CUMMINGS MASON

La Gente American Mathematical Soc.
 Nell'attuale contesto di contrapposizione, spesso «talebana», tra chi dipinge la teoria del gender in toni apocalittici, esasperandone unilateralmente alcuni aspetti, e chi ne nega addirittura l'esistenza, riconducendo il problema a un semplice rispetto dei diritti, il libro mostra l'inadeguatezza di entrambe le posizioni andando direttamente alle fonti, costituite sia dagli studi di gender, sia da documenti ufficiali. Una particolare attenzione è riservata al problema della presenza della teoria del gender nella scuola, anche qui evidenziando gli equivoci di cui entrambe le parti sono al tempo stesso vittime e autrici. Più ampiamente, viene messa a fuoco la problematicità del termine «omofobia», mostrandone i diversi significati nel dibattito attuale. Per evitare di ridurre la persona e la sessualità alla caricatura sbandierata dagli ultraconservatori e per non limitare la riflessione alla sola

questione dei diritti, il libro cerca di fare luce sul rapporto tra natura umana e cultura, sul significato della corporeità, sull'idea di uguaglianza, con particolare riferimento al problema della famiglia e della genitorialità.

The Betrothed Grupo Asís Biomedica S.L.

Nato dalla sinergia tra studiose/i, attiviste/i, scrittrici e scrittori, il presente volume si propone come spazio aperto a una riflessione interdisciplinare sulle modalità discorsive impiegate per la rappresentazione della violenza di genere nel contesto letterario, cinematografico, teatrale e mediatico dell'Italia del terzo millennio. Considerando la sfera della rappresentazione un campo d'indagine cruciale per ogni analisi di un fenomeno che trova le proprie radici in archetipi culturali veicolati attraverso particolari paradigmi discorsivi, il volume intende inquadrare i nuovi orizzonti di visibilità aperti sul tema, adottando una prospettiva teorica di matrice femminista che armonizza il pensiero italiano della differenza sessuale con le più recenti teorizzazioni della corrente dei Gender Studies. Privilegiando un

approccio di tipo interdisciplinare e olistico, il testo si articola in tre sezioni dedicate rispettivamente alla ricerca di stampo accademico, alla presa di parola da parte di attiviste/i interessate/i ad analizzare la rappresentazione mediatica del fenomeno e, infine, alla voce di affermate/i autrici/ autori che hanno portato avanti una riflessione teorica sulle strategie impiegate per narrare la violenza.

Mira uses all her senses—eyes, ears, and sometimes nose!—to find clues and solve mysteries. Queen Shanti is so impressed with the clever young girl that she asked Mira to be the Royal Detective for all of Jalpur. With her new detective coat and magnifying glass, Mira has the tools and the skills to help people all over her city. Mira is on the case!

Lo scisma emerso Alba House

When you hear that now ubiquitous phrase 'I find that offensive', you know you're being told to shut up. While the terrible murder of the Charlie Hebdo cartoonists demonstrated that those who offend can face the most brutal form of censorship, it also served only to intensify the pre-existing climate that dictates we all have to walk on eggshells to avoid saying anything offensive - or else. Indeed, competitive offence-claiming is ratcheting up well beyond religious sensibilities. So, while Islamists and feminists may seem to have little in common, they are both united in demanding retribution in the form of bans, penalties and censorship of those who hurt their feelings. But how did we become so thin-skinned? In 'I Find That Offensive!' Claire Fox addresses the possible causes of what is fast becoming known as 'Generation Snowflake' head-on (no 'safe spaces' here) in a call to toughen up, become more robust and make a virtue of the right to be offensive.

Apostles of Empire Disney Electronic Content

In Mein Kampf, Hitler used the main thesis of "the Jewish peril", which posits a Jewish conspiracy to gain world leadership. The narrative describes the process by which he became increasingly antisemitic and militaristic, especially during his years in Vienna. He speaks of not having met a Jew until he arrived in Vienna, and that at first his attitude was liberal and tolerant. When he first encountered the anti-semitic press, he says, he dismissed it as unworthy of serious consideration. Later he accepted the same anti-semitic views, which became crucial in his program of national reconstruction of Germany. Mein Kampf has also been studied as a work on political theory. For example, Hitler announces his hatred of what he believed to be the world's two evils: Communism and Judaism. During his work, Hitler blamed Germany's chief woes on the parliament of the Weimar Republic, the Jews, and Social Democrats, as well as Marxists, though he believed that Marxists, Social Democrats, and the parliament were all working for Jewish interests. He announced that he wanted to completely destroy the parliamentary system, believing it to be corrupt in principle, as those who reach power are inherent opportunists.

Marry Her and Die for Her Verso Books

Whether straight or gay, most men start their relationships desiring monogamy. This is rooted in the pervasive notion that monogamy exists as a sign of true love. Yet despite this deeply held cultural ideal, cheating remains rampant. In this accessible book, Eric Anderson investigates why 78% of men he interviewed have cheated despite their desire not to. Combining 120 interviews with research from the fields of sociology, biology, and psychology, Anderson identifies cheating as a product of wanting emotional passion for one's partner, along with a steadily growing desire for emotionally-detached recreational sex with others. Anderson coins the term "the monogamy gap" to describe this phenomenon. Anderson suggests that monogamy is an irrational ideal because it fails to fulfil a lifetime of sexual desires. Cheating

therefore becomes the rational response to an irrational situation. The Monogamy Gap draws on a range of concepts, theories, and disciplines to highlight the biological compulsion of our sexual urges, the social construction of the monogamous ideal, and the devastating chasm that lies between them. Whether single or married, monogamous or open, straight or gay, readers will find The Monogamy Gap to be an enlightening, intellectually compelling, and provocative book.

Woman Like Me Biteback Publishing

Do you sometimes catch yourself snacking when you're not feeling hungry? Do you crave some foods more when you're stressed, worried or unhappy? Do you feel you've lost control when you give in to a craving? Stop Eating Your Emotions will help you make peace with your body and transform your relationship with food to rediscover the pleasure of eating without guilt or anxiety. Equipped with vast experience supporting people who binge-eat or experience episodes of compulsive eating, Huot and Sénécal have developed exercises, tips and tools that are sensible and practical, and that work! By rethinking your relationship to food, reconnecting with your body's natural signals and modifying the thoughts that cause anxiety, you can break the compulsive-eating cycle and enjoy your life. With a foreword by Sophie Grégoire-Trudeau

Il Gender spiegato a un marziano Tundra Books

Man up, because Costanza Miriano is back in Marry Her and Die for Her. Guys, if you thought you were off the hook after Costanza's first book Marry Him and Be Submissive, you've got another thing coming. Now, she's here to challenge you and give it to you straight about the many ways in which you must die for the woman you love. (But don't worry...she has plenty of reminders for the women as well.) Inside, Miriano provides insight into what women want from men, and how husbands can "die" for them and their families every day.

How Fascism Ruled Women HarperCollins

Em Sinais de alerta no amor, Rino Ventriglia compara metaforicamente o amor ao motor de um carro. Quando tudo está bem, todas as luzes de alerta do painel estão apagadas, mas o que fazer quando uma ou mais luzes se acendem? O que elas indicam? Certamente, algo no mecanismo do relacionamento não funciona mais adequadamente ou dá sinais de desgaste. Quais são os sinais de alerta mais frequentes? Com base em relatos que vivenciou ao longo de anos como terapeuta, o autor observa os problemas conjugais e aponta algumas questões que considera relevantes: a culpa e o arrependimento, a frustração pela falta de reconhecimento e carinho, a busca por rotas de fuga. O livro auxilia o leitor a compreender as "histórias das pessoas" que, ao longo dos anos, escolheram e disseram "sim", ensina que a dor deve ser tratada; não há necessidade de se escapar dela. De fato, tentar evitar a dor é inútil. O sim "para sempre" pode ser uma realidade possível e construída a cada dia. *Mira, Royal Detective: The New Royal Detective* U of Nebraska Press

Never has a Pope, in a book-length interview, dealt so directly with such wide-ranging and controversial issues as Pope Benedict XVI does in *Light of the World*. Taken from a recent week-long series of interviews with veteran journalist Peter Seewald, this book tackles head-on some of the greatest issues facing the world of our time. Seewald poses such forthright questions to Pope Benedict as:

- What caused the clergy sexual abuse in the Catholic Church?
- Was there a "cover up"?
- Have you considered resigning?
- Does affirming the goodness of the human body mean a

plea for "better sex"?

- Can there be a genuine dialogue with Islam?
- Should the Church rethink Catholic teaching on priestly celibacy, women priests, contraception, and same-sex relationships?
- Holy Communion for divorced-and-remarried Catholics?
- Is there a schism in the Catholic Church?
- Should there be a Third Vatican Council?
- Is there any hope for Christian unity?
- Is Christianity the only truth?
- Can the Pope really speak for Jesus Christ?
- How can the Pope claim to be "infallible"?
- Is there a "dictatorship of relativism" today?

Twice before these two men held wide-ranging discussions, which became the best-selling books *Salt of the Earth* and *God and the World*. Then, Seewald's discussion partner was Joseph Ratzinger, head of the Vatican's chief doctrinal office. Now, Joseph Ratzinger is Pope Benedict XVI, the spiritual leader of the world's over one billion Catholics. Though Seewald now interviews the Pope himself, the journalist "pulls no punches", posing some of the thorniest questions any Pope has had to address. Believers and unbelievers will be fascinated to hear Benedict's thoughtful, straightforward and thought-provoking replies. This is no stern preachment or ponderous theological tract, but a lively, fast-paced, challenging, even entertaining exchange.

Marry Him and Be Submissive Troubador Publishing Ltd

Four strategic practices of the early church were designed by the Apostles to honor Christ, foster love and unity, promote participation, and create a positive witness: The Lord's Supper - a Weekly Fellowship Feast? Open Participatory Worship - Unleashing the Laity? Elder Rule & Congregational Consensus - Dance Partners? Small Churches - a Divine Design Those involved with churches following these practices today testify that they enjoy fellowship during the weekly love feast in a way they have never before experienced. Deep appreciation has also been expressed for congregational participation during the time of worship, for the many opportunities for each member to minister using his spiritual gifts, for the emphasis on mutual encouragement, and for servant leadership that is not lording over people but builds congregational consensus. Couple all these benefits with strong biblical teaching and the stage is set for significant growth in the Lord and an extraordinary church experience. Church Growth the New Testament Way!

Dictionary of Biblical Theology University of Michigan Press

This introductory textbook puts forth a clear and focused point of view on the differential geometry of curves and surfaces. Following the modern point of view on differential geometry, the book emphasizes the global aspects of the subject. The excellent collection of examples and exercises (with hints) will help students in learning the material. Advanced undergraduates and graduate students will find this a nice entry point to differential geometry. In order to study the global properties of curves and surfaces, it is necessary to have more sophisticated tools than are usually found in textbooks on the topic. In particular, students must have a firm grasp on certain topological theories. Indeed, this monograph treats the Gauss-Bonnet theorem and discusses the Euler characteristic. The authors also cover Alexandrov's theorem on embedded compact surfaces in \mathbb{R}^3 with constant mean curvature. The last chapter addresses the global geometry of curves, including periodic space curves and the four-vertices theorem for plane curves that are not necessarily convex. Besides being an introduction to the lively subject of curves and surfaces, this book can also be used as an entry to a wider study of differential geometry. It is suitable as

the text for a first-year graduate course or an advanced undergraduate course.

Spiegazione teorico-pratica del Codice Napoleone contenente l'analisi critica degli autori e della giurisprudenza e seguita da un riassunto alla fine di ciascun titolo Saint Benedict Press

A lost literary classic, written in 1894, *The Viceroy* is one of the most acclaimed masterworks of Italian realism. The novel follows three generations of the aristocratic Uzeda family as it struggles to hold on to power in the face of the cataclysmic changes rocking Sicily. As Garibaldi's triumphs move Italy toward unification, the Uzedas try every means to retain their position. De Roberto's satirical and mordant pen depicts a cast of upper-class schemers, headed by the old matriarch, Donna Teresa, and exemplified by her arrogant and totally unscrupulous son, Consalvo, who rises to political eminence through lip service, double-dealing, and hypocrisy. *The Viceroy* is a vast dramatic panorama: a new world fighting to shrug off the viciousness and iniquities of the old.

Psiconeuroendocrinoinmunología y ciencia del tratamiento integrado. El manual. St. Martin's Griffin

"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The Baron in the Trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.

Jesuit Kaddish University of Notre Dame Press

This book foregrounds some of the ways in which women playwrights from across a range of contexts and working in a variety of forms and styles are illuminating the contemporary world while also contributing to its reshaping as they reflect, rethink, and reimagine it through their work for the stage. The book is framed by a substantial introduction that sets forth the critical vision and structure of the book as a whole, and an afterword that points toward emerging currents in and expansions of the contemporary field of playwriting by women on the cusp of the third decade of the twenty-first century. Within this frame, the twenty-eight chapters that form the main body of the book, each focusing on a single play of critical significance, together constitute a multifaceted, inevitably partial, yet nonetheless integral picture of the work of women playwrights since 2000 as they engage with some of the most pressing issues of our time. Some of these issues include the continuing oppression of and violence against women, people of color, LGBTQ+ people, and ethnic minorities; the ongoing processes of decolonization; the consequences of neoliberal capitalism; the devastation and enduring trauma of war; global migration and the refugee crisis; the turn to right-wing populism; and the impact of climate change, including environmental disaster and species extinction. The book is structured into seven sections: *Replaying the Canon*; *Representing Histories*; *Staging Lives*; *Reimagining Family*; *Navigating Communities*; *Articulating Intersections*; and *New World Order(s)*. These sections group clusters of plays according to the broad critical actions they perform or, in the case of the final section, the new world orders that they capture through their stagings of the seeming impasse of the politically and environmentally catastrophic global present moment. There are many other points of resonance among and across the plays, but this seven-part structure foregrounds the broader actions that drive the plays, both in the Aristotelian

dramaturgical sense and in the larger sense of the critical interventions that the plays creatively enact. In this way, the seven-part structure establishes correspondences across the great diversity of dramatic material represented in the book while at the same time identifying key methods of critical approach and areas of focus that align the book's contributors across this diversity. The structure of the book thus parallels what the playwrights themselves are doing, but also how the contributors are approaching their work. Plays featured in the book are from Canada, Australia, South Africa, the US, the UK, France, Argentina, New Zealand, Syria, Brazil, Italy, and Austria; the playwrights include Margaret Atwood, Leah Purcell, Yaël Farber, Paula Vogel, Adrienne Kennedy, Suzan-Lori Parks, Debbie Tucker Green, Lisa Loomer, H  l  ne Cixous, Anna Deavere Smith, Lola Arias, Lisa Kron and Jeanine Tesori, Marie Clements, Quiara Alegria Hudes, Alia Bano, Holly Hughes, Whiti Hereaka, Julia Cho, Liwaa Yazji, Grace Pass  , Dominique Morisseau, Emma Dante, Frances Ya-Chu Cowhig, Lynn Nottage, Elfriede Jelinek, Caryl Churchill, Colleen Murphy, and Lucy Kirkwood. Encompassing several generations of playwrights and scholars, ranging from the most senior to mid-career to emerging voices, the book will be essential reading for established researchers, a valuable learning resource for students at all levels, and a useful and accessible guide for theater practitioners and interested theater-goers.

Sinais de Alerta no Amor Sposati e sii sottomessa

The work of Giorgio Agamben, one of the world's most important living philosophers, has been the object of much scrutiny. Yet, there is one dimension of his thought that remains unexamined by scholars: the presence of the ancient science of astrology in his writings. This book, the first of its kind, identifies the astrological elements and explains the implications of their usage by Agamben. In so doing, this study challenges us to imagine

Agamben's thought in a radically new light. A critical account of the presence of astrology and related themes in Agamben's writings, ranging from the earlier works to the more recent publications, illustrates that the astrological signature constitutes a mode of philosophical archaeology that allows for an enhanced understanding of concepts that are central to his works, such as potentiality, the signature, bare life and biopolitics.

Life of Charlemagne Edizioni Dehoniane Bologna

The humorous adventures of an irresistible little rock who finds herself in constantly changing circumstances, Petra is a picture book that celebrates the power of perspective and believing in yourself. Petra is a little rock who believes she is a mighty mountain . . . until a dog fetches her for its owner, and she is tossed into a bird's nest. A mountain? No, Petra is now an egg! An egg of the world in a world of possibility. Until she's flung into a pond, and becomes an amazing island . . . and, eventually, a little girl's pet rock. What will she be tomorrow? Who knows? But she's a rock, and this is how she rolls!

El g  nero explicado a un marciano. Una visi  n equilibrada del gender Marsilio Editori spa

Employing a short story format which finds an autobiographical thread, this book links together disparate times and loves in the author's life, a reassertion and reassembly of his identity in literary format. It presents an account of the author's memories, dreams and desires.

The Translation of Children's Literature Harmony

Avere una storia seria e un lavoro stabile, nell'immaginario etero e omosessuale, sono i due ingredienti di un'esistenza riuscita, ci   a cui tutti dovremmo tendere. Eppure un gran numero di persone non mette pi   la coppia in cima alle sue priorit   e vive all'interno di reti multiformi di amic*, compagn*, coinquilin*, amanti. A partire dal 2009 i movimenti queer e transfemministi italiani hanno indagato, attraverso l'autoinchiesta, i legami d'affetto, solidariet   e cura oltre la "coppia obbligatoria". Memori della lezione delle femministe dei Comitati per il salario al lavoro domestico degli anni Settanta, le attiviste che hanno dato vita a questa ricerca sanno bene che anche in queste relazioni si riproduce la forza lavoro di cui il capitale ha bisogno, ma non si perdono d'animo. Nella capillare indagine dei propri legami d'affetto, delle pratiche di cura e della propria esperienza del lavoro, mappano i meccanismi minuti e diversificati dello sfruttamento, i punti in cui fa presa sulle nostre soggettivit  , ed    proprio l   che trovano micropratiche di resistenza e potenzialit   di sovversione.
