MELENDEZ MASON

In My Life Bantam

This is a unique collection of cover artwork of revolutionary Jazz releases in the USA in the 1970s, a time of great political and social importance for African-American artists. Martin Luther King, Malcolm X and John Coltrane loom large as self-determination, economic power and musical freedom led to artists finding new paths both musical and economic. Away from the mainstream, many of these musicians chose to take control of their economic worth by recording, releasing and distributing their own material. Thirty years later and these artefacts are a striking reflection of the time; pre-desktop publishing, pre-internet these small-run (sometimes as low as 500 copies), self-made sleeves are as iconic and historically important as the revolution of D-I-Y culture that sprang out of Punk. Soul Jazz Records have produced many releases relating to this music and this book is the first ever collection of this amazing artwork. The book comes with a large introduction contextualising the music and artwork and relating how the music came about along with interviews with many of the people involved.

Cavern Club Soul Jazz Records

Without the determination, magnetism, vision, good manners, respectable clothes and financial security of Brian Epstein, no one would ever have heard of John, Paul, George, and Ringo. In Liverpool, in December 1961, Brian Epstein met the Beatles in his small office and signed a management deal. The rest may be history, but it's a history that Epstein created, along with a blueprint for all pop groups since. Out of the public eye, Epstein was flamboyant and charismatic. He drank, gambled compulsively and took drugs to excess. But people remember his wit, charm and capacity to inspire affection and loyalty. That's when he wasn't depressed, even suicidal. Epstein was Jewish in a society filled with anti-Semitism. He was homosexual at a time when it was a crime to be gay, and from his teenage days to the end of his life he suffered arrests, beatings and blackmail--all of which had to be kept secret. In *In My Life: The Brian Epstein Story*, Debbie Geller tells the story of Epstein's complicated life through the reminiscences of his friends and family. Based on dozens of interviews--with Paul McCartney, George Martin and Marianne Faithfull, among others--plus many of Epstein's personal diaries, this book uncovers the truth behind the enigmatic young man who unintentionally caused a cultural revolution--and in the process destroyed himself.

Folk, pop, mods, and rockers, 1960-1966 Chronicle Books

Praise for Cole Swensen: "One of the most assured voices in contemporary poetry." ---Library Journal "Engaging and delightful." ---Publishers Weekly A volume in the Poets on Poetry series, which collects critical works by contemporary poets, gathering together the articles, interviews, and book reviews by which they have articulated the poetics of a new generation. Ezra Pound famously said that literature is "news that stays news," but recent experiments in poetry and the sciences allow us to enlarge the statement to bring information theory and biology to bear on the issue---in particular, how the information theory-based model of self-organization from noise offers a way to look at

language as an art material as well as a mode of communication. This concept directs these essays on poetry by contemporary poet Cole Swensen. *Noise That Stays Noise* covers a variety of subjects relevant to contemporary poetry and will give the general reader a broad notion of the issues that inform discourse around poetry today. Space---the conceptual geometry of poetry and its concrete mise-en-page---is an underlying theme of this collection, sometimes approached directly through the work of other twentieth-century poets, sometimes more obliquely through considerations of the role of the visual arts in contemporary poetry. This question of space and the shapes it includes and acquires offers a different way to look at some familiar writers, such as Mallarmé and Olson, and a way to introduce several more recent writers who may not yet be known to the general public.

Writing With Skill, Level 1: Student Workbook Transcript Verlag

Here is the national bestseller that *Newsday* called "the most authoritative and candid look yet at the personal lives...of the oft-scrutinized group." In *The Love You Make*, Peter Brown, a close friend of and business manager for the band—and the best man at John and Yoko's wedding—presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century. Written with the full cooperation of each of the group's members and their intimates, this book tells the inside story of the music and the madness, the feuds and the drugs, the marriages and the affairs—from the greatest heights to the self-destructive depths of the Fab Four. In-depth and definitive, *The Love You Make* is an astonishing account of four men who transformed the way a whole generation of young people thought and lived. It reigns as the most comprehensive, revealing biography available of John, Paul, George, and Ringo. Includes 32 pages of rare and revealing photos A Literary Guild® Alternate Selection

The Love You Make Pearson UK

This is Part One of Volume One. This extended special edition of Mark Lewisohn's magisterial book *Tune In* is a true collector's item, featuring hundreds of thousands of words of extra material, as well as many extra photographs. It is the complete, uncut and definitive biography of the Beatles' early years, from their family backgrounds through to the moment they're on the cusp of their immense breakthrough at the end of 1962. The ebook of the extended special edition comes in two parts, mirroring the two hardbacks that make up the deluxe print edition. Each part is sold separately and this is Part One, taking the story from the very beginning to their first, famous trip to Hamburg in 1960. Readers wishing to buy the whole extended special edition of *Tune In* in ebook should be sure to buy Part One and Part Two. Mark Lewisohn's biography is the first true and accurate account of the Beatles, a contextual history built upon impeccable research and written with energy, style, objectivity and insight. This extended special edition is for anyone who wishes to own the complete story in all its stunning and extraordinary detail. This is, genuinely and without question, the lasting word from the world-acknowledged authority.

City at World's End Dark Horse Comics

Some people seem to find money so easy. Easy to make, easy to hold on to and easy to grow. The rest of us just find it easy to spend. Here's a personal code for a life of prosperity and plenty.

Three Thousand Years of Mental Healing Omnibus Press & Schirmer Trade Books

The pleasant little American city of Middletown is the first target in an atomic war - but instead of blowing Middletown to smithereens, the super-hydrogen bomb blows it right off the map - to somewhere else! First there is the new thin coldness of the air, the blazing corona and dullness of the sun, the visibility of the stars in high daylight. Then comes the inhabitant's terrifying discovery that Middletown is a twentieth-century oasis of paved streets and houses in a desolate brown world without trees, without water, apparently without life, in the unimaginably far-distant future.

A Damsel in Distress Penguin

A magical, wonderful modern classic about the destinies of Napoleon's faithful cook and the daughter of a Venetian boatman. Set during the tumultuous years of the Napoleonic Wars, *The Passion* intertwines the destinies of two remarkable people: Henri, a simple French soldier, who follows Napoleon from glory to Russian ruin; and Villanelle, the red-haired, web-footed daughter of a Venetian boatman, whose husband has gambled away her heart. In Venice's compound of carnival, chance, and darkness, the pair meets their singular destiny. In her unique and mesmerizing voice, Jeanette Winterson's “concentrated, beautifully detailed prose” (The New York Times) unfurls a “historical novel quite different from any other” (Vanity Fair). “Recalls García Márquez . . . Magical touches dance like highlights over the brilliance of this fairy tale about passion, gambling, madness, and androgynous ecstasy.” —Edmund White

The Love Affairs of a Bibliomaniac FT Press

Resonances is a compelling collection of new essays by scholars, writers and musicians, all seeking

to explore and enlighten this field of study. Noise seems to stand for a lack of aesthetic grace, to alienate or distract rather than enrapture. And yet the drones of psychedelia, the racket of garage rock and punk, the thudding of rave, the feedback of shoegaze and post-rock, the bombast of thrash and metal, the clatter of jungle and the stuttering of electronica, together with notable examples of avant-garde noise art, have all found a place in the history of contemporary musics, and are recognised as representing key evolutionary moments. Noise therefore is the untold story of contemporary popular music, and in a critical exploration of noise lies the possibility of a new narrative: one that is wide-ranging, connects the popular to the underground and avant-garde, fully posits the studio as a musical instrument, and demands new critical and theoretical paradigms of those seeking to write about music.

The House with Green Shutters University of Michigan Press

Seven years in the making, this is the complete account of the career, music and legacy of Jimi Hendrix, based entirely on first-person recollections and new, exclusive photographs and documents. Since his death in 1970 at the age of twenty-seven, Jimi Hendrix has been mythologised as a risk-taker who lost it all - and not the serious musician whose sole desire was to play and write great music. Now, authors John McDermott and Eddie Kramer (Jimi's long-time producer) set the record straight. From Jimi's Greenwich Village days to his Electric Ladybird nights, they chronicle the innovative techniques of a pioneer who painstakingly worked to perfect the sounds others couldn't even imagine, despite being modest to the point of shyness about his own singing talent. Key figures in his inner circle such as his manager Chas Chandler shed light on Jimi's whirlwind three-and-a-half year career. *Hendrix: Setting the Record Straight* is the definitive biography of a legend whose recording career transformed the essence of rock and roll.

The Rules of Wealth Peace Hill Press

A Cellarful of Noise Resonances Bloomsbury Publishing USA

Love Me Do Macmillan

This haunting debut from a brilliant new voice is sure to be as captivating as it is controversial, a shocking look at the imminent collapse of American civilization—and what will succeed it. In the aftermath of the switch from analog to digital TV, an anarchic movement known as Salvage hijacks the unused airwaves. Mixed in with the static's random noise are dire warnings of the imminent economic, political, and social collapse of civilization—and cold-blooded lessons on how to survive the fall and prosper in the harsh new order that will inevitably arise from the ashes of the old. Hiram and Levi are two young men, former Scouts and veterans of countless Dungeons & Dragons campaigns. Now, on the blood-drenched battlefields of university campuses, shopping malls, and gated communities, they will find themselves taking on new identities and new moralities as they lead a ragtag band of hackers and misfits to an all-but-mythical place called Amaranth, where a fragile future waits to be born.

Biography of an Industrial Town Spectra

Profiles John Lennon from his childhood to his death, reveals the offstage Lennon and the violence that shaped his tortured life, discusses Lennon's hidden existence with Yoko, and assesses his impact as a cultural hero

The Fifth Beatle: The Brian Epstein Story - Expanded Edition Grove/Atlantic, Inc.

The eighth book in Laura Ingalls Wilder's treasured Little House series, and the recipient of a Newbery Honor—now available as an ebook! This digital version features Garth Williams's classic illustrations, which appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Fifteen-year-old Laura lives apart from her family for the first time, teaching school in a claim shanty twelve miles from home. She is very homesick, but she knows that her earnings can help pay for her sister Mary's tuition at the college for the blind. Only one thing gets her through the lonely weeks—every weekend, Almanzo Wilder arrives at the school to take Laura home for a visit. Friendship soon turns to love for Laura and Almanzo. The nine Little House books are inspired by Laura's own childhood and have been cherished by generations of readers as both a unique glimpse into America's frontier history and as heartwarming, unforgettable stories.

Sex Pistols File Bloomsbury Publishing USA

Provides over a hundred "rules" about how to create wealth and make it grow, including saving, spending, investing, and enjoying money.

The Lives of John Lennon Hachette UK

Ian Hunter's *Diary of a Rock 'n' Roll Star* has received a litany of plaudits and been described as "an enduring crystallization of the rock musician's lot, and a quietly glorious period piece" by *The Guardian*. A brutally honest chronicle of touring life in the 1970s, and a classic of the rock writing genre, *Diary of a Rock 'n' Roll Star* remains the gold standard for rock writing. This edition includes new content from Hunter and a foreword from Johnny Depp.

Noise London, Davies

This book provides the production history and a contextual interpretation of The Beatles' movies (*A Hard Day's Night*, *Help!*, *Yellow Submarine*, *Let It Be*) and describes their ability to project the group's image at different stages in their career. It also includes a discussion of all of The Beatles' promotional films and videos, as well as their television cartoon series and the self-produced television special *Magical Mystery Tour*. Along with The Beatles' feature movies and promos, this analysis also contains documentaries, such as *The Compleat Beatles* and *Anthology*, as well as dramatizations of the band's history, such as *Backbeat*, *The Hours and Times*, and *Two of Us*.

Sweet Danger Springer

Traditional principles. Contemporary methods. Unparalleled results.
