Changes One World

The heart will ache, the soul will feel weary, and the mind will be weighed down by the things you wish to forget. There will be nights when all you have is yourself and the moon. There will be nights when silence will exist in abundance. And even though you may feel lonely at first. You must understand that the solitude is a gift; you must understand that even when alone, you are more than enough.

International phenomenon Angie Thomas revisits Garden Heights seventeen years before the events of *The Hate U Give* in this searing and poignant exploration of Black boyhood and manhood. A Printz Honor Book! If there's one thing seventeen-year-old Maverick Carter knows, it's that a real man takes care of his family. As the son of a former gang legend, Mav does that the only way he knows how: dealing for the King Lords. With this money he can help his mom, who works two jobs while his dad's in prison. Life's not perfect, but with a fly girlfriend and a cousin who always has his back, Mav's got everything under control. Until, that is, Maverick finds out he's a father. Suddenly he has a baby, Seven, who depends on him for everything. But it's not so easy to sling dope, finish school, and raise a child. So when he's offered the chance to go straight, he takes it. In a world where he's expected to amount to nothing, maybe Mav can prove he's different. When King Lord blood runs through your veins, though, you can't just walk away. Loyalty, revenge, and responsibility threaten to tear Mav apart, especially after the brutal murder of a loved one. He'll have to figure out for himself what it really means to be a man.

Tupac is the Christ! Tupac is the chosen one from God. He is the Son of God. The modern day messiah. Not many know the first official doctrine we are introducing to the world. The bible brings forth the true spiritual beliefs that all should follow. Many grew up in traditional church and have a hard time understanding the real truth. We are here to bring them the truth even though it may be

difficult to accept. You must recognize the presence of God internally. We have infinite power within us. Never doubt, believe in yourself at all times and the power of God within you will be released. You are one with the cosmic forces in the universe. The ancestors are with you and Tupac is with you at all times. Your Creator has given you the ability and the responsibility to choose and to define what you wish to be. Be whatever you want to be in righteousness. We follow the Laws of Maat and that is the foundation to all truth and knowledge. The Book of Pac is the first bible from the official Church of Pac. This book will renew your mind and help you get spiritual balance. The Bible of 2Pac is a guide to help you live and love life. Tupac provides a message of hope.

Quote of Tupac Amaru Shakur, Inspirational Notebook, Journal, Diary, Organizer, Paperback (110 Pages, Blank, 6 X 9) Plexus Publishing

Rikers Island is the centerpiece of the New York City Department of Corrections, a sprawling prison city of concrete and steel with housing for more than 16,000 inmates. Early in 1995, it was also the temporary home of legendary rapper and actor Tupac Shakur, incarcerated for a crime he swore he did not commit. And it was

there that Angela Ardis, acting on a late-night wager among her friends and coworkers, sent a letter, along with a photo and her phone number. To her utter delight and amazement, Angela's phone rang a short while later. Tupac Shakur was on the line.

Over the next several months, Angela and Tupac shared a near-daily exchange of letters, poems and phone calls, and their relationship quickly grew into something neither of them could quite define, a kinship of souls that touched each in unexpected ways. Those original poems and letters, many of them written after Tupac's transfer from Rikers to Dannemora State Prison, are presented here, along with the increasingly passionate and personal phone calls that touched on every subject imaginable.

Far from the media spotlight, Tupac was by turns playful, sensual and serious, offering sharp observations on prison, music and the

uncertainties of life. His letters to Angela reflect how he felt about being shot five times and left for dead one terrible night in New York in 1994, and his heartfelt verse encapsulates his dreams for the future--a future that would be so tragically cut short just over eighteen months after their correspondence began. Tupac Shakur was shot on September 7th, 1996 and died a week later from his injuries. His murder remains unsolved, an ending as enigmatic as his life. But while Tupac may be gone, his words live on here, giving every fan a rare glimpse inside the mind and unbroken spirit of a passionate and unpredictable musical icon. Angela Ardis is an author, screenwriter, actress and model.
