In the Shadow of the Sun Theatre Communications Group

This newly revised edition of the ground-breaking Artech House bestseller, SIP: Understanding the Session Initiation Protocol gives you a thorough and up-to-date understanding of this revolutionary protocol for call signaling and IP Telephony. The second edition includes brand new discussions on the use of SIP for wireless multimedia communications. It explains how SIP is powerful "rendezvous" protocol that leverages mobility and presence to allow users to communicate using different devices, modes, and services anywhere they are connected to the Internet You learn why SIP has been chosen by the 3GPP (3rd Generation Partnership Program for wireless cell phones) as the core signaling, presence, and instant messaging protocol.

Understanding the Global Spa Industry Artech House

"I think this book is kind of malleable. I've never really wanted to put it away and be done with it forever -- the second I first 'finished' it, I wanted to dig back in and change everything around. So I'm looking forward to getting back into the text, and straightening and focusing and deleting. Most of all, I'm thrilled that Vintage will be letting me include all the cool chase scenes, previously censored." -- Dave Eggers
 The literary sensation of the year, a book that redefines both family and narrative for the twenty-first century. A Heartbreaking Work of Staggering Genius is the moving memoir of a college senior who, in the space of five weeks, loses both of his parents to cancer and inherits his seven-year-old brother. Here is an exhilarating debut that manages to be simultaneously hilarious and wildly inventive as well as a deeply heartfelt story of the love that holds a family together. A Heartbreaking Work of Staggering Genius is an instant classic that will be read in paperback for decades to come. PAPERBACK EDITION -- 15% MORE STAGGERING - Eggers has written 15,000 additional words for the Vintage Canada edition, including an entirely new appendix.

White Like Her: My Family's Story of Race and Racial Passing is the story of Gail Lukasik's mother's "passing," Gail's struggle with the shame of her mother's choice, and her subsequent journey of

self-discovery and redemption. In the historical context of the Jim Crow South, Gail explores her mother's decision to pass, how she hid her secret even from her own husband, and the price she paid for choosing whiteness. Haunted by her mother's fear and shame, Gail embarks on a quest to uncover her mother's racial lineage, tracing her family back to eighteenth-century colonial Louisiana. In coming to terms with her decision to publicly out her mother, Gail changed how she looks at race and heritage. With a foreword written by Kenyatta Berry, host of PBS's Genealogy Roadshow, this unique and fascinating story of coming to terms with oneself breaks down barriers. *Harvard Business Review Guides Ultimate Boxed Set (16 Books)* Simon and Schuster
 It's 1895, and after the death of her mother, 16-year-old Gemma Doyle is shipped off from the life she knows in India to Spence, a proper boarding school in England. Lonely, guilt-ridden, and prone to visions of the future that have an uncomfortable habit of coming true, Gemma's reception there is a chilly one. To make things worse, she's being followed by a mysterious young Indian man, a man sent to watch her. But why? What is her destiny? And what will her entanglement with Spence's most powerful girls - and their foray into the spiritual world - lead to?

ADP 6-22 describes enduring concepts of leadership through the core competencies and attributes required of leaders of all cohorts and all organizations, regardless of mission or setting. These principles reflect decades of experience and validated scientific knowledge.An ideal Army leader serves as a role model through strong intellect, physical presence, professional competence, and moral character. An Army leader is able and willing to act decisively, within superior leaders' intent and purpose, and in the organization's best interests. Army leaders recognize that organizations, built on mutual trust and confidence, accomplish missions. Every member of the Army, military or civilian, is part of a team and functions in the role of leader and subordinate. Being a good subordinate is part of being an effective leader. Leaders do not just lead subordinates--they also lead other leaders. Leaders are not limited to just those designated by position, rank, or authority.

Voice Over IP (VoIP) phone lines now represent over 50% of all new phone line installations. Every one of these new VoIP phone lines and handsets must now be protected from malicious hackers because these devices now reside on the network and are accessible from the Internet just like any server or workstation.This book will cover a wide variety of the publicly available exploit tools and how they can be used specifically against VoIP (Voice over IP) Telephony systems. The book will cover the attack methodologies that are used against the SIP and H.323 protocols as well as VoIP network infrastructure. Significant emphasis will be placed on both attack and defense techniques. This book is designed to be very hands on and scenario intensive. More VoIP phone lines are being installed every day than traditional PBX phone lines. VoIP is vulnerable to the same range of attacks of any network device. VoIP phones can receive as many Spam voice mails as your e-mail can receive Spam e-mails, and as result must have the same types of anti-spam capabilities

Two curious young grizzly bears go on A very long swim, far from their usual home in the Great Bear Rainforest. They crunch tart red cranberries in the bog then dig for crabs on the beach. They wander through backyards and feast on plums. Then they sniff something even more delicious—mmm, barbecued salmon. But a village full of people is no place for grizzly bears, no matter how sweet the plums or how tasty that salmon smells. Time for a helicopter ride home! The Great Grizzlies Go Home tells the story of the bears' adventurous journey, ending in their safe relocation back to the mainland. Featuring detailed watercolour paintings, engaging text and a concluding section with bear safety tips, the book will capture the imagination of readers young and old.
