Dear Child Dangerous Press

NATIONAL BESTSELLER “Gorgeous.... With her trademark passion, wit, and fierce feminism, Natalie Haynes gives much-needed voice to the silenced women of the Trojan War.”—Madeline Miller, author of *Circe* Shortlisted for the Women’s Prize for Fiction, a gorgeous retelling of the Trojan War from the perspectives of the many women involved in its causes and consequences—for fans of Madeline Miller. This is the women’s war, just as much as it is the men’s. They have waited long enough for their turn . . . This was never the story of one woman, or two. It was the story of them all . . . In the middle of the night, a woman wakes to find

her beloved city engulfed in flames. Ten seemingly endless years of conflict between the Greeks and the Trojans are over. Troy has fallen. From the Trojan women whose fates now lie in the hands of the Greeks, to the Amazon princess who fought Achilles on their behalf, to Penelope awaiting the return of Odysseus, to the three goddesses whose feud started it all, these are the stories of the women whose lives, loves, and rivalries were forever altered by this long and tragic war. A woman’s epic, powerfully imbued with new life, *A Thousand Ships* puts the women, girls and goddesses at the center of the Western world’s great tale ever told.

Heartwarming Stories from Dog Parents Around the World
Penguin UK

In the best tradition of Tessa Hadley, Kazuo Ishiguro, and Ann Patchett—an astonishing, keenly observed period piece about an

ordinary British woman in the 1950s whose dutiful life takes a sudden turn into a pitched battle between propriety and unexpected passion. "With wit and dry humor...quietly affecting in unexpected ways. Chambers' language is beautiful, achieving what only the most skilled writers can: big pleasure wrought from small details."--The New York Times LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION 1957: Jean Swinney is a feature writer on a local paper in the southeast suburbs of London. Clever but with limited career opportunities and on the brink of forty, Jean lives a dreary existence that includes caring for her demanding widowed mother, who rarely leaves the house. It's a small life with little joy and no likelihood of escape. That all changes when a young woman, Gretchen Tilbury, contacts the paper to claim that her daughter is the result of a virgin birth. Jean seizes onto the bizarre story and sets out to discover whether Gretchen is a miracle or a fraud. But the more Jean investigates, the more her life becomes strangely (and not unpleasantly) intertwined with that of the Tilburys, including Gretchen's gentle and thoughtful husband Howard, who mostly believes his wife, and their quirky and charming daughter Margaret, who becomes a sort of surrogate child for Jean. Gretchen, too, becomes a much-needed friend in an otherwise empty social life. Jean cannot bring herself to discard what seems like her one chance at happiness, even as the story that she is researching starts to send dark ripples across all their lives...with unimaginable consequences. Both a mystery and a love story, *Small Pleasures* is a literary tour-de-force in the style of *The Remains of the Day*, about conflict between personal fulfillment and duty; a novel that celebrates the beauty and potential for joy

in all things plain and unfashionable.

Twenty years ago, in a series of mysterious, incandescent writings, David Seabrook told of the places he knew best: the declining resort towns of the Kent coast. The pieces were no advert for the local tourist board. Here, the ghosts of murderers and mad artists crawl the streets. Septuagenarian rent boys recall the good old days and Carry On stars go to seed. Clandestine fascist networks emerge. And all the time, there is Seabrook himself - desperate perhaps, and in danger. Dark, strange and immediate, this is a classic work of sui generis British literature. There are devils here, and the reader will remember them.

A Novel Independently Published

11 April 1982: a smell is coming down John Golding Road right alongside the boy-child, something attached to him, like a spirit but not quite. Ma Taffy is growing worried. She knows that something is going to happen. Something terrible is going to pour out into the world. But if she can hold it off for just a little bit longer, she will. So she asks a question that surprises herself even as she asks it, "Kaia, I ever tell you bout the flying preacherman?" Set in the backlands of Jamaica, Augustown is a magical and haunting novel of one woman's struggle to rise above the brutal vicissitudes of history, race, class, collective memory, violence, and myth.

'My dear, I don't give a damn.' Margaret Mitchell's page-turning, sweeping American epic has been a classic for over eighty years. Beloved and thought by many to be the greatest of the American novels, *Gone with the Wind* is a story of love, hope and loss set against the tense historical background of the American Civil War. The lovers at the novel's centre - the selfish, privileged Scarlett O'Hara and rakish Rhett Butler - are magnetic: pulling readers into the tangled narrative of a struggle to survive that cannot be forgotten. WINNER OF NATIONAL BOOK AWARD AND PULITZER PRIZE 'For sheer readability I can think of nothing it must give way before' *The New Yorker* 'What makes some people come through catastrophes and others, apparently just as able, strong, and brave, go under?' A retired accountant becomes the town's fortune-teller in this witty and charming debut Norbert Zelenka has always lived life on the sidelines. It's why at seventy-three years old he's broke and alone except for the company of a Chihuahua. But when "Carlotta's Club"—three strong-willed seniors with plenty of time

on their hands—decide to make Norbert their latest project, he reluctantly agrees to their scheme: establishing himself as the town's fortune-teller. Soon his life begins changing in unexpected ways. It turns out that years of observing other people make Norbert an excellent card reader. As Norbert's lonesome world expands with new friendships and a newfound self-confidence, he finally finds himself in a place where he belongs. But disaster looms on the horizon. When a troubled young woman goes missing after a bad reading, Norbert must find a strength beyond the cards to bring her home safely. A heartfelt story of coming-of-age late in life, *The Reluctant Fortune-Teller* is a poignant reminder that we're never too old to learn new tricks.

Just Listen She Writes Press

When Jamie Rutherford takes a temporary assignment as lieutenant of Boston Fire's Engine 59, she doesn't anticipate any problems. She's been in the fire service for a long time and, even though she's fairly new to Boston, she knows how to make any firehouse her home. What she's not prepared for is her reaction to firefighter Scott Kincaid. Scott is looking for a wife. It's been a fun ride as a single guy, but he's tired of being the third wheel, and nearly losing his brother-in-law finally made him realize just how much he wants a family of his own. When the new guy at the firehouse turns out to be a capable, confident and very attractive woman, his plan is completely derailed. Hooking up with a fellow firefighter has never been part of Jamie's plan, but she's tempted by Scott—even though getting involved with him could tarnish the reputation she's worked so hard for. And Scott can't stop thinking about Jamie, despite the fact that she's his superior and not sticking around. Chemistry can crush the best-laid plans,

though, and while Jamie and Scott might not be each other's future...there's no resisting the right now.

A Thousand Ships HarperCollins UK

Xeric Award-winning cartoonist Kevin Mutch skewers theory-spouting academics, sleazy art dealers, and obnoxious overshers. In this graphic novel, Adam Kline is an aspiring digital artist stuck in a thankless university adjunct position, married to an ambitious woman sick of supporting his pipe dreams, and is completely ignored by the New York art scene. Miraculously, though, his fortunes seem to be turning around. However, there's just one problem — his mysterious medical condition keeps blacking him out at the most inopportune times, and slowly blurs his perceptions of reality and fantasy... And, if that wasn't enough, he has to content with eerie, pitch-black void, flesh-eating zombies, and a vast, secret network of bug-eyed, bald-headed aliens.

The twisty thriller that starts where others end Megan Meade's Guide to the McGowan Boys

Many women would love to have the domestic goddess thing nailed, to waft around vintage fairs and antique markets for collectable items to furnish their houses with, and to be able to spend all day preparing the ultimate dinner party. But quite frankly women are too busy working, going out and having fun to make their lives just so. But that doesn't mean that their homes aren't important; their homes are as precious as their time The Domestic Sluttery website was created to show women that it is possible to have a gorgeous home while unapologetically cutting a few corners. The book is a logical expansion from the blog, full of lifestyle tips and with a more in-depth look at home interiors (Hiding the Evidence, Design Porn etc.); food and drink (e.g., Veggie not Virtuous, Baking for Beginners); style and beauty (Fashion Lust, Crafty Clothes etc.); and living (e.g., Fabulous and Thrifty, Sluttery Travels). The word sluttery' is used deliberately. It goes back to the traditional use of the word 'slut being slovenly, a little messy which can be a very good thing; it's freeing. This isnt a lifestyle guide for Stepford Wives. those kind of aspirations

aren't realistic any more. Instead, Domestic Sluttery offers an aspiration to live life to the full but with permission to make mistakes, to accept that you're not perfect. Instead of compromising on fun, Sian Meades and her domestic sluts will teach you the quick and easy ways to do domestication on the hop. And will reveal how to make a damn good cocktail!

Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of The Boy In the Striped Pajamas, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell

him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.
