Drama Review Of The
Play 'Bouncers' The
production we saw was
made by the Hull Truck
Theatre Company and
was played at the
Oxford New Theatre
and was called
Bouncers. This play
was written and
directed by John
godber. This play was
very naturalistic; it did
not use any props
apart from the
handbags. This made
the play more free
flowing and was no
long wait for set
changes or costume
change. The plot of the
play was to explain
what the nightlife of
the city was.GCSE
