David Herbert Lawrence (1885–1930) was an English writer and poet whose work famously examined the results of industrialisation on contemporary society. In his novels and poetry, Lawrence explored a variety of then-controversial issues including sexuality and emotional health, which led many to label his work pornography. Today, he is considered to be one of the most important and influential writers of his generation. Lawrence's 1928 novel "Lady Chatterley's Lover" is the story of the former Constance Reid (Lady Chatterley), a young woman married to an upper-class baronet who was left with lower body paralysis as a result of his participation in the Great War. Both physically and emotionally distant from her husband, Constance begins an extramarital affair with the gamekeeper. Following the Victory of the publisher Penguin Books in an obscenity trial in the United Kingdom, an uncensored version of the book was finally published and gained notoriety due to explicit descriptions of sex and its use of then-unprintable four-letter words. A revolutionary novel and a true classic of English literature, "Lady Chatterley's Lover" would make for a worthy addition to any bookshelf. Read & Co. Classics is proud to be republishing this seminal novel now in a brand new edition complete with a specially-commissioned new biography of the author.

France's fate hangs in the balance! In this second part of Dumas' classic, our heroes must race across Europe to save the day. It all begins with Queen Anne of France, who is having an affair with the English Duke of Buckingham. Hoping to expose the tryst, and thereby enrage King Louis XIII into declaring war, Cardinal Richelieu plans a ball. He suggests the Queen wear a necklace that the King gifted her. But the necklace is with Buckingham. The Musketeers' mission is to bring back the jewellery, doing battle with agents of the Cardinal along the way. It's a breathless adventure, set across 17th Century Paris, Calais, and London. And this volume also introduces D'Artagnan's infatuation with the mysterious Milady. Alexandre Dumas (1802 - 1870) was a hugely popular 19th century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves—and each other—while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia—neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending—one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past.
