 In this original study of *The Book of Revelation*, Thompson examines the importance of the genre apocalypse, analyzes in detail the form and structure of the Revelation, its narrative and

metaphoric unity, the world created through John of Patmos's visions, and the social conditions of the empire in which John wrote. He offers an intriguing interpretation of the role of boundaries in Revelation, a reassessment of the reign of the Emperor Domitian, and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province. Throughout the book, Thompson argues that the language of Revelation joins the ordinary to the extra-ordinary, earth to heaven, and local conditions to supra-human processes.

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the

Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World, Rightly Dividing the Word, and The Second Coming of Christ*. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

The Book of Revelation For Dummies

Wm. B. Eerdmans Publishing
The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the

nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.
Revelation and the End of All Things Wm. B. Eerdmans Publishing
The Bible's final book, Revelation, can seem intimidating or downright impossible to comprehend, but this guided tour by Bible scholar Tim LaHaye and renowned puzzle master Timothy E. Parker makes it easily understandable. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical

material. Yet the capstone of the canon need not remain a mystery. Cleverly designed for maximum learning and retention, this book covers every verse of Revelation step by step and, for each grouping of verses, includes a short three-question pre-quiz; the passage of scripture being addressed; a precise explanation of what the scripture means; and, finally, the same three questions repeated with the answers provided. By following this method, you will be amazed at how well you retain the teachings. Absorb this book and discover afresh?or for the first time?the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

The Book of Revelation Emmaus Road Publishing

Revelation is probably the most read, but least understood book of the Bible. History is replete with examples of how not to interpret it, and books featuring end-of-world prophecy claims based on Revelation consistently top the bestseller lists. But how can the message of such an enigmatic book be applied to our lives today? In *Discipleship on the Edge*, Darrell W.

Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons. Paying careful attention to the original context of Revelation and the circumstances surrounding its composition, Johnson shows that the book is not a "crystal ball" but rather a "discipleship manual." Thoroughly researched and yet accessible, this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times. Darrell W. Johnson serves as Scholar-in-Residence at The Way Church and Canadian Church Leaders Network in Vancouver, British Columbia, Canada. A popular conference and retreat

speaker, he has also served as the preaching pastor for a number of congregations in North America and the Philippines, as well as serving as Adjunct Professor of Preaching for the Doctor of Ministry program at Fuller Theological Seminary in Pasadena, California, and a Teaching Fellow at Regent College. His other books include *Experiencing the Trinity* and *Fifty-Seven Words That Change The World*.

The idea of "The Rapture" -- the return of Christ to rescue and deliver Christians off the earth -- is an extremely popular interpretation of the Bible's Book of Revelation and a jumping-off point for the best-selling "Left Behind" series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In *The Rapture Exposed*, Barbara Rossing argues that this script for the world's future is nothing more than a

disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God's healing love for the world. *The Rapture Exposed* reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community.

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday

lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient

characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

Perhaps no book in the history of the world has been as misunderstood and misappropriated as the Book of Revelation. Those people versed in the methods of scholarly interpretation (exegesis) may understand the symbolism of this work, but what about the general reader? How is he or she to know whether this book is being soundly interpreted or misinterpreted? Father Chapman writes for the general reader, for the many who need to understand the truth of The Message of the Book of

Revelation -both its historical message and its message for Christians today. He explains, phrase by phrase, in clear, direct terms what has been learned about the genre of writings called apocalyptic literature - of which Revelation is a part - and how that knowledge can be properly used to interpret the images and symbols of Revelation. Faithful to the teaching of the Church, this explanation of Revelation "reveals" this biblical book to be an inspiring, hope-filled, poetic portrayal of the triumph of Christ and his followers over the powers of evil. The Rev. Charles T. Chapman, Jr., was raised and educated as a Southern Baptist. He joined the Episcopal Church in 1980 and was ordained priest in 1987. He holds degrees from Union University and The

Southern Baptist Theological Seminary, with further training at the Episcopal Theological Seminary of the Southwest. With Bible teaching and writing among his principle interests, Fr. Chapman offers this commentary in the hopes that reason and scholarship can shed light on a biblical work where baseless, extravagant imagination has long cast its shadow.

Revelation of Jesus Christ Authentic Comparing the verbal images of the book of Revelation to the visual rhetoric and images of Asia Minor, Andrew R. Guffey argues that Revelation is to be "seen" and not just read. By engaging Revelation as a visual text, Guffey reinserts it into the visual culture of early Christianity.

The Message of the Book of Revelation

Zondervan

On a bright spring day in Amsterdam a man goes out to buy a packet of cigarettes. He is a dancer - charismatic, talented and physically beautiful. What happens next takes him completely by surprise and marks him for ever. He awakens to find that he has been abducted by three hooded strangers and subsequently imprisoned in a mysterious white room, which will have consequences that are both poignant and highly disturbing.

Revelation Oxford University Press, USA
A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the

suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration

of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
