 Would you like to discover how to speak, write & understand Italian in fast? Learning Italian is one of the most rewarding endeavors you can embark on. When you learn a new language, you open up a door to a brand-new world where new adventures and friendships await! Among US colleges, the enrolment rate for Italian classes is growing 20% faster than for any other language in the world! By learning Italian, you will be able to communicate with family and friends who speak the language, increase your chances of living and working in Italy, and have more authentic and immersive Italian experiences! PICTURE THIS -- It's almost night time in Rome, and you're all by your lonesome sitting in a restaurant with a great view of the Colosseum, with its worn-down charm and Old World splendor, framed by the setting sun and littered with remnants of a bygone age. You're breathing in the wonder and beauty as you're reaching for what remains of your red wine, when a stranger interrupt your solitude. You're annoyed now. You look up to protest the intrusion, but instead lose yourself in two glittering marble-like eyes, saturated with the most beautiful shade of blue. You proceed to introduce yourself in English, but... ALAS! The stranger only speaks Italian! You sit in despair as you watch your fairy tale-ending walk away into the distance, approaching another person who can speak the language. That's one sad story you wouldn't want to happen to you! And it doesn't have to... if you GET THIS BOOK! John Alfort wrote Italian Short Stories for Beginners - complete with 25 basic Italian short stories and comprehension exercises - so that people like you don't keep missing out on the best things in life! Here's what you'll get if you buy this book today: Expert tips on how to learn Italian quickly and effectively 25 Italian short stories, along with their English translations side by side to learn as you read Tons of comprehension exercises for a more interactive experience and to increase your chances of absorbing the lessons 50 of the most commonly used Italian words in every story, along with their translations Tips on how to continue learning Italian after reading the book, and an EXCLUSIVE invitation to the author's Facebook group to boost immersion and foster connections And much, much more! What sets this book apart from others that also teach Italian is that...every single one of the short stories are crafted with specific teaching goals in mind. For every story, you will be able to focus on one topic, whether it be

verbs, adjectives, nouns, pronouns, or numbers... and a whole lot more! Scroll up and Click on "Buy Now with 1-Click" and Learn Italian The Fast and Easy Way Today!
Easy Spanish Short Novels for Beginners: With 60+ Exercises & 200-word Vocabulary Audiolego
 Teaching English reading comprehension in classroom generally is conducted through giving a reading text and doing some exercises in written form. Actually, it is less effective in the era of oral language. For learners, without knowing the theory of Reading, and strategy make them have to spend much time to read and comprehend a reading text. Comprehending a reading text is not as easy as we thought. Still, some problems occur, for example vocabulary and grammar. Knowing the weakness of learners' ability in English language skills, this reading book is designed integrated to other subjects, they are; speaking, pronunciation, grammar and vocabulary which can be seen in its exercises and implementation. This book also can be used as self study learning because it provides theory, and evaluation in reading. Besides that, there is answer key at the back of the book which gives answer or possible answers to some exercises. Glossary is also included with its phonetics description for improving learners' pronunciation and finding an explanation of certain words used in this book. So, it is really useful for all learners, included college students, teachers and lecturers who want to deepen their knowledge in Reading. I do believe that this book will give some beneficial impacts to college students, teachers and lecturers or anyone who interested in reading matters. For college students, it can broaden their knowledge about some text types or genre and strategy or techniques in comprehending a reading text faster. Besides that, it can make college students be independents, effective, and efficient learners as self regulated learner. For English teachers, and lecturers, it will make them realize that teaching reading can be implemented integrated to other subjects and have stronger impacts in improving learners' language skills.

Comprehension Exercises Createspace Independent Publishing Platform

The book consists of Elementary and Pre-intermediate courses with parallel Finnish-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

New and Updated for 2012-2013 -The increased difficulty will prepare students for the more rigorous End-of-Grade Reading Comprehension test. -The wider range of exercises will challenge students and help students master reading comprehension skills. -The core skills exercises will develop the reading, writing, and language skills described in the Common Core State Standards. About the Book This workbook is designed to develop the skills that students need to succeed on North Carolina's End-of-Grade Reading Comprehension test. It offers a simple system for ongoing practice that will help students develop the reading comprehension skills that all North Carolina students need. Each set in the workbook includes reading comprehension questions, plus a core skills exercise focused on one key reading, writing, or language skill. The 40 sets in the book allow students to gradually develop the key skills they will need, while building confidence and reducing test anxiety. Students will be prepared and ready for the North Carolina EOG Reading Comprehension test! Key Features -40 reading mini-tests to make test preparation simple - Short passages and question sets allow for easy 20-minute practice sessions -Easily integrates with student learning throughout the year -Covers the same skills tested on the state test -Includes exercises focused on developing the reading, writing, and language skills described in the Common Core State Standards -Includes additional information and teaching notes on the key reading skills that North Carolina students need to master About the Common Core Standards The state of North Carolina has adopted the Common Core State Standards. These standards describe what students are expected to learn. Student learning is based on these standards throughout the year, and the state test includes questions that assess whether students have the skills described in the standards. This workbook has been expanded to include core skills exercises focused on the reading, writing, and

language skills described in the Common Core State Standards. The exercises have a range of formats and are designed to challenge students. As students gain the reading comprehension skills that will assist them on the state test, they will also develop these broader skills that will help them in all areas.

Easiest Way to Read Faster What makes this book different? Real Results! The practice text in these fun-to-read exercises, is formatted into short, meaningful phrases to make it EASY to start reading faster right away. Whether for school, work, or pleasure; if you want to learn to read faster, you need an effective system. Speed Reading Made Simple (formally Easy Speed Reading), is a simple and logical technique that will change the way you read; from slowly reading word-by-word, to rapidly reading whole phrases at a time. Begin Speed Reading Immediately. Practice reading faster immediately while you enjoy 12 fun and interesting excerpts of contemporary fiction, each displayed in a unique phrase-highlighted format that gives you an easy short-cut to faster reading. These exercises will show you how to maintain sharper focus and stronger concentration, and will launch your reading and comprehension to a higher level. Improve Your Reading Speed, Comprehension, and Retention. Find the truth about speed reading, comprehension and retention. Discover the power of reading whole ideas at a time, and how the usual word-by-word reading slows you down and even limits your comprehension. In these 12 chapters, you'll learn: Why you

should concentrate on larger ideas Why you should focus on comprehension before speed What the best strategies are to stop sub-vocalization and regression How to read whole ideas instead of just words and sounds How to comprehend faster and become a true speed reader The Easiest and Quickest Way to Learn to Read Faster and Improve Comprehension Speed Reading Simplified for Busy People Effective strategies that you'll learn: How to focus your attention The importance of visualizing Techniques for deeper understanding How to strengthen your concentration Unique Format Makes Faster Reading Automatic As you practice with these 12 entertaining excerpts, you'll quickly learn the most important skill to speeding through any text, while also keeping a firm connection with the material; and that is the ability to concentrate on whole ideas rather than words. This is the secret weapon that can propel you into the top 1% of readers. There are hundreds of books out there on speed reading. It's time to try something that works! Try It Today and Don't Miss This Life-Changing Opportunity.

Proficiency in Listening and Reading Comprehension Zephyros Press

NEW READING WORKBOOK WITH 60+ FUN DRILLS AND 200-WORD VOCABULARY! FUN AND EASY TO READ, this didactic workbook in easy Spanish is based on THE LITTLE PRINCE by the French author Antoine de Saint Exupery (1900-1944), translated, edited and simplified to ease reading practice and comprehension using simple wording, brief sentences, moderate vocabulary and entertaining exercises! Especially written in simple, easy Spanish for experienced beginning and low-intermediate students, each chapter is followed by a glossary of Spanish words and expressions and their respective English translations, as well as by fun and simple exercises especially designed to increase the students reading skills, comprehension and vocabulary based on the understanding that reading is "a complex, active process of constructing meaning" instead of "mere skill application."

INCREASE YOUR VOCABULARY AND READING COMPREHENSION The main purpose of the present series of workbooks is to provide simple reading practice and guarantee the development of reading comprehension by offering adequate texts and exercises especially designed to increase the understanding of Spanish as a second language. After all, as both research and personal experience shows, reading without comprehension is both frustrating as well as useless. For your convenience, after each chapter you will find a list of suggested Spanish vocabulary and its corresponding translation in English language as well as a set of recommended exercises not only with the object of helping you recognize and understand new words in a given text, but also to help you identify main ideas, relationships and sequencing. In accordance with the most recent findings of cognitive psychology and the applied science of learning, we believe that reading comprehension not only implies acquiring a set of highly complex, well-developed, and well-practiced skills and abilities, but also, as stated by the Texas Education Agency, most important is the mode in which good readers dynamically and deliberately coordinate these "skills" and "strategies" before, during, and after reading a text: *BEFORE READING, good readers tend to set goals for their reading. They note the structure, or organization of the text, and often create a mental overview or outline of the text to help them decide whether it is relevant to their goals. *DURING READING, good readers read words accurately and quickly, and simultaneously deal with the meanings of those words - as well as the meanings of the phrases and sentences into which the words are grouped. Good readers connect the meaning of one sentence to the meaning of another. If something is confusing to them, they use their background knowledge to try to clarify the meanings of words and phrases. Sometimes good readers interact with the text by asking themselves questions about its content and reflecting on its ideas. They are adept at using their background knowledge to make predictions about what might happen next and to understand ideas as they encounter them. Good readers continuously evaluate their predictions and revise them as needed. *AFTER READING, good readers often think about, or reflect on what they read. They may mentally summarize major points or events in the text, or even go to other sources to find additional information about the topic of the reading. In short, good readers are most often strategic readers. That is, they use a number of comprehension strategies to get meaning from text. Comprehension strategies are conscious plans or procedures that are under the control of a reader, who makes decisions about which strategies to use and when to use them. GET THIS FUN AND SIMPLE SPANISH READER, GROW YOUR VOCABULARY AND LEARN SPANISH THE EASY WAY!"

Easy Spanish Short Novels for Beginners with 60+ Exercises & 200-Word Vocabulary Createspace Independent Publishing Platform

LEARN SPANISH THE FUN AND EASY WAY! FUN AND EASY TO READ, this didactic workbook in Easy Spanish is based on Oscar Wilde's "THE CANTERVILLE GHOST" ("EL FANTASMA DE CANTERVILLE"), first published in 1887. Especially translated, edited and simplified to ease reading practice and comprehension, our text includes simple wording, brief sentences and moderate vocabulary. Also, for your convenience, each chapter is followed by a glossary of Spanish common words and

popular expressions and their respective English translations, as well as by fun and simple sets of exercises designed to boost your reading skills and comprehension. In short words, this workbook series published by the Easy Spanish Language Center provides the reading practice and drills you need based on the understanding that reading is "a complex, active process of constructing meaning" instead of "mere skill application." *Little Reading Comprehension Exercises* Milliken Publishing Company

Proficiency in Listening and Reading Comprehension Hidayet TUNCAY The book is intended to help pre-intermediate (CEFR-B1), intermediate (CEFR-B2), upper-intermediate (CEFR-C1) and advanced (CEFR-C2) learners of English who are preparing for proficiency examinations, such as TOEFL, KPDS (Language Proficiency test for Government Employees), FCE (First Certificate in English), CAE (Certificate in Advanced English), University Preparatory School Exemption Tests and mainly the Turkish Army Personnel who will take Genel Dil and ECL (English Comprehension Level). In chapter one, Advanced Reference Grammar Practice covering 10 major sections of the English Language grammar are presented with specific examples and supported with tests and exercises. In the end of this chapter a GATE (Grammar Achievement Test in English) test is given. Chapter two contains a listening part that covers three main sections: intermediate, upper-intermediate and advanced. The passages contain nearly 30 different topics ranging from economy to military and are made up of 42 comprehension passages and 15 paragraphs. To ensure the learners' listening comprehension, almost 300 questions are given. All the passages in this chapter were professionally recorded by 2 native speakers of English. In chapter three, specifically chosen reading comprehension passages are given in four separate sections: intermediate (B1), upper-intermediate (B2), advanced (C1) and authentic (C2). The chapter has been reorganized and new passages are included within 67 passages in almost 30 different topics. Chapter four, Word practice covers academic, scientific, social and TOEFL, Genel Dil and ECL vocabulary. Various exercises and tests are given. Most confused and misused words are covered as well. Chapter five is the testing section which includes practice tests such as 3 English Proficiency Practice Tests with listening sections, 4 vocabulary and reading comprehension based English Screening Tests and 1 Proficiency Practice Test for general English Proficiency. All tests cover 800 questions based on listening, reading, structure and vocabulary related to both technical and social subjects. The book covers various exercises such as 403 comprehensive exercises in the grammar chapter with a complete test of GATE-Grammar Achievement Test in English. 254 open end and multiple choice exercises are in listening comprehension. Reading Comprehension chapter covers 746 comprehensive exercises to improve learners' reading comprehension. In Word Practice chapter, 198 exercises are given to practice various academic vocabularies which learners may encounter while practicing language for various exams.
