**What If You're Wrong?** HarperCollins Christian Publishing  
Almost everyone has heard of the Golden Rule. Nearly everyone can quote it reasonably well. However, there are significant pieces of inspiring information, sent directly from our Savior Jesus Christ, still waiting to be uncovered with his words. Thus the review of the Golden Rule is an appropriate place to begin our scriptural chase of discovery. The second subject discussed is truth. We are each deeply immersed in our own search for truth. Identifying truth and then applying it in our lives are two essential ingredients in our efforts to find happiness and purpose for our daily experiences. The third chapter presents discovery of the second Golden Rule. Here we encounter an unusual principle and its direct connection within the Gospel of Jesus Christ. The remaining chapters explore several practical applications of the second Golden Rule. Jesus used parables to illustrate gospel principles. I have peppered within these pages several of my own stories, with the intent that they might serve a similar purpose, including the Picture Puzzle Principle and the Parable of the Lifeboat, the Lincoln Log Lesson, and my story of Spies and Triangulation. This project has haunted my waking moments for over seven years. My purpose is to share my own witness of Jesus Christ. It is my hope that these stories may bless your life and bring joy, knowing that one more soul has been saved.

Humans have been chasing immortality since the beginning of history, seeking answers to sickness and aging, death and the afterlife, and questioning the human condition. Analyzing ideas from ancient Sumer, Egypt, Greece and India, as well as the Abrahamic religions of Judaism, Christianity and Islam, this study explores how early religious models influenced later beliefs about immortality, the afterlife, the human soul, resurrection, and reward and punishment. The author highlights shared teachings among the most influential religions and philosophies, concluding that humankind has not substantially changed its conceptions of

immortality in 6,000 years. This continuity of belief may be due to chromosomal memory and cultural inheritance, or may represent a fundamental way of conceptualizing the afterlife to cope with mortality. Instructors considering this book for use in a course may request an examination copy here.

**Order My Steps...** WestBow Press

For more than twenty years, the Christian Writers' Market Guide has offered indispensable help to Christian writers. The 2006 edition includes up-to-date listings of over twelve hundred markets for books, articles, stories, poetry, greeting cards, and more, including information on forty new book publishers, eighty-three new periodicals, and thirty-four new literary agents.

*What Remains* WestBow Press

What happened today in history, and exactly what does it have to do with God's story and scripture? Each day is an opportunity to experience God, but how often do we think about mundane historical events being connected to God? How can we reveal His fingerprints in these events, leading to a greater appreciation for history, which is really His story? With a foreword by Pastor Steven Brumeloe, you are invited to join this quirky and fun daily journey through time encouraging you to view historical events and scripture in a brand new way. It serves up a daily reminder to expect the unexpected, awakening readers to the world around them and how God can be found anywhere and everywhere throughout history!

**Christian Writers' Market Guide 2007** Redemption Press

This poetry book is a true labor of blood sweat and tears. It came about when two childhood friends were reunited as adults at a very hard time in their lives. They found they shared the bond, not only of friendship but also the love of words. A way they found to express their innermost feelings dealing with their struggles. This led them to create a book of poetry to share their journey. A friend, also from school offered to share some of his beautiful black-and-white photos to give their words life. So laugh, cry, love and learn and enjoy their words. Come share their lives.

*Focus in Action Is Great Leadership* WestBow Press

Thomas tries to fight wars on two different worlds, one in which a virus threatens to wipe out all life and the other in which a

forbidden love can destroy the Circle.

**"I Am" Still Here!** WestBow Press

Through the generous use of personal anecdotes and the perspective of a historian, Round Trip to Rome: the Travelogue of a Returning Catholic recounts the story of one scholar's twenty-year journey through Protestantism before returning to Roman Catholicism.

*Called to Hope:* McFarland

One of the biggest mysteries in Christianity is the meaning of the number 666. It refers to man and the beast. But how? And who gave it that meaning? In her book, The Revelation of 666 Man and Image, author Leticia "Lee" Verdin reveals the ultimate image created by man. There is no other image that can surpass 666 as 666 was made in the image of man, who was made in the image of God. Created in the image of God, 666 can choose to mirror the Creator in deed, but the man-created image was set up in honor of the beast. Man can choose to worship and serve God or to worship and serve the beast. It's a spiritual matter of life or death. In the insightful and thought-provoking The Revelation of 666 Man and Image, Verdin details the importance of knowing more about the relationship between God and Satan. You will also learn how Satan uses his wiles to corrupt us and take our souls. Knowledge can provide the tools necessary to defeating the beast.

The Best Guess examines different subjects and genres of thought that people struggle with when considering Christianity. In The Best Guess, Sam Wittke begs us to consider the trustworthiness of the Christian paradigm without simply proclaiming he has all the answers. Instead he challenges us to question and think through the obstacles of the faith in a fun, thoughtful and engaging way.

**A Guide to Popular Reading Interests** WestBow Press

Pythagoras, a famous Greek scholar, mathematician, and philosopher, formulated a proof for a theorem that is named for him—the Pythagorean theorem. This theorem states that in any right triangle, the square of the hypotenuse is equal to the sum of the squares of the other two sides. The Pythagorean theorem for right-angled triangles likely was known long before the time of

Pythagoras. It was probably used by the ancient Egyptians to construct the pyramids. The theorem is quite believable without rigorous proof to anyone willing to expend a modest effort in some experimentation. One method is to draw a number of right-angled triangles in as wide a variety as practicable and measure all of the sides. It will be determined that, for each triangle drawn, the square of the length of the side opposite the right angle is about equal to the sum of the lengths of the squares of the other two sides. Another method requires the availability of a balance. For this more interesting experiment, construct a right-angled triangle and a square on each side using a piece of sheet metal or cardboard. Then cut out the three squares and weigh them on the balance. The square on the hypotenuse should balance the other two. Contained within this book are some rigorous proofs and some interesting perspectives regarding right angles and right-angled triangles. Doubtless, this theorem is one of the most useful concepts in mathematics.

#### Obsessed ABC-CLIO

The Day I Met Walt is based on a true story about a four-year-old little girl named Aleesa who got in trouble for not telling the truth but learned a life-changing lesson from that one mistake. She immediately went to Jesus for comfort. And not only did he comfort, he forgave and continues to show his love and remarkable grace. Through this lesson of repentance, God gave her a gift and a new family friend and restored hope and joy in the heart of a burdened soul. By empowering Aleesa to write this book, Jesus is continuing to bless many others through the retelling of this simple but remarkable story! May your heart be joyous in the Lord today and every day as you experience the power of his love!

#### The Essential Reference Tool for the Christian Writer WestBow Press

The gold standard for readers' advisory, this book represents an essential resource for LIS students and practicing librarians who want to better understand readers, reading interests, and fiction and nonfiction genres.

#### The Best Guess WestBow Press

Time Is Running Out In Two Realities. In one world, a lethal virus threatens to destroy all life as scientists and governments scramble to find an antidote. In the other, a forbidden love could forever destroy the ragtag resistance known as The Circle.

Thomas can bridge both worlds, but he is quickly realizing that he may not be able to save either. In this mind-bending adventure, Thomas must find a way to rewrite history as he navigates a whirlwind of emotions and events surrounding a pending apocalypse. The fate of two worlds comes down to one man's choice--and it is a most unlikely choice indeed. Life. Death. Love. Nothing is as it seems. Yet all will forever be transformed by the decisions of one man in the final hours of the Great Pursuit.

#### **In the Wilderness** Thomas Nelson

Looking for a leadership development model for the millennial generation designed to build them into leaders and professionals ready to address 21st century challenges? It's in your hands! Through the Johnson White Leadership Model (JWLM) this book combines leadership development AND professional development AND shares the secrets to executive level leadership all with a focus on social conscience driven by faith, ethics, and diversity. Articulated as "FOCUS + ACTION = Great Leadership," the JWLM concisely outlines the intrapersonal, interpersonal, and leadership skills that result in the betterment of individuals, groups, organizations, and society as a whole. The JWLM is inspired by the work of Morehouse College sixth president, Dr. Benjamin E. Mays, mentor to Dr. Martin Luther King Jr. Dr. Mays said, ".we are all called by God to human betterment and enrichment. If we fail on those scores, we disappoint God, break his heart, and make Him cry."

#### *Once Saved, Always Saved* WaterBrook Press

Two stranded couples find shelter in an inn but find themselves trapped in a game with rules setting up a life-or-death situation.

#### **Life After Hope** WestBow Press

Living in Los Angeles in the early 1970s, real-estate dealer Stephen Friedman becomes hungry for answers after he discovers a deceased woman's papers that indicate she owned a priceless religious relic, and that she may have been his mother.

#### Round Trip to Rome AuthorHouse

A spiritual travelogue through one of the darkest valleys of parenthood, this book is about a young father's journey of experiencing the unexpected loss of his daughter. Born prematurely, Eleni Hope developed a chronic lung disease that left her with no chance at survival. Through the pangs of grief, unanswered questions, and shattered dreams, the father struggles to find meaning in the tragic circumstances of his

daughter's life. Refusing to settle for a life with no Hope, he and his wife discover a new kind of reality— Life After Hope "Once in a while there is a book that appeals to both our thoughts and emotions. With a great deal of sensitivity, the author has opened his heart and mind in order to assist other individuals. Anyone who has been in similar circumstances will greatly appreciate the author's transparency in the hopes that it will touch the lives of others. His is a highly recommended book." —DR. H. NORMAN WRIGHT, trauma counsellor, author of Experiencing Grief "... a beautiful memoir about the experience of having a child die... parents who have experienced the death of a child—in whatever form that may be—will find comfort, understanding, and companionship in this transparent expression." —CAMERON COLE, chairman of Rooted Ministry, author of Therefore, I Have Hope

#### **The Story of Sarah Koeppen, Founder of the Hope Box, Inc.** Tyndale House Publishers, Inc.

"Why don't you believe in God?" A simple question, but one for which I didn't have a good answer. I was confident in what I believed; I just didn't know how I'd arrived at that conclusion. Turns out the "how" is what led me off track. I've had hundreds of conversations with people just like me who are on a journey to find the truth. Most people have the same fundamental questions that keep them from faith: Why do bad things happen to good people? How accurate is the Bible? What about evolution? This book tackles those questions and poses new ones, starting with the title: What if you're wrong? Get ready to laugh as we walk through what it looks like to go from a non-believer to a devout follower of Christ.

#### FRIENDSHIP FULL CIRCLE WestBow Press

You might be just starting along your path of faith, or possibly you've been a Christian for many years. Filled with clear information and easy-to-use question and answer exercises, "Scriptures That Jump" is designed to be the perfect discipleship manual for all believers, and can be used alone or in a group setting. No matter what your circumstances, you'll find the guidelines in this book to be a wellspring of understanding, encouragement, and hope. And you'll discover a renewed, life-giving relationship with the Lord of the universe. So, read "Scriptures That Jump"...and come away with a deeper awareness of who God is—and who you are in Him.
