## MARSHALL JERAMIAH

---

*Publishers, Distributors, & Wholesalers of the United States* U of Nebraska Press

From the author of *House of Outrageous Fortune* For seventy-five years, it's been Manhattan's richest apartment building, and one of the most lusted-after addresses in the world. One apartment had 37 rooms, 14 bathrooms, 43 closets, 11 working fireplaces, a private elevator, and his-and-hers saunas; another at one time had a live-in service staff of 16. To this day, it is steeped in the purest luxury, the kind most of us could only imagine, until now. The last great building to go up along New York's Gold Coast, construction on 740 Park finished in 1930. Since then, 740 has been home to an ever-evolving cadre of our wealthiest and most powerful families, some of America's (and the world's) oldest money—the kind attached to names like Vanderbilt, Rockefeller, Bouvier, Chrysler, Niarchos, Houghton, and Harkness—and some whose names evoke the excesses of today's monied elite: Kravis, Koch, Bronfman, Perelman, Steinberg, and Schwarzman. All along, the building has housed titans of industry, political power brokers, international royalty, fabulous scam-artists, and even the lowest scoundrels. The book begins with the tumultuous story of the building's construction. Conceived in the bubbling financial, artistic, and social cauldron of 1920's Manhattan, 740 Park rose to its dizzying heights as the stock market plunged in 1929—the building was in dire financial straits before the first apartments were sold. The builders include the architectural genius Rosario Candela, the scheming businessman James T. Lee (Jacqueline Kennedy Onassis's grandfather), and a raft of financiers, many of whom were little more than white-collar crooks and grand-scale hustlers. Once finished, 740 became a magnet for the richest, oldest families in the country: the Brewsters, descendants of the leader of the Plymouth Colony; the socially-registered Bordens, Hoppins, Scovilles, Thornes, and Schermerhorns; and top executives of the Chase Bank, American Express, and U.S. Rubber. Outside the walls of 740 Park, these were the people shaping America culturally and economically. Within those walls, they were indulging in all of the Seven Deadly Sins. As the social climate evolved throughout the last century, so did 740 Park: after World War II, the building's rulers eased their more restrictive policies and began allowing Jews (though not to this day African Americans) to reside within their hallowed walls. Nowadays, it is full to bursting with new money, people whose fortunes, though freshly-made, are large enough to buy their way in. At its core this book is a social history of the American rich, and how the locus of power and influence has shifted haltingly from old bloodlines to new money. But it's also much more than that: filled with meaty, startling, often tragic stories of the people who lived behind 740's walls, the book gives us an unprecedented access to worlds of wealth, privilege, and extraordinary folly that are usually hidden behind a scrim of money and influence. This is, truly, how the other half—or at least the other one hundredth of one percent—lives.

**The New International Encyclopædia** Penguin

In this hugely appealing book, a finalist for the Pulitzer Prize, acclaimed author and journalist Daniel Okrent weaves together themes of money, politics, art, architecture, business, and society to tell the

story of the majestic suite of buildings that came to dominate the heart of midtown Manhattan and with it, for a time, the heart of the world. At the center of Okrent's riveting story are four remarkable individuals: tycoon John D. Rockefeller, his ambitious son Nelson Rockefeller, real estate genius John R. Todd, and visionary skyscraper architect Raymond Hood. In the tradition of David McCullough's *The Great Bridge*, Ron Chernow's *Titan*, and Robert Caro's *The Power Broker*, *Great Fortune* is a stunning tribute to an American landmark that captures the heart and spirit of New York at its apotheosis.

**Artists' Pigments** Harvard University Press

The updated and expanded third edition of Tilly's widely acclaimed book brings this analytical history of social movements fully up to date. Tilly and Wood cover such recent topics as the economic crisis and related protest actions around the globe while maintaining their attention to perennially important issues such as immigrants' rights, new media technologies, and the role of bloggers and Facebook in social movement activities. With new coverage of colonialism and its impact on movement formation as well as coverage and analysis of the 2011 Arab Spring, this new edition of *Social Movements* adds more historical depth while capturing a new cycle of contention today. New to the Third Edition Expanded discussion of the Facebook revolution-and the significance of new technologies for social movements Analysis of current struggles-including the Arab Spring and pro-democracy movements in Egypt and Tunisia, Arizona's pro- and anti-immigration movements, the Tea Party, and the movement inspired by Occupy Wall Street Expanded discussion of the way the emergence of capitalism affected the emergence of the social movement.

**Black Elk Speaks** HarperCollins

In this prequel to the urban fantasy novel *Lies and Prophecy*, Kim is ready for her freshman year at college—but her challenges include more than just choosing courses and learning to live with a roommate. Welton University has welcomed a new student, one of the strange and powerful wilders. If Julian Fiain is going to fit in among his fellow psychics, he's going to need friends.

*American Map Road Atlas* W. W. Norton

What do consumers really want? In the mid-twentieth century, many marketing executives sought to answer this question by looking to the theories of Sigmund Freud and his followers. By the 1950s, Freudian psychology had become the adman's most powerful new tool, promising to plumb the depths of shoppers' subconscious minds to access the irrational desires beneath their buying decisions. That the unconscious was the key to consumer behavior was a new idea in the field of advertising, and its impact was felt beyond the commercial realm. Centered on the fascinating lives of the brilliant men and women who brought psychoanalytic theories and practices from Europe to Madison Avenue and, ultimately, to Main Street, *Freud on Madison Avenue* tells the story of how midcentury advertisers changed American culture. Paul Lazarsfeld, Herta Herzog, James Vicary, Alfred Politz, Pierre Martineau, and the father of motivation research, Viennese-trained psychologist Ernest Dichter, adapted techniques from sociology, anthropology, and psychology to help their clients market consumer goods. Many of these researchers had fled the Nazis in the 1930s, and their decidedly Continental and intellectual perspectives on secret desires and inner urges sent

shockwaves through WASP-dominated postwar American culture and commerce. Though popular, these qualitative research and persuasion tactics were not without critics in their time. Some of the tools the motivation researchers introduced, such as the focus group, are still in use, with "consumer insights" and "account planning" direct descendants of Freudian psychological techniques. Looking back, author Lawrence R. Samuel implicates Dichter's positive spin on the pleasure principle in the hedonism of the Baby Boomer generation, and he connects the acceptance of psychoanalysis in marketing culture to the rise of therapeutic culture in the United States.

*Choice The Epic of America* A lively introduction to the rich and complex tradition of Latin literature from colonial Spanish America, and to its best known author, the poet Rafael Landivar. Rafael Landivar is the best known of all the poets from the Americas to write in Latin. In the 15 books of his *Rusticatio Mexicana* (1782), he described - in vivid epic verse - the lakes, volcanoes, and wildlife of Mexico and his native Guatemala, as well as the livelihoods and recreations of the people of the region. This panorama of nature, culture and production in colonial New Spain took classical didactic poetry into a new world of political conflict. But Landivar also writes with a strongly personal voice: elegiac and pastoral modes convey the pathos of displacement and the poet's overwhelming nostalgia for his American homeland. Andrew Laird's introduction provides information about Landivar's life and exile to Italy, explains his diverse intellectual heritage, and collects his shorter works (translated into English here for the first time). A 1948 text of the *Rusticatio Mexicana*, with a translation by Graydon W. Regenos, is included in this volume."--Provided by publisher. Great Fortune

The Great Platte River Road through Nebraska and Wyoming was the grand corridor of America's westward expansion. A number of famous trails converged in the broad valley of the Platte, forming a kind of primitive superhighway for the great covered wagon migration from 1841 to 1866. From jumping-off places along the Missouri River—notably the Omaha-Council Bluffs, St. Joseph, and Kansas City areas—the emigrant throngs came together at Fort Kearny, Nebraska. Although they continued on to South Pass, Wyoming, and beyond, this book focuses on the feeder routes and the more than three hundred miles between Fort Kearny and Fort Laramie. The Great Platte River Road looks at border towns, trail routes, river crossings, stage stations, military posts, and such landmarks as Chimney Rock and Scott's Bluff. It goes far beyond geography and Indian encounters in revealing cultural aspects of the great migration: food, dress, equipment, organization, camping, traffic patterns, sex ratios, morals, manners, religion, crime, accidents, disease, death, and burial customs.

*Portico* Samuel French, Incorporated

Madison is richly detailed, fully documented, inclusive in coverage, and has more than 300 illustrations to provide a vivid feeling of life in Madison during the formative years.

**Genre in a Changing World** UM Libraries

“Groundbreaking in its call to reconsider our approach to the slow rhythm of time in the very concrete realms of environmental health and social justice.” —*World Literature Today* The violence wrought by climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Using the innovative concept of "slow violence" to describe these threats, Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that

impels public activism today. Slow violence, because it is so readily ignored by a hard-charging capitalism, exacerbates the vulnerability of ecosystems and of people who are poor, disempowered, and often involuntarily displaced, while fueling social conflicts that arise from desperation as life-sustaining conditions erode. In a book of extraordinary scope, Nixon examines a cluster of writer-activists affiliated with the environmentalism of the poor in the global South. By approaching environmental justice literature from this transnational perspective, he exposes the limitations of the national and local frames that dominate environmental writing. And by skillfully illuminating the strategies these writer-activists deploy to give dramatic visibility to environmental emergencies, Nixon invites his readers to engage with some of the most pressing challenges of our time.

*Medieval Oral Literature* Penguin

Oral epic poetry is still performed by Turkic singers in Central Asia. On trips to the region, Karl Reichl collected heroic poems from the Uzbek, Kazakh, and Karakalpak oral traditions. Through a close analysis of these Turkic works, he shows that they are typologically similar to heroic poetry in Old English, Old High German, and Old French and that they can offer scholars new insights into the oral background of these medieval texts. Reichl draws on his research in Central Asia to discuss questions regarding performance as well as the singers' training, role in society, and repertoire. He asserts that heroic poetry and epic are primarily concerned with the interpretation of the past in song: the courageous deeds of ancestors, the search for tribal and societal roots, and the definition and transmission of cultural values. Reichl finds that in these traditions the heroic epic is part of a generic system that includes historical and eulogistic poetry as well as heroic lays, a view that has diachronic implications for medieval poetry. Singing the Past reminds readers that because much medieval poetry was composed for oral recitation, both the Turkic and the medieval heroic poems must always be appreciated as poetry in performance, as sound listened to, as words spoken or sung.

The first manual to provide a systematic review of essential content for the CNE® exam This is the first review manual written for nurse educators who seek certification as a Clinical Nurse Educator specializing in the clinical learning environment. The resource encompasses all the essential knowledge—as designated by the National League for Nursing (NLN)—needed to pass the exam, and systematically follows the test blueprint so that those taking the exam will be optimally prepared. Complete with teaching tips, evidence-based teaching boxes, case studies, outlines, bulleted lists, and critical-thinking Q&As for each chapter, the book also provides chapter references for accessing additional content for each topic. Exam specifics and test-taking strategies help students to approach the exam with confidence. A practice test is also offered at the end of the book.

Additionally, the resource is a valuable orientation guide for new faculty. **KEY FEATURES** Delivers well-organized, systematic coverage of review content to promote exam success Written for both

novice and expert Clinical Nurse Educators Reflects the number of questions in each section on the test blueprint Highlights areas designated by the NLN as essential knowledge needed for excellence in the field Includes case studies and critical-thinking questions throughout all chapters Provides evidence-based teaching practice boxes Offers teaching gems with advice on improvement from practice experts Includes end-of-chapter review questions, PLUS a valuable 100-question practice test with rationales for self-assessment CNE®/cl is a registered trademark of the National League for Nursing, which neither sponsors nor endorses this product.

William C. Morris YA Debut Award Winner! A hilarious YA contemporary realistic novel about a witty Black French Canadian teen who moves to Austin, Texas, and experiences the joys, clichés, and awkward humiliations of the American high school experience—including falling in love. Perfect for fans of Nicola Yoon, When Dimple Met Rishi, and John Green. Norris Kaplan is clever, cynical, and quite possibly too smart for his own good. A Black French Canadian, he knows from watching American sitcoms that those three things don't bode well when you are moving to Austin, Texas. Plunked into a new high school and sweating a ridiculous amount from the oppressive Texas heat, Norris finds himself cataloging everyone he meets: the Cheerleaders, the Jocks, the Loners, and even the Manic Pixie Dream Girl. Making a ton of friends has never been a priority for him, and this way he can at least amuse himself until it's time to go back to Canada, where he belongs. Yet against all odds, those labels soon become actual people to Norris...like loner Liam, who makes it his mission to befriend Norris, or Madison the beta cheerleader, who is so nice that it has to be a trap. Not to mention Aarti the Manic Pixie Dream Girl, who might, in fact, be a real love interest in the making. But the night of the prom, Norris screws everything up royally. As he tries to pick up the pieces, he realizes it might be time to stop hiding behind his snarky opinions and start living his life—along with the people who have found their way into his heart.

Billboard University of Pennsylvania Press

Black Elk Speaks, the story of the Oglala Lakota visionary and healer Nicholas Black Elk (1863–1950) and his people during momentous twilight years of the nineteenth century, offers readers much more than a precious glimpse of a vanished time. Black Elk's searing visions of the unity of humanity and Earth, conveyed by John G. Neihardt, have made this book a classic that crosses multiple genres. Whether appreciated as the poignant tale of a Lakota life, as a history of a Native nation, or as an enduring spiritual testament, Black Elk Speaks is unforgettable. Black Elk met the distinguished poet, writer, and critic John G. Neihardt in 1930 on the Pine Ridge Reservation in South Dakota and asked Neihardt to share his story with the world. Neihardt understood and conveyed Black Elk's experiences in this powerful and inspirational message for all humankind. This complete edition features a new introduction by historian Philip J. Deloria and annotations of Black Elk's story by renowned Lakota scholar Raymond J. DeMallie. Three essays by John G. Neihardt provide background on this landmark work along with pieces by Vine Deloria Jr., Raymond J. DeMallie, Alexis

Petri, and Lori Utecht. Maps, original illustrations by Standing Bear, and a set of appendixes rounds out the edition.

Great Fortune Fodors Travel Publications

Genre studies and genre approaches to literacy instruction continue to develop in many regions and from a widening variety of approaches. Genre has provided a key to understanding the varying literacy cultures of regions, disciplines, professions, and educational settings. *GENRE IN A CHANGING WORLD* provides a wide-ranging sampler of the remarkable variety of current work. The twenty-four chapters in this volume, reflecting the work of scholars in Europe, Australasia, and North and South America, were selected from the over 400 presentations at SIGET IV (the Fourth International Symposium on Genre Studies) held on the campus of UNISUL in Tubarão, Santa Catarina, Brazil in August 2007—the largest gathering on genre to that date. The chapters also represent a wide variety of approaches, including rhetoric, Systemic Functional Linguistics, media and critical cultural studies, sociology, phenomenology, enunciation theory, the Geneva school of educational sequences, cognitive psychology, relevance theory, sociocultural psychology, activity theory, Gestalt psychology, and schema theory. Sections are devoted to theoretical issues, studies of genres in the professions, studies of genre and media, teaching and learning genre, and writing across the curriculum. The broad selection of material in this volume displays the full range of contemporary genre studies and sets the ground for a next generation of work.
