Summit Publishing Company Inc.

If you have ever pondered the mystery of Astral Projection, Astrology & Out-of-Body-Experiences & wondered if they are real then continue reading... The study of Astrology goes back thousands

of years. Our ancient ancestors looked to the sky for many of their answers. Throughout most of its history, astrology was considered a scholarly tradition and was common in academic circles, often in close relation with astronomy, alchemy, meteorology, and medicine. Taking a look at the science, the facts and the speculation behind both the near-death experience and the concept of Astral Projection, this book will provide you with a solid introduction to the experience of traveling beyond your own physical reality. The book also covers the basic principles behind Astral Projection including everything you need to know to begin exploring the phenomenon for yourself. Using tried and tested methods, the book looks at how to prepare yourself to project beyond your

own physical body, what to expect when you do and how take the first steps in order to achieve your first out-of-body experience. The keys to understanding astrology is by their groupings into elements, qualities, ruling planets and more. This book contains information on each of the traditional Western signs of the Zodiac. In a full new examination of the traditional Zodiac, this book looks at the popular interpretations of the signs and symbols it contains. In this book, you will discover the realities and benefits of Astral Travel along with a look at the dangers involved (and also how to deal with them). The information in the book is presented in a simple, easy to understand format and the exercises included in the book are designed to be easy for the beginner to

both understand and put into practice. Inside the Book you'll also get: Zodiac Controversies Astrology In The Eyes Of Our Ancestors Astrological Charts And Their Significance Explanation Of Each Of The 12 Western Zodiac Signs Love And Relationship Profiles Of Each Zodiac Sign Personality And Compatibility Profiles Of Each Zodiac Sign Ideal Careers For the 12 Zodiac Signs Explore the symbolism, both ancient and modern The Facts, the Fiction and the Science behind Astral Travel The Basic "Rules" and Techniques of Astral Projection The Realities and Benefits of Astral Projection The Dangers of Astral Projection - And How to Protect Yourself And much, much more... The book also places them in context with their ancient meanings. While some astrological signs are easy

to interpret, others have deeper meanings and associations now overlooked in the modern world. It's a journey through the fascinating human traits that the Zodiac provides a reference for and, like all exciting journeys, may contain a few surprises. Also containing an introduction examining why the sky (and what was going on up there) was so important to our ancestors, this book takes a deeper look at how the influence of the stars can fashion those of us who live our lives in their shadows. Vedic Astrology is a complex subject and one needs to consider various aspects to conclude on a native's horoscope. This book is an attempt to offer the basic steps in a simplified manner to analyze the horoscope at an elementary level. It is important to understand the mythological stories for each planet, to understand the effects it has on a chart. Therefore, you will find that this book is a mix of mythology, and process towards analyzing a chart. The key takeaway of Vedic Astrology is to understand oneself and one's life path, one's strengths and weaknesses, opportunities and pitfalls and the reasons why one's life path unfolds in a certain manner.

#### **ASTROLOGY** CRCS Publications

A down-to-earth guide about the message of the stars. For astrology to be useful there's no need to have a crystal ball, incense, meditation, or faith. Learn the practical language of astrology in this clear, easy-to-understand exploration that goes way beyond daily horoscopes and zodiac. With it, the reader will be able to calculate and read their own and others' birth charts; tell signs and planets from houses; create

daily, weekly, monthly, and yearly planners- even make predictions for the future. With a glossary and further resources, this guide explores: ? Why horoscopes and descriptions of "sun signs" are usually wrong. ? Why many astrologers use the "wrong" zodiac. ? The several different houses system. ? All the planetary aspects that go beyond the sun and moon. ? The many cycles that determine an astrological forecast. Sourcebooks, Inc.

A fun and sassy no-nonsense invitation to the practice of astrology with easy-to-understand tools for self-development and conscious living Astrology books are typically either overly simplistic sun-sign books or overly complicated chart calculations filled with astro jargon. Astrology for Real Life goes beyond

simple sun-sign interpretation and at the same time cuts through the complications of horoscope analysis to make understanding your chart in depth, simple and easy. The goal is to make astrology accessible to total newbies and provide a working reference guide for intermediates. The book is presented in workbook format exploring each part of chart interpretation—signs, planets, houses, aspects—with exercises following each chapter and fill-in-the-blank lessons that take the reader through all the just-learned steps. The tone is warm, fun, and personal, and the exercises give the reader experiential hands-on practice. The end result: once you learn the basics in *Astrology for Real Life*, you can easily navigate the cosmos by making them work for you. It's kind of

like a roadmap where we begin by understanding the terrain and the tools available. From there, the planets will guide you in making brave, excellent choices in love, work, and life. It's profound, fun, and practical. You'll learn how to interpret your chart with confidence and use astrology in a practical, proactive way, with no astro excuses (blaming the stars for your issues).
