MAXIM JOEL

Humanoids, Incorporated Moebius' and Alejandro Jodorowsky's Sci-Fi masterpiece collected in one epic volume. Lose yourself in the in the story that inspired many legendary filmmakers including George Lucas and Ridley Scott. John Difool, a low-class detective in a degenerate dystopian world, finds his life turned upside down when he discovers an ancient, mystical artifact called "The Incal." Difool's adventures will bring him into conflict with the galaxy's greatest warrior, the Metabaron, and will pit him against the awesome powers of the Technopope. These encounters and many more make up a tale of comic and cosmic proportions that has Difool fighting for not only his very survival, but also the survival of the entire universe.

The Crocodile University-Press.org

Transferred to Naples after a tangle with the Sicilian Mafia, Detective Inspector Giuseppe Lojacono feels that he's marking time, waiting out an awkward scandal. But

when the bloodied bodies of teenagers start appearing around the city, victims of a strange and sinister killer whom police and locals take to calling The Crocodile, it soon becomes clear to Lojacono that the killings are more than simple Mafia hits, and that the labyrinthine streets of Naples are more deadly than he'd dared imagine. Can he catch the assassin in time to save the city's innocents? A bestseller in Italy, *The Crocodile* is a dark, bloody story of murder and revenge that will grip and thrill you.

Enciclopedia di Milano Idea & Design Works Llc *Crash Site*, the debut graphic novel from British cartoonist Nathan Cowdry, is the story of Rosie, a young drug trafficker who uses her lovelorn talking dog, Denton, to mule drugs across international lines. When Rosie and Denton's return flight to England goes down and they find themselves stranded in the Amazon basin (with fifty grand worth of coke in Denton's stomach), well, getting busted becomes the least of their concerns as they try to find their way out. Did we mention that Rosie is also wearing a pair of anthropomorphic underwear she calls Pants

Dude, and that he may have other plans for her and Denton? *Crash Site* is a darkly funny, character-driven graphic novel that calls to mind the sense of humor of Simon Hanselmann, with a Tarantino-level appetite for gratuitous acts of sex and violence and use of flashbacks to allow the story to unfold. Cowdry's confident storytelling skills, attractive artwork, and sense of comedic timing makes *Crash Site* a winning recipe for fans of adult humor.

Studi di letteratura ispano-americana

Humanoids, Incorporated Springtime proffers fragrant temptations to the men and women of Naples. But evil also lurks in the sweet-smelling spring air. It is one week before Easter, Naples, 1932. At the high-class brothel in the center of town known as Paradiso, Viper, the most famous prostitute of all, is found dead. Suffocated with a pillow. Her last client swears that when he left her she was alive and well. But when her next client arrived, he found her dead. Who killed her and why? Ricciardi has to untangle a complex knot of greed, frustration, jealousy and rancor in order to solve the riddle of

Viper's death. As he does so, he will discover no end of conflicting emotions just beneath the surface of a city that lives on passion. De Giovanni's mysteries unfold with such sinuous ease that they seem to write themselves. They enchant, surprise; they hold readers enthralled. Commissario Ricciardi, whose dubious gift of being able to see and hear the last seconds in the lives of those who have suffered a violent death, is one of the most fascinating investigators to make his appearance in the world of international crime fiction in recent years. And in *Vipers*, the lustful and boisterous city of Naples has never been more seductive.

Mimesis

The longest comic-book run of Frank Frazetta's career! First appearing as a backup feature in *Durango Kid* in 1949, Dan Brand - known as the "White Indian" - is a colonial-era city boy whose life is marred by tragedy. When the death of his fiancée sends Brand through the wilderness on a trek to kill her murderer, he also begins a journey that will transform him into a hardened pioneer survivalist. The powerful sequential work of Frank Frazetta is in the spotlight in this collection, with all interior pages scanned from original comic-book issues and digitally cleaned. As the first White Indian story declares, "When our country was young... and the truly great Americans were the

intrepid pioneers of the backwoods, where the woods were thick and sown with sudden death... the greatest of the backwoodsmen was Dan Brand!" Join us as a wily pioneer and his sidekick Tipi brave the wilds of the American "New World" and a young cartoonist takes an industry by storm with his powerful talents in the 1940s and 1950s.

Chi è chi, editoria italiana
Coniglio Editore

Pier Paolo Pasolini riteneva che le pagine dei fumetti fossero nuvole: immagini fluttuanti e cangianti, che attirano l'attenzione e incatenano lo sguardo. Questo libro segue la storia interna a

questo straordinario mezzo di comunicazione e ne interpreta le dinamiche socio-culturali che hanno segnato il suo immaginario, nutrito, ibridato e contaminato con quello derivante da altre forme di comunicazione. Il libro ricostruisce alcuni momenti fondativi dell'immaginario dei fumetti e le capacità espressive di un medium che ha dialogato, per oltre un secolo, con la narrativa di massa, il cinema, l'animazione, la fiction televisiva. Tratteggia il ruolo detenuto dal fumetto italiano: il peso ricoperto dagli sceneggiatori nella sua interna evoluzione fra vari decenni, i formati editoriali che hanno caratterizzato stagioni come gli anni Trenta, il dopoguerra, gli anni Sessanta e gli Ottanta, l'attenzione vigile che i nostri autori hanno riversato sulla cultura angloamericana. Scritture visive e immaginario dei fumetti
Vanguard Frazetta Classics
Racconti di Allen M. Steele (Premio Hugo), Paul Di Filippo, Giuseppe Lippi, Dario Tonani, Maico Morellini. Interviste con Carlo Freccero, Ted Chiang, Brian Despain. È Il

momento più triste per la storia di Robot, dopo la scomparsa del suo direttore e fondatore, Vittorio Curtoni, lo scorso 4 ottobre. L'omaggio migliore è andare avanti: far vivere la sua rivista, con un numero ricco di straordinari racconti e di brillanti articoli, con il suo ultimo, splendido editoriale e con un'analisi del suo ultimo libro, Bianco su nero, firmata da Salvatore Proietti. La fantascienza è letteratura di evasione? Il racconto premio Hugo di Allen M. Steele L'imperatore di Marte dà tutto un nuovo significato a questa frase con una storia commovente sul filo della nostalgia. Corre invece sul filo dell'ironia il geniale Paul Di Filippo che in Wikiworld immagina un mondo retto dagli stessi principi della famosa enciclopedia online. Un racconto, un quasi racconto e altro per il mini-speciale dedicato al curatore di Urania Giuseppe Lippi. E a proposito di Urania, presentiamo il vincitore del premio omonimo Maico Morellini con un racconto che conferma il suo talento. E torna anche Dario Tonani, con un racconto nella Milano di Infect@. Nelle rubriche da segnalare interviste con

Carlo Freccero direttore di Rai 4, con l'artista Brian Despain e con il grande scrittore Ted Chiang.

Estratto: Tex e una serie a fumetti creata nel 1948 da Gian Luigi Bonelli e Aurelio Galleppini ed edita dalla Sergio Bonelli Editore. Le avventure inedite con protagonista Tex Willer vengono pubblicate mensilmente nell'albo a fumetti Tex, edito dalla Sergio Bonelli Editore nel formato tascabile tipico delle pubblicazioni bonelliane. Sergio Bonelli, editore nonché sceneggiatore di Tex (con lo pseudonimo di Guido Nolitta) In principio il fumetto fu pubblicato nel classico formato a striscia (16,5 X 8 cm) caratteristico dell'epoca: complessivamente uscirono nelle edicole, con periodicità settimanale, ben 36 serie dal 1948 al 1967. Le rese venivano poi utilizzate per confezionare le cosiddette raccoltine: le strisce

venivano private della loro copertina in carta, assemblate insieme (il numero degli albi accorpati variava) e dotate di una nuova copertina in cartoncino disegnata appositamente da Galep. Di queste raccolte ne uscirono tre serie: la prima vide luce tra il 1949 e il 1950 per un totale di soli sette albi; la seconda (detta serie bianca) uscì tra il 1950 e il 1966 e conta 132 albi; la terza (detta serie rossa) è composta da 194 albi usciti a partire dal 1956. Nel 1952 ci fu il primo...

Manara's Kama Sutra
