William Shakespeare Quirk Books

A charmingly quirky seaside town offers a recently separated restaurateur a fresh start and possibly a new lease on love in *A Season for Second Chances*, by the author of *The Twelve Dates of Christmas*. Annie Sharpe's spark for life has fizzled out. Her kids are grown up, her restaurant is doing just fine on its own, and her twenty-six-year marriage has come to an unceremonious end. Untethered for the first time in her adult life, she finds a winter guardian position in a historic seaside home and decides to leave her city life behind for a brand-new beginning. When she arrives in Willow Bay, Annie is enamored by the charming house, the invigorating sea breeze, and the town's rich seasonal traditions. Not to mention, her neighbors receive her with open arms—that is, all except the surly nephew of the homeowner, whose grand plans for the property are at odds with her residency. As Christmas approaches, tensions and tides rise in Willow Bay, and Annie's future seems less and less certain. But with a little can-do spirit and holiday magic, the most difficult time of her life will become...a season for second chances.

Shakespeare for Screenwriters BoD - Books on Demand

Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Rey to Chewbacca. As the noble Resistance clashes with the vile First Order, Rey, Finn, Poe Dameron, Kylo Ren, and BB-8 are pulled into a galaxy-wide drama. The romance of Han Solo and Leia Organa takes a tragic turn that Shakespeare would approve of. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy.

**The Complete Works of William Shakespeare** Quirk Books

The New York Times Best Seller Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Yoda to a hungry wampa. Many a fortnight have passed since the destruction of the Death Star. Young Luke Skywalker and his friends have taken refuge on the ice planet of Hoth, where the evil Darth Vader has hatched a cold-blooded plan to capture them. Only with the help of a little green Jedi Master—and a swaggering rascal named Lando

Calrissian—can our heroes escape the Empire's wrath. And only then will Lord Vader learn how sharper than a tauntaun's tooth it is to have a Jedi child. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. What light through Yoda's window breaks? Methinks you'll find out in the pages of *The Empire Striketh Back!*

*William Shakespeare's Much Ado About Mean Girls* Simon and Schuster

For readers craving a humorous antidote to the sound and the fury of American politics, this clever satire, written in iambic pentameter in the style of Shakespeare, wittily fictionalizes the events of the first two years of the Trump administration. No one thought that MacTrump—Lord of MacTrump Towers, Son of New York—would ascend to the highest position in the kingdom. Yet with the help of his unhappy but dutiful wife Lady MacTrump, his clever daughter Dame Desdivanka, and his coterie of advisers, MacTrump is comfortably ensconced in the White Hold as President of the United Fiefdoms, free to make proclamations to his subjects through his favorite messenger, McTweet. The Democrati, mourning the loss of their cherished leader O'Bama, won't give up without a fight. They still remember the disastrous reign of George the Lesser, and they can see Putain's dark influence on MacTrump. Their greatest hope is MacMueller, tasked with investigating the plot that empowered MacTrump's rise to the throne. As Desdivanka schemes to overthrow her father's councilors, and as Donnison and Ericson—trapped in their own Rosencrantz and Guildenstern-like storyline—prove useless to their father, MacTrump soon realizes he has no true allies. Will he be able to hold on to his throne? Only time will tell in this tragicomic tale of ambition, greed, and royal ineptitude.
