A sly, sneaky wolf and a herd of fluffy, defenseless sheep""what chance do these sheep have against this clever, vicious wolf? Well, none actually, but things are about to change. Someone has come to care for and even give his life to protect these sheep from the wolf""a good shepherd. But the wolf is not finished yet. He has a sneaky plan to get his sheep dinner. His plan will make him blend right in, so he thinks. Will it work, or will the wolf be sadly disappointed? This book, although fun and a bit silly, depicts the love Jesus Christ has for us. The Bible tells of how Jesus is the Good Shepherd (John 10:11) and how all of us are like sheep who have gone astray. Satan, just like this wolf, is out to seek and destroy. We stand no chance against him. The ultimate goal is for this book to touch the lives of children and adults all around the world and for each reader to see that we need Jesus to be our Good Shepherd personally and to save us and guide our lives. May the Lord bless you and speak to your heart as you read this funny yet truthful story.

Two Firefighters are caught up in a psychological game of cat and mouse that would ultimately lead to murder. As they wager against each other on who can kill their prey successfully then safely return before the other to collect, they must first avoid the Detectives, Las Vegas Hit men and an annoying Co-worker that are all hot on their trails. Who is playing who remains to be seen; and who will be the big winner could be a surprise to all.

This Thing of Darkness Gareth Stevens Publishing LLLP

A retelling of Aesop's fable about a hungry, but unlucky, wolf who tries to capture a tasty lamb for dinner by disguising himself in sheep's wool.

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Brenda is a Sheep Springer

In A NATION OF SHEEP, Judge Andrew P. Napolitano frankly discusses how the federal government

has circumvented the Constitution and is systematically dismantling the rights and freedoms that are the foundation of American democracy. He challenges Americans to recognize that they are being led down a very dangerous path and that the cost of following without challenge is the loss of the basic freedoms that facilitate our pursuit of happiness and that define us as a nation. Judge Napolitano reminds readers what America is all about, that the purpose of government is to protect freedom, and freedom is the ability to follow your own free will and not the will of government bureaucrats. He asks the simple question, which are YOU, a sheep or a wolf? Do you blindly follow behind where you are led, or do you challenge the government at every pass, forcing it to make decisions that will protect our freedoms? Judge Napolitano asks the questions that no one else will, challenging readers to rethink why they are blindly following a government that has only its own interests in mind. He asks: Why is the government using the war on terror as an excuse to sidestep the Constitution? Why are Americans not challenging and questioning the government as it continues to limit more and more of our freedoms? What part of "Congress shall make no law..." does the government not understand when it criminalizes speech? Whatever happened to our inalienable rights to life, liberty, and the pursuit of happiness that are proclaimed in the Declaration of Independence, guaranteed by the Constitution, yet ignored by the governments elected to protect them? Why does every public office holder swear allegiance to the Constitution, yet very few follow it? Don't we have rights that are guaranteed and cannot be taken from us?

A wolf and a sheep fall in love. They have a son that they call Woolf - he's half wolf, half woolly sheep! This is Woolf's story. It's not easy being different - not quite fitting in with one group or another. When Woolf tries to impress the wolves, he finds it fun for a while, but they're a bit too wild. When when he tries to follow the sheep, he finds it all a bit, well, boring. Can Woolf find his own way in life and make his own friends that like him for who he is, not who he's trying to be?

"The chemistry between these characters is downright palpable." —USA TODAY on *The Wolf at the Door* Agent Cooper Dayton and his partner, Oliver Park, are going undercover—at a retreat for couples who need counseling. They do say the best cover story is one that's close to the truth... Agent Cooper Dayton is almost relieved to get a phone call from his former boss at the Bureau of Special Investigations. It means a temporary reprieve from tensions created by house hunting with Oliver Park, his partner both in work and in life. Living together in a forever home is exactly what Cooper wants. He's just not keen on working out the details. With a former alpha werewolf missing, Cooper and Park are loaned to the BSI to conduct the search at a secluded mountain retreat. The agents will travel to the resort undercover...as a couple in need of counseling. The resort is picturesque, the grounds are stunning and the staff members are all suspicious as hell. With a long

list of suspects and danger lurking around every cabin, Cooper should be focusing on the case. But he's always been anxious about the power dynamics in his relationship with Park, and participating in the couples' activities at the retreat brings it all to the surface. A storm is brewing, though, and Cooper and Park must rush to solve the case before the weather turns. Or before any more guests—or the agents themselves—end up dead. "Hollywood, 1956. Journalist and war widow Evangeline Kilhooley is assigned to write a star profile of the fading actor Bela Lugosi, made famous by his role as Count Dracula. During a series of interviews, Lugosi draws Evi into his curious Eastern European background, gradually revealing the link between Old World shadows and the twilight realm of modern horror films. Along the way, Evi meets another English expatriate, Hugo Radelle, a movie buff who offers to help with her research. As their relationship deepens, Evi begins to suspect that he knows more about her and her soldier

husband than he is letting on. Meanwhile, a menacing Darkness stalks all three characters as their histories and destinies mysteriously begin to intertwine."--Provided by publisher.

When faced with danger you must DO something. The teacher at the Ant Hill School wants her students to be prepared - for everything! One day, she teaches her students what to do if a "dangerous someone" is in their school. "I'll be your shepherd, and you're all my sheep, so you must do what I say. Pretend there's a wolf in our building, and we MUST stay out of his way!" "We need a great plan of action in case we start to get scared. The ALICE Plan will work the best, to help us be prepared." Unfortunately, in the world we now live in, we must ask the essential question: What are the options for survival if we find ourselves in a violent intruder event? I'm Not Scared...I'm Prepared! will enhance the ALICE concepts and make them applicable to children of all ages in a non-fearful way. By using this book, children can develop a better understanding of what needs to be done if they ever encounter a "dangerous someone."

"This country's leading hell-raiser" (The Nation) shares his impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." First published in 1971 and written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.
