Biblical Geography and History Longman

Proceedings of the XI International Scientific and Practical Conference

Problems of science and practice, tasks and ways to solve them Yale University Press

Dynamic natural events and human activities in the Polar Regions are having a significant combined impact on these fragile environments, as well as on communities in populated regions of the Arctic. This publication describes the key features of the Polar Region environment and assesses the multiple roles and impacts of tourism activities in both the Arctic and Antarctica. It proposes an agenda for sustainable tourism development, and outlines principles, guidelines and selected good practices to conserve these unique wilderness areas through the regulation and management of tourism.

International Tourism OXFORD University Press

International Cases in Tourism Management includes: * Profiles of individual companies * Case studies on destination management and marketing * Material on different management functions in tourism, such as marketing and human resource management * Case studies of particular types of

tourism, such as ecotourism and cultural tourism The case studies are supplemented by exercises and questions, which ensure that for students and tutors alike the book is the ideal accompaniment to all tourism courses.

A Book Written IN Globish UNEP/Earthprint

"Flash on English for tourism is specifically designed for students who are studying for a career in the tourism industry. It introduces the vocabulary and the language functions specific to this language sector, and includes practice exercises in all four skills"--Publisher's description.

Course Book CreateSpace

English for Tourism and Hospitality in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Tourism and Hospitality is a skills-based course designed specifically for students of tourism and hospitality who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist language they need to participate successfully within a tourism and hospitality faculty. Extensive listening exercises come from tourism and hospitality lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key tourism and hospitality vocabulary that students will need. Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. Speaking: how to participate effectively in a variety of realistic situations, from seminars to

presentations, including how to develop an argument and use stance markers. Reading: how to understand a wide range of texts, from academic textbooks to Internet articles, including how to analyze complex sentences and identify such things as the writer's stance. Writing: how to produce coherent and well-structured assignments, including such skills as paraphrasing and the use of the appropriate academic phrases. Vocabulary: a wide range of activities to develop students' knowledge and use of key vocabulary, both in the field of tourism and hospitality and of academic study in general. Vocabulary and Skills banks: a reference source to provide students with revision of the key words and phrases and skills presented in each unit. Full transcripts of all listening exercises. The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers. Extra resources at www.garnetesap.com

Tourism Impacts, Planning and Management is a unique text, which links these three key areas of tourism: impacts, planning and management. Tourism impacts are multi-faceted and therefore are difficult to plan for and manage. This book looks at all the key players involved - be they tourists, host communities or industry members - and considers a number of approaches and techniques for managing tourism successfully. Divided into four parts, this text discusses: * The growth, development and impacts of tourism * Tourism planning and management: concepts, issues and key players * Tools and techniques in tourism planning and management: education, regulation and information technology * The future of tourism planning and management: issues of sustainability and the future Up-to-date, international case studies are used, for example the impacts of 9/11 and terrorism in Bali, to illustrate and provide a real-life context for the theories discussed. Exercises are also included to consolidate learning.

The Impact of Culture on Tourism examines the growing relationship between tourism and culture, and the way in which they have together become the major drivers of destination attractiveness and competitiveness.

Activities of the U.S. Travel Service and International Tourism, Hearing Before The...92-1, on Activities of the Etc., May 12, 1971 Mukil E Publishing And Solutions Private Limited

The coronavirus disease (COVID-19) has had a devastating impact on global aviation as nearly all air travel came to a halt in late March and April 2020. In Central Asia, virtually all domestic and international air travel were suspended in an attempt to contain the spread of COVID-19. This crisis provides an opportunity to reset the aviation industry in Central Asia Regional Cooperation (CAREC) countries through reforms, new strategies, and restructurings. This study of the pandemic's impact on CAREC and the aviation industry looks at the gravity of the situation, explores opportunities, and offers some recommendations for dealing with the crisis and facilitating a fast recovery.

English for International Tourism Bright Sparks

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

[International Tourism Management](#) Longman

"The Quit Smoking Answer" is structured in such a way that all readers follow a process of "cold turkey" cessation through a step-by-step system to become nicotine free. The system shared is quick, easy, and proven, regardless of a person's dependency on nicotine. If you have ever thought, "wouldn't it be nice to quit smoking" than you've set the mood and you're ready to begin. It's easier to quit nicotine than you think! JW Smith, a smoker for 40 years, wrote this book after ending his vicious cycle of numerous failed attempts to quit. His system for nicotine cessation evolved over a subsequent six-week period of preparation to quit. He shares his story about a conversation with his nine year-old granddaughter that finally set the wheels in motion to find a better way - one that works. JW researched smoking cessation methods and used his own experience to forge a new path. This book may very well be destined to be in a category by itself in the nicotine cessation world of recommendations and advice. Why? Because it works! JW makes the case that smoking cessation is not an event, but rather a process. His book will teach you the key cognitive techniques he used to end both the physical and psychological addictions to nicotine. It debunks myths about nicotine replacement therapy products and instead lays out a natural progression of steps for becoming a nonsmoker. The premise of the book is based on this famous quote: "When you change the way you look at things, the things you look at change." In the beginning of the book it is recommended to establish an environment and path of least resistance. Less resistance to quit is the first key step to becoming nicotine free. It is recommended that readers continue the use tobacco products including e-cigarettes while reading the book over a two or three day period of time- helping again to establish less resistance to quit. He additionally recommends as a first step that you tell no one of your desire to quit - preventing anyone including yourself of sabotaging your intention. As you apply the techniques and methods written about it becomes a natural procession leading up to your very last cigarette or use of chewing tobacco. A transformation of your thinking takes place and ending your addiction will seem like an "almost non-event" - as something just happens to you as you read this book. You will be physically and mentally prepared to end your addiction after reading this one of a kind book. Free from nicotine for life - and all the great rewards that come with it!
