background

offered no

the

life she was to

step was to
leave the
country
behind and
head to the
city -- in this
case, a Paris
in the grip of
an
intoxicating
1920s blend
of creativity
and
debauchery.

She became a
dancer, and
then a
stripper. But
the demi-
monde of
gauze veils
and admirers
was not
enough. A
visit to the
Actors'
Championships,
a uniquely
French
meeting of the
theatrical
world with the
race-track,
opened her

eyes to the glamorous combination of machines and speed. Quickly establishing herself as a racer of uncommon talent and audacity, the beautiful woman now known as Hellé Nice -- Hellish Nice to her British fans -- then caught the attention of none other than Ettore Bugatti, founder of the marque with which her name will always be associated. And yet, despite the

fame and the fortune she amassed in an unprecedented career, she died penniless and alone, an old woman in a crumbling Nice flat surrounded only by memories. THE BUGATTI QUEEN is the story of a great pioneer of motor racing who happened to be a woman. Re-creating her rollercoaster career with great verve and panache, Miranda Seymour brilliantly shows us a life now forgotten

-- and makes it unforgettable. **Vehicle Multiplex Communication** on Jaguar XJ6 Sniff Petrol is back with another pocket-sized compendium of arcane car facts, guaranteed to repel and appal friends and family alike. sequel to the Triumph Acclaimed Medium-sized Book of Boring Car Trivia, Boring Car Trivia volume 2 is packed with even more obscure info and is guaranteed to have you nodding off within minutes. Look Me in the Eye Crown Tess Maxwell never really wanted to be a competition rider, and she certainly never wanted to inherit her sister Hayley's difficult Grand Prix pony Misty Magic. But nobody ever listens to what Tess wants, and despite her resolution never to ride

Misty again, she soon finds herself back in the saddle as he continues to tear her confidence to shreds. When her parents decide that Misty will be sold after Christmas unless Tess changes her mind about him, she has more to contend with than just surviving the next seven weeks. Because Hayley is determined not to let her beloved pony leave the farm, and she doesn't care what will take

to change her
sister's mind...
