DECKER MCCANN

Twinkle Twinkle Little Spy Penguin Classics
'This is vintage Deighton' Sunday Times
'Spy Line is vigorous and sleazy, psychologically complex and action-packed. And it is always exciting' Daily Mail Bernard Samson is a spy on the run. But in the murky streets of Berlin, he knows where to hide. Wanted for an act of treachery he has not committed, he must not only escape the grasp of London Central, but get to the bottom of a tangled

conspiracy that is about to change everything. In the thrilling penultimate instalment of the Hook, Line and Sinker trilogy, Bernard's personal and professional life collide with devastating consequences. A BERNARD SAMSON NOVEL
Violent Ward Grove Press
'Dazzlingly intelligent and subtle' Sunday Times 'Worth of Raymond Chandler ... intelligent, inventive, constantly entertaining' Sunday Telegraph Texan billionaire General Midwinter will stop at nothing to bring down the USSR - even if it puts the whole world at risk. The fourth

and final novel featuring the cynical, insolent narrator of The IPCRESS File sees him sent from his shabby Soho office to bone-freezing Helsinki in order to penetrate Midwinter's vast anti-Communist network - and stop a deadly virus from wiping out the planet.

Showtime! HarperCollins

With the Cold War drawing to a close, Bernard finds that office life can be just as perilous as field operations and that it's time to consider a new future. The final book in the series that began with Berlin Game.

Spectres in the Smoke Alfred a Knopf

Incorporated

A Soviet space scientist defects to win academic freedom, but western intelligence has other plans for him, and sends an unnamed spy - perhaps the same reluctant hero of *The Ipcress File* - to look after him. But what follows is a blood-streaked trail across three continents...

Winter HarperCollins UK

A riveting history of the Nazi conquest of Western Europe This is the story of the Nazi conquest of western Europe, from Hitler's rise to power and 'lightning-fast war', to his fatal mistake in halting the German advance on Dunkirk in 1940. Drawing on technical mastery and interviews with both Allied and German participants, Blitzkrieg sets out the technical thinking behind the attack and the weapons that made it possible. It is a compelling, detailed account of Europe's darkest hour.

The Drowned World: A Novel (50th Anniversary Edition) HarperCollins UK
Len Deighton's third novel has become a classic, as compelling and suspenseful now as when it first exploded on to the bestseller lists. In Berlin, where neither side of the wall is safe, Colonel Stok of Red

Army Security is prepared to sell an important Russian scientist to the West - for a price. British intelligence are willing to pay, providing their own top secret agent is in Berlin to act as go-between. But it soon becomes apparent that behind the facade of an elaborate mock funeral lies a game of deadly manoeuvres and ruthless tactics. A game in which the blood-stained legacy of Nazi Germany is enmeshed in the intricate moves of cold war espionage

Description: Movie Press Kits.

The Harry Palmer Quartet HarperCollins UK

Sinister rumours link clandestine Arab arms dealing with the man who led the old anti-Nazi Guernica network. Time to reopen the master file on yesterday's spy...

Yesterday's Spy Vintage

"A stunning spy story... incomparable." - *The Guardian* It's 1979, and a group of former SS officers are devising a plan to seize power in West Germany. XPD is a brilliant novel constructed around a

supposition that Churchill secretly met with Hitler in 1940 to discuss terms of a British surrender. British agent Boyd Stuart is intent on preventing those wartime documents from becoming public. XPD - short for "expedient demise," the code used by the Secret Intelligence Service to refer to the assassinations it carries out - is another stunning novel from Len Deighton.

SS-GB HarperCollins UK

Bernard Samson returns to Berlin in the first novel in the classic spy trilogy, FAITH, HOPE and CHARITY

Horse Under Water Macmillan + ORM

A ferociously cool Cold War thriller from the author of *The Ipcress File*. Len Deighton's third novel has become a classic, as compelling and suspenseful now as when it first exploded on to the bestseller lists. In Berlin, where neither side of the wall is safe, Colonel Stok of Red Army Security is prepared to sell an important Russian scientist to the West - for a price. British intelligence are willing to pay, providing their own top secret agent is in Berlin to act as go-between. But it soon becomes apparent that behind the facade of an elaborate mock funeral

lies a game of deadly manoeuvres and ruthless tactics. A game in which the blood-stained legacy of Nazi Germany is enmeshed in the intricate moves of cold war espionage...

Funeral in Berlin Grove Press

From one of the most powerful and original talents in science fiction comes the story of a new world--a strange world where solar radiation fluctuations have melted the polar ice caps, flooding the land and raising the temperature of the atmosphere.

Blitzkrieg Grove Press

'Masterly ... dazzlingly intelligent and subtle' Sunday Times 'Deighton's best novel to date - sharp, witty and sour, like Raymond Chandler adapted to British gloom and the multiple betrayals of the spy' Observer Embattled agent Bernard Samson is used to being passed over for promotion as his younger, more ambitious colleagues - including his own wife Fiona - rise up the ranks of MI6. When a valued agent in East Berlin warns the British of a mole at the heart of the Service, Samson must return to the field and the city he loves to uncover the traitor's identity. This is the first novel in Len Deighton's

acclaimed, Game, Set and Match trilogy. A BERNARD SAMSON NOVEL

The Len Deighton Companion Penguin UK

The first four 'Secret Files' from the master of fictional espionage, Len Deighton, containing the international exploits of Britain's uber-cool sixties spy, Harry Palmer, together in one e-bundle for the first time.

Winter: the Tragic Story of a Berlin Family, 1899-1945 HarperCollins UK

If America is a lunatic asylum, then California is the Violent Ward.

Winter: A Berlin Family, 1899-1945 HarperPerennial

'The poet of the spy story' Sunday Times A sunken U-Boat has lain undisturbed on the Atlantic ocean floor since the Second World War - until now. Inside its rusting hull, among the corpses of top-rank Nazis, lie secrets people will kill to obtain. The sequel to Len Deighton's game-changing debut *The IPCRESS File*, *Horse Under Water* sees its nameless, laconic narrator sent from fogbound London to the Algarve, where he must dive through layers of deceit in a place rotten with betrayals.

Fighter HarperCollins UK

'Every page of Deighton's work glows with the excitement of discovery ... wonderful' Geoff Dyer, Guardian This unflinching history of the darkest days of the Second World War covers the entire world stage, from the Battle of the Atlantic to Pearl Harbor. Rooted in the personal accounts of the soldiers themselves, *Blood, Tears and Folly* is a sweeping, moving account of the political machinations, the strategy and tactics, the weapons and the men on both sides who created a world of devastation. 'If he had never written a word of fiction Deighton would still be remembered for his scholarly and merciless history of the Second World War, *Blood, Tears and Folly*' Peter Millar, The Times

Funeral in Berlin W. W. Norton & Company Charming, engaging, and surprisingly forthright, Michael Caine gives us his insider's view of Hollywood and the story of his brilliant second act When he was in his late fifties, Michael Caine believed his glamorous, rags-to-riches Hollywood career had come to an end. The scripts being sent his way were worse and worse. When one script really disappointed, he called the producer to complain about the part. The producer said, "No, no, we don't

want you for the lover, we want you for the father." Salvation came in the unlikely form of his old friend Jack Nicholson, who convinced him to give acting one more shot. What followed was not only an incredible personal transformation but also one of the most radical comebacks in film history. Learning to accept his new role both on camera and in his own life, Caine went on to win his second Oscar, be

knighted by the queen, and deliver some of his best performances to date. Now he shares the spectacular story of his life, from his humble upbringing in London's poverty-stricken Elephant and Castle, his military service, touching marriage and family life, and lively adventures with friends, to legendary meetings with fellow stars, forays as a restaurateur, and hilarious off-screen encounters from his

glittering five-decade career. Caine's *The Elephant to Hollywood* brings his gift for storytelling and his insider's view to a tale that is funny, warm, and deeply honest.

Winter Grove Press

In austere, post-World War II England, Jethro the cat burglar must again take on the mantle of spy for MI5 as he attempts to prevent a plot to undermine Britain's new Labour Government.
