Camouflage Markings Of Messerschmitt

MeMesserschmitt Me 109K-4/R-3, Stab, III.

Gruppe, JG27, Germany,

Late 1944 This 109K

shows the brown and

green style of

camouflaging over various

undersurface colours used

by many Luftwaffe

fighters closer to the end of the war; in a way it shows graphically the reversal of fortunes since 1940 when the RAF used such colours whilst German aircraft were using shades of grey. Camouflage and markings of Messerschmitt Me 109 - IPMS ... Camouflage and Markings of the Messerschmitt Me 109 A reprint from my editorial archives is this camouflage feature by Mr Rick Kent, originally posted at the pages of

IPMS Stockholm - Ed. I believe some readers will raise their eyebrows seeing that I have captioned the most popular German fighter ever Me 109 rather than Bf 109. Camouflage and Markings of the Messerschmitt Me 109 | iModeler Messerschmitt Me 109F-4/Trop 6. Staffel, II. Gruppe, JG3 Sicily, Spring 1942. The above Me 109F-4/Trop shows a fairly typical Luftwaffe desert colour scheme and markings. The basic camouflage is of RLM79

Sandgelb on top with RLM78 Himmelblau underneath. The sides are slightly mottled with RLM80 Olivgrün. The metre wide white band on the fuselage was standard on Luftwaffe aircraft operating in North Africa, Sicily, and Italy as it matched the similar marking of the Reggia Aeronautica; on ...Camouflage & Markings of Messerschmitt Me 109Me-262's of Kommando Nowotny had a very distinctive camouflage, particularly on the vertical tail surfaces. On the Eastern front, aircraft of several units (i.e., JG 54) appeared in greens and browns as early as 1943. A good example of a "field modification" is Messerschmitt Me-163B-0 Komet (Comet) work number (Werke Nummer) V41. Interpreting Military Aircraft Camouflage from Historical ...by Rick Kent This page is a continuation of Camouflage and Markings of No. 112 Sqn RAF, Part 1. World War II: Italy Curtiss Kittyhawk Mk. III, 112 Squadron, Royal Air Force, Foggia Main, Italy, October 1943 Before going into the details of this particular 112 Sqn Kittyhawk III, it [...]Camouflage and

Markings - IPMS StockholmBy mid-August, the first uses of greys and blue-greys as an upper camouflage colour were making their appearance in these reports, appearing with increasing frequency as the battle progressed.
