and communal conflicts, and the clash of Islam and the West. Indonesia, Islam, and Democracy:

Dynamics in a Global Context brings fresh insight to the growing influence of Islam which is often ignored by foreign observers. Azyumardi Azra, a noted historian, breaks away from the common analysis of the current political situation and uncovers the lineages of the influence of Islam in

Indonesian politics since the collapse of the Suharto era. Azyumardi Azra is Professor of History and Rector of Syarif Hidayatullah State Islamic University (UIN) in Jakarta. An internationally recognized scholar, he has presented papers in numerous conferences at home and abroad and has lectured at various universities such as NYU, Harvard, Oxford, Columbia, Leiden, Melbourne, Kyoto, Hawaii, at Manoa and many others. He is an honorary professor at Melbourne University (2004-9) and a member of the Board of Trustees of the International Islamic University in Islamabad, Pakistan. In April 2005 he was awarded Doctor Honoris Causa in Humane Letters from Carroll College, Helena, Montana, USA. He has written eighteen books, the latest is *The Origin of Islamic Reformism in Southeast Asia*.

Corporate Social Irresponsibility Emerald Group Publishing

Gore Vidal is one of the most significant American writers of the second half of the twentieth century, having produced a large number of best selling novels, essays, plays and pamphlets which have

impacted on major political and social debates for fifty years. He is both a serious writer and a television and movie celebrity, whose increasingly acerbic picture of the United States guarantees he is both revered and reviled. Gore Vidal's America examines the ways in which Vidal's writings on history, politics, sex and religion throw into focus our understandings of the United States, but also recognizes his versatility and inventiveness as a creative writer, some of whose novels - Julian; Myra Breckinridge; Lincoln; Duluth - are among the important literary works of their time. Ranging from Vidal's early defence of homosexuality in *The City and the Pillar* (1948) to his most recent writings on the war in Iraq, this book provides a unique perspective on the evolution of post-World War II American society, politics and literature. As Altman writes: "Difficult not to see in the results of the 2004 elections, where the Republican right gained in both the White House and the Senate, proof of Vidal's worse fears, namely that the impact of imperial adventure, big money and

religious moralism would increasingly imperil the American Republic."

Sites of Desire/Economies of Pleasure NYU Press

A selection of 44 papers out of the 163 presented at the Translation Studies Congress, which was held in celebration of the 50th anniversary of the Institut für Dolmetscher und Übersetzer Ausbildung in Vienna, shows how translation studies is moving away from purely linguistic analysis into LSP, psychology, cognition, and cultural orientations. The volume is divided into sections reflecting the focal subject areas at the Congress: Translation, history and culture; Interpreting theory and training; Terminology and special languages; Teaching and training in translation. Also included are papers from a special workshop including interdisciplinary research projects from Vienna. Of the articles, 25 are written in English, 16 in German, and 3 in French.

The Tao of Islam Penguin Random House India Private Limited

A vivid ethnography of the global and transnational dimensions of gay identity as lived by Filipino immigrants in New York

City, Global Divas challenges beliefs about the progressive development of a gay world and the eventual assimilation of all queer folks into gay modernity. Insisting that gay identity is not teleological but fraught with fissures, Martin Manalansan IV describes how Filipino gay immigrants, like many queers of color, are creating alternative paths to queer modernity and citizenship. He makes a compelling argument for the significance of diaspora and immigration as sites for investigating the complexities of gender, race, and sexuality. Manalansan locates diasporic, transnational, and global dimensions of gay and other queer identities within a framework of quotidian struggles ranging from everyday domesticity to public engagements with racialized and gendered images to life-threatening situations involving AIDS. He reveals the gritty, mundane, and often contradictory deeds and utterances of Filipino gay men as key elements of queer globalization and transnationalism. Through careful and sensitive analysis of these men's lives and rituals, he

demonstrates that transnational gay identity is not merely a consumable product or lifestyle, but rather a pivotal element in the multiple, shifting relationships that queer

immigrants of color mobilize as they confront the tribulations of a changing world.
