GORDON MICHAEL

The Case for Historic Christianity United Methodist Publishing House

Reproduction of the original.

[A Method for Organizing Bible Knowledge](#) Gospel Advocate Company

This 13-chapter book walks through Scripture's teaching on what God wanted His church to be, and explains how churches of Christ are trying to live out God's plan by pursuing undenominational, New Testament Christianity. Appropriate for teens through adults, and useful for Bible classes or personal study.

The Infinite Atonement Samuel Deuth Ministries

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. The volumes in this series are designed to be used for personal study and for Sunday instruction. They can also help you prepare other lessons or talks and answer questions about Church doctrine. This book features the teachings of President Ezra Taft Benson, who served as President of The Church of Jesus Christ of Latter-day Saints from November 10, 1985, to May 30, 1994.

A Treatise on the Nature, Powers, Ordinances, Discipline, and Government of the Christian Church Author House

Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

Churches in the Shape of Scripture Createspace Independent Publishing Platform

This book explores better ways to develop an intimate relationship with God.

Built Upon the Rock College Press

The Distinctive Nature of the New Testament Church Behind the historical church of the New Testament lies the purpose and wisdom of God. The New Testament church is a unique institution of divine origin. The systematic study of Scripture reveals that Christianity is ordered after a pattern and possess a distinct identity: designed by the Lord, conveyed through the words of the apostles, and seen in the practice of early Christians. Only when following this pattern can we fulfill the command to glorify God in

the church. In this study, Edward C. Wharton establishes that Scripture contains a divine pattern for the church of Christ. He then presents a systematic study of the biblical passages relating to the church, creating a clear understanding of the pattern set by God.

[Mind of Christ, Revised \(Member Book\)](#) Lifeway Church Resources
The very foundation of Christianity is the fact that Jesus Christ is the "only begotten Son of God" (John 3:16). But, what assurance exists that He is deity, except that the Holy Scriptures are proven to be the infallible message from God? Since the Bible was written by human beings for human beings, man's very hope rests upon the question, "Could the Scriptures be the very Word of God, though penned by men?" Brother Mosher will affirm the answer to be "yes!" --Curtis Cates

Knowing Jesus Christ The Fourfold Gospel

Twenty-five Bible-based reasons for his choice of church affiliation.

Following Jesus Sunset Publications

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

Book of James Pilgrim Press

Renowned scholar J.-M. R. Tillard defines what the flesh of the Church is for the New Testament and the period of the undivided Church. He enables readers to understand not the structure of God's Church but the living reality of grace for which this structure exists. He explains that the "flesh of the church" is communion of life for humanity reconciled with the Father and with itself "in Christ".

The Reality of Christian Life for American Christians

Liturgical Press

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

[Gay Rights Or Wrongs](#) Crossway

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

CreateSpace

Bannerman's THE CHURCH OF CHRIST is the most extensive, standard, solid, Reformed treatment of the doctrine of the church that has ever been written. It is indisputably the classic in its field. And now its teachings are more accessible, thanks to this detailed outline and study guide. Reduced to less than a quarter of its original size, this book retains in Bannerman's own words the key principles of the Presbyterian doctrine of the church. It's simple, clear, and to the point-a great help for classes and small groups seeking to dig deeper into what the Bible teaches about Christ's body and beloved bride, His church.

Authorized King James Version Christ Church Bronxville

Based on Philippians 2:5: "Let this mind be in you, which was also in Christ Jesus," the study shows you how Jesus' mind worked and how the Holy Spirit can teach you to think as He did.

The Fourfold GospelDeward Publishing

The First Century and Now Canongate U.S.

The author thoughtfully proves the infinite scope of the "great and last sacrifice," describing its power and breadth and explaining how Christ's atonement redeems all mankind. This edition is filled with stunning, full-color illustrations by James C. Christensen, Simon Dewey, Greg Olsen, Walter Rane, and many other artists.

The Unofficial Handbook of the United Church of Christ Canongate

Books

"Could you tell me something about the church of Christ?" "Could you tell me the difference between the church of Christ and the _____ church?" If you've ever asked questions like these--or been on the receiving end of them-- then this is the book for you. Expect to walk away from this book not only knowing what churches of Christ are all about, but also with a clear

understanding of many of the beliefs and practices that distinguish them from other church groups. Don't be surprised, though, if you also walk away with a renewed conviction that being a New Testament-shaped church is a goal worth pursuing, and that doing things God's way really does matter. *A 12-Week Study BibleTalk Books*
" ... an insightful look at life inside a conservative evangelical

community--the Church of Christ. Growing up in a big church in a small town, Mike's thoughts and stories come from his unique perspective as the son of a famous preacher. Some of his memories are fond and some are, naturally, conflicted ... a memory book that eventually leads to a crossroad: remain in the church of one's outh or take strides in a different direction?"--
