Stephanie is introduced to the world of dragon shifters and she finds herself falling for both Tristan and Micah. Can Stephanie ever have both men, especially as she is supposed to marry one of them? Will she get to express her passion for both Tristan and Micah? Son of the Dragon King - Dragon Shifter Romance Striving scientist Jen is brokenhearted. The shock of that was diminished when she discovered she had found the lost valley of riches she was looking for. She discovered the valley was filled with ancient mythical creatures as well as riches beyond any possible description. Completely hidden from the outside world! Everything was there for the taking, except it was guarded by the dragon shifter who had saved her and attracted her. Sapphira was not going to let that stand in her way. She

was a woman who would take what she desired. But leaving may not be as easy as she might wish when her own desires come forth to beguile her. *** A Standalone Short Story with No Cliffhanger! *** Stacie Simmons has been dreaming of flying. For months she has dreamt of soaring through the clouds, looking down on America. The dreams are so vivid she often thinks they are real, more real than her life as a call-center worker, more real than her mundane life where not much happens. Then Joshua Mathewson and a man named after a Viking, Ragnar, come into her life. They tell her she is a half-scale and they are here to assist her through the transformation. They are hot, muscled, sexy men, and Stacie is intrigued in spite of herself. Her mind tells her to report these strange men, but her body screams out for them. But the dreams sometimes end horribly, with Stacie falling to the earth. And a man at her work, Michael, has begun to stalk her. Through it all, Stacie just hopes one thing; that she can get through the sexy, mysterious men, the crazy co-worker, and the psychotic dreams in one piece.

The Dragon's Compliant Sacrifice Deborah A. Cooke

The man I've been having nightly dreams about isn't exactly the man of my dreams. Okay, so maybe he's dangerously handsome in a dark, intense way. And given that I'm hardly the beauty to his beast, I guess I shouldn't be judging. I mean that literally, by the way. The beast part. At least I think dragons are considered beasts. Seeing as how I never knew dragons actually existed, let alone shifted into human form, I'm definitely not an expert. Even despite been psychically connected to him for months now. The only thing I really know about him is that his wealth gives a whole new meaning to old money. He's amassed an unimaginable fortune over the course of a millennium, all while searching for the one unattainable thing he wants most of all—a mate. It's hard enough for me to wrap my brain around a mortal as a dragon's mate. And it's even crazier still to think the hot new all-the-rage one-stop-shop online for bedroom fun times is run by said gruff and stoic dragon. But the idea of me—the plump, quiet girl with the messed-up past, minimal control of her psychic visions, and zero foreseeable future for her music—being what the determined dragon has been looking for all this time? Seriously? I'm going to need some major convincing. ... And he's more than up for that challenge. Previously published as *Curve Dreams* (c) 2015 with edits and minor revisions throughout. Dragons Do It Naughtier Deborah A. Cooke

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series and my other dragon-saturated books. By his own admission, Johan's always been one stubborn bastard. He's wedded to his freedom, and the thought of bonding with a dragon has some pretty serious

downsides. If he doesn't sign on to become magical, though, he'll be left behind—also not an acceptable outcome. Distant relatives to dragons, sea-serpents are gaining strength shockingly fast. Breeding farms spring up on distant outposts, spitting out all manner of evil. Banished eons ago by the dragon god, the serpents are making a comeback. As the dragons seek allies, they uncover still more atrocities. Katya, dragon shifter and twin to the dragons' prince, thought she wanted Johan as her mate, but he has more rough edges than she counted on. Besides, the serpent problem supersedes everything. She's used to dragons being in charge, but when a serpent almost steals her will, it's quite the wakeup call her magic isn't as potent as she always assumed. Is the age of dragons drawing to a close? If that's true, what will come next? READER PRAISE FOR THE ICE DRAGON SERIES: Two humans destined to die in the ice...two last dragon shifters on earth...throw in some sea serpents and you have yourself an intriguing read and a tail that makes your heart sing. Goodreads Review Another amazing book by Ann Gimpel. The world building in this new series is well WOW. The characters are terrific; bigger than life and not from this world. Goodreads Review I love how descriptive this story is, I think that really heightens my imagination to a point of not only becoming a part of the story but actually seeing it... like watching an action-packed movie. Goodreads Review When the humans are challenged with a life or death dilemma, this new world entices them but this fantasy isn't made for wimps. Burned: Dragon Mates 3 (Dragon Shifter Romance Series) Madelene Martin

Dive into this steamy dragon shifter romance adventure series by USA Today Bestselling author Ophelia Bell and set yourself free! For nearly a decade, Erika Rosencrans has carried on her dead father's legacy to prove that dragons exist, but it isn't only his old archaeology research that drives her. Dreams of a potently masculine, red-haired man haunt her sleep and leave her aching to know him in the flesh. She is only sure of one thing: the man of her dreams is a dragon locked in hibernation and she won't stop searching until she finds him. Red dragon Geva has lain in stasis for five centuries, petrified in the form of a man awaiting release from his stone prison. All he desires is freedom, however it arrives, and has little use for love. But when his dreams become inundated by a female whose charms baffle him, he can't believe that a human woman such as her could possibly exist, much less be the mate that Fate intended to rouse him from his slumber. When the sound of Erika's voice finally breaks through Geva's dreams, he knows without a doubt that his wait is over, and that Fate has sent him a female strong enough to crack the stone walls of his ancient heart. Animus is the first novella in the highly erotic "Sleeping Dragons" paranormal romance adventure series.
